

DEFIANT WOMEN
FLOCK TO PRISON

English Suffragettes Refuse to Give Bail and Demand Jury Trial.

SAY "DOWN WITH ASQUITH"

Agitators Who Blocked London Streets for Four Hours Swamp Courtroom—Female Lawyer Grills Police Official.

LONDON, Oct. 14.—A great crowd surrounded the Bow-street Police Court this morning when the woman suffragists and the men without work, who were arrested yesterday during the disorders in front of the House of Parliament, were arraigned. In the throng were many women wearing badges with the words, "Vote for women." The three leaders, Mrs. Drummond, Mrs. Pankhurst and Miss Cristabel Pankhurst, demanded a trial by jury. The cases were postponed until October 22.

Police Superintendent Wells testified that traffic had been disorganized for four hours and that eight persons had been injured by the demonstrators. Miss Pankhurst acted as attorney for Mrs. Drummond and Mrs. Pankhurst, and her cross-examination of Mr. Wells attracted much amusement for the spectators.

Most of the other prisoners were expected to give bond for their good behavior, with the alternative of imprisonment for from one to two months. As on previous occasions, the women elected to go to jail. When one was offered freedom on her personal recognizance, she said to the presiding magistrate: "You won't get any of my money. I will go to jail. Down with Asquith."

Another declared that she had not obstructed the police, far from it. It was the police who had obstructed her.

SUBMITS MILK ORDINANCE

Cottel Measure Referred to Health and Police Committee.

Councilman Cottel's proposed ordinance to regulate the sale of milk was introduced into the County yesterday afternoon, and after being read, was referred to the committee on health and police. It is one of the most voluminous measures ever before the Council.

Dr. Cottel moved the reference of the proposed ordinance to the general license committee. Councilman Cottel said that he thought it ought first to be sent to a committee, as he said, it is entirely too long. It was finally sent to the committee on health and police. His provisions cover every feature of the dairy industry, and Dr. Cottel, who has made a deep study of the matter, declared that, if passed, it will greatly improve the conditions as to the milk supply.

LODGE HITS SOCIALISM

Imperialism to Be Feared Only From This Cause, He Says.

BOSTON, Oct. 14.—Severely arraigning Socialism, United States Senator Henry Cabot Lodge tonight delivered a stirring address at a banquet which closed the annual convention of the Postmasters' Association of New England. The Senator said:

"If we are confronted with imperialism, it will arise from causes existing among ourselves and it will come to us from the success of men who try to array class against class, to array men on other than party lines, violating every tradition and institution of this country. I refer to that substitute for freedom which is popularly known as state socialism. If imperialism comes it will come from this cause."

HUSBAND SHOTS WIFE

Oakland Man Then Fires Bullet Into His Own Head.

OAKLAND, Cal., Oct. 14.—Lorenzo Rogers this evening shot his wife through the breast, fatally wounding her, and a few minutes later blew out his own brains. Rogers who had been separated from his wife, went to No. 34 Kennedy street, where Mrs. Rogers had been staying with her sister, for the purpose of securing the custody of their four-year-old son.

Mrs. Rogers heard of his mission and went to intercept him. While the woman was defending her child, the husband shot her.

Rogers walked from the house and proceeding toward the street, at a short distance, placed the same revolver to his head and fired, dying instantly.

JURORS ARE ALL CHOSEN

Testimony to Be Taken in Land-Fraud Case Today.

When the Federal Court opens this morning the Government will begin the introduction of testimony in the case against the Pacific Furniture & Lumber Company. This is the case in which wealthy Los Angeles men are charged with conspiring to defraud the Government out of about 35,000 acres of valuable timber land. All of yesterday was spent in selecting a jury and in the

opening arguments of respective counsel before the jury.

The jury that will consider the case is composed of: John Borwick, farmer, Washington County; A. H. Birrell, real estate dealer, Multnomah; William H. Eagan, farmer, Marion; E. E. Dodele, farmer, Benton; Christian Kocher, farmer, Clackamas; W. G. Walker, rural mail carrier, Marion; J. R. Kaser, grocer, Multnomah; W. H. Smith, farmer, Clackamas; D. F. Lefevre, farmer, Garden City; W. Ellison, farmer, Multnomah; Otto Hoffman, florist, Multnomah; and C. C. Peck, farmer, Aljona.

One of the jurors, W. H. Smith, a Clackamas County farmer, has the same name and initials as one of the defendants. When being examined by Mr. Manning, Mr. Smith was asked if he had seen or talked with any of the Government officials and detectives since he had been summoned as a juror.

During the progress of the trial the members of the jury will be kept together under the custody of two bailiffs.

COURT MODIFIES RATE ORDER

Railroads May Put Into Effect Commission's Schedule.

Judge Wolverton yesterday signed an order modifying the original order of the court in the celebrated lumber rate case, entitled, *Los Oregon & Washington Lumber Manufacturers' Association against the Union Pacific and other railroad systems of the country*. The effect of the order is to permit the railroad companies to put into effect the new lumber tariffs prescribed by the Interstate Commerce Commission.

These new rates became effective at midnight last night and will prevail pending a final decision by the United States Supreme Court of the controversy between the railroads and the lumbermen.

KILLS IN SELF-DEFENSE

JAPANESE MURDERS COUNTRY-MAN AT GRESHAM.

Laborer Shoots When With Friends He Is Attacked With Gun and Ax—Surrenders Himself.

Defending himself against the murderous attack of a man who brandished with a loaded revolver and an ax, Mitsujiro Hashimoto, a Japanese laborer, shot and killed S. Shimizu, another Japanese, on the farm rented by J. Callahan, one-half mile west of Gresham on the Section Line road, yesterday evening, and is now a prisoner in the County Jail following his voluntary surrender to Deputy Sheriff Emery, of Gresham.

From the evidence at hand it appears to be clear that Shimizu met his death in the attempt to kill friends of Hashimoto. When the latter came to their assistance and disarmed Shimizu when about to shoot, he was forced to turn to his own defense from an attack by Shimizu, who picked up an ax and started in to chop the peacemaker to bits.

The tragedy occurred in a little wooden shack near the farmhouse, where Hashimoto and five other Japanese employes digging potatoes were quartered. The place is only 12 by 14 feet in dimensions. Shimizu, who is said to be a gambler, lived in one of the Japanese diggers' houses in Portland. He pretended to have some claim against two fellow workmen of Hashimoto. This claim, according to the facts, had been settled several days ago. Shimizu went out to Gresham and, threatening them with a knife, made the men pay this claim again, so they said. Yesterday the men did not work in the late afternoon because of the rain, and were all gathered in their bunk-house when Shimizu came again. He entered the door and drew his revolver and threatened the lives of the inmates if his money was not forthcoming. Hashimoto, who was disturbed in the affair, sprang forward and wrested the weapon from his grasp just as he was taking aim. Infuriated at losing his revolver, Shimizu turned and, seizing an ax, renewed the attack. Hashimoto and the other five were between Shimizu and the door. As Shimizu, with ax upraised rushed at him, Hashimoto fired.

Sheriff Stevens, with Deputy Sheriffs Leonard and Bulger, went to the scene to gather evidence. The body of the dead man was brought to this city by Deputy Coroner Dunning, who announced that the inquest would be held on Friday morning. The officials believe that the prisoner will be exonerated. Shimizu was 31 years old and Hashimoto is 26. Both are single. Hashimoto has been in Portland for two years. Prior to that he had lived in Hawaii for six years.

GOING TO SUPREME COURT

Mount Scott Annexation to Be Passed On by High Tribunal.

Although it was thought the question of whether or not the County Clerk should place the Mount Scott annexation question on the ballot had been settled when Judge Gantenbein decided recently that the Presidential election is also a general election, it is to be taken to the Supreme Court. Mount Scott people who do not wish to be annexed to the city will probably furnish a bond that the County Clerk may not be the losers by taking the matter up. It is thought a hearing on the question can be had Monday, October 20. County Clerk Fields consulted with Judge Gantenbein, and came to the conclusion that it would be better to take the question to the Supreme Court and have it settled before the election, than afterward.

The sample ballots are now out. Those who wish copies should apply to the County Clerk.

Mr. Fields is sending letters to the judges and clerks of election directing them to be present at the polls a half-hour before the opening time on November 2, and to secure at each poll an extra man to take the place of any judge or clerk who may not be able to serve.
