

LOGGERS, CLEAR-TALK FOR TAFT

Congressman Humphrey Defines Position of Republican Party at Army.

FLAYS BRYAN'S POLICIES

Says Bank Guarantee is Illogical as Free Silver Issue and Sponsor Will Be Just as Ashamed of It Some Day.

an address, logical, forceful and eloquent, in which Bryan's bank guarantee was ridiculed and the position of the Republican party on the injunction was defined clearly, was delivered in the Army last night by Congressman Will E. Humphrey, of Seattle.

The bank guarantee as proposed by Bryan was denounced as a logical, but as an slur against the Nebraska's free-silver plank, adopted at the Denver convention, was pronounced a meaningless declaration, intended to fool the laboring men of the country.

"The injunction plank in the Democratic platform was drawn purposely so as to mean all that it could mean, just as to suit both the radical and the conservative elements within the party," said Mr. Humphrey.

Congressman Humphrey referred to the industrial conditions in the South, and said the Republican party deserved the credit for enacting the Chinese exclusion act, and all acts restricting immigration and all other legislation which made for the betterment of the Chinese.

"But Bryan has another plan. He proposes to make all bankers equally honest and conservative. His plan proposes that the cautious and conservative banker shall pay the losses of the gambler and speculator. By its operation such a programme would drive out of business the honest banker, while the gambler and the speculator would flourish.

"This scheme is yet in an experimental stage in Oklahoma and sufficient time has not passed so that it can be determined how the scheme will operate."

Upholds Injunction Plank. Tasking the injunction subject, which was discussed at considerable length, the speaker pointed out that the greatest evil growing out of injunctions was the delay of the courts in hearing the questions involved.

FIRST GAME OF LEAGUE

Season for Grammar School Football Successfully Inaugurated at East Thirtieth and Davis Streets Before Large Crowd.

BY W. J. PETRAIN. About 200 lusty-lunged boys and girls assembled at East Thirtieth and East Davis streets yesterday afternoon and witnessed the first game of the Grammar School Athletic League.

Little tots just entering school were on the sidelines and when the boys representing their school made substantial gains, these youngsters yelled their school cries as lustily as does the average rooting squad of a college.

Stephens Has Good Team Work. The Stephens School team, during the first half played like a well-oiled college football machine, and gained yardage frequently on the Brooklyn eleven.

Field Goal Fails. At this time a goal from the field was tried but carried wide of the goalposts. Almost immediately after the ball had been kicked out by Stephens, Brooklyn succeeded in again rushing the ball to within threatening distance of the opposite end of the field.

For Brooklyn, Rufner, Adams, Hule, and a Japanese boy, Mahatma, and again played football all the time, while quarterback Wilson was a bright and shining light in himself.

Both teams may well be proud of their showing yesterday—Stephens for a well-earned victory and Brooklyn for the gritty and determined manner in which they contested every inch of ground gained by their opponents.

POSTPONE FOOTBALL GAME University of Washington and O. A. C. Will Meet Thanksgiving Day.

LUMBER KING'S EVIDENCE Weyerhaeuser Gives Congressional Committee Opinion on Spruce.

ST. PAUL, Oct. 26.—Congressmen J. R. Mann and W. H. Ryan, accompanied by the other officials who comprise the Congressional committee that has been touring Northern Minnesota investigating the supply of spruce timber, arrived in St. Paul today and called on Frederick W. Weyerhaeuser, the multimillionaire lumberman, in his office.

At the meeting yesterday of the board in charge of preparations for "Tag Day," which is to be held Saturday, October 31, in aid of the Baby Home, details were discussed for the plans to be pursued on that day.

At a recent "Tag Day" in Bellingham the sum of \$100 was raised for charity, and comparing the state of that city with Portland the board is hopeful of raising a large sum for the Baby Home.
