ing. Pitchers Brown and Pfeister were also buffeted about in the attack on the Chicago players after the game yesterday, but did not receive hurts of any consequence.

"The boys are in fine shape," said Captain Chance tonight, "and I feel confident that we can win another world's series from Detroit. However, I am not looking for any such victory as we had last year. Detroit's team is too great to suffer such a defeat again. But we feel that we can beat them. Either Overall or Reulbach will open the series tomorrow afternoon, probably Reulbach, if he warms up well."

DETROIT MEN IN GOOD SHAPE

Manager Hugh Jennings had his American League champions on the field at Bennett Park all the morning, giving them their final practice for the first of the games, which means so much to them. Tonight he said that his entire team was in satisfactory shape. He said of Shortstop O'Leary, who has been out of the game for several days, that his injured thumb is sufficiently well that it will not trouble him, especially tomorrow. Catcher Schmidt has a bad finger, but it will keep him out of the game.

ALL RESERVED SEATS SOLD

Within two hours after the reserved seat sale was opened this morning at Bennett Park, every reserved seat for Saturday's game was sold, and there were still hundreds of men in line waiting to secure the coveted admission. Circus seats which will accommodate 10,000 spectators arrived at Bennett Park yesterday afternoon, and a large force of carpenters put them in place this evening under the supervision of architects. These seats extend completely around the grandstand, and the third-base line to the pavilion in right field. President F. J. Navin stated tonight that he will have seats for from 15,000 to 20,000 tomorrow, and that the demand for tickets indicated that they will all be filled.
