## COST OF JOB NO OBJECT

Waddell Testifies Eugene Dupont Ordered Him to Go South and Oust Chattanooga Company, Regardless of Prices.

## NEW YORK, Oct. 28

—How the Dupont Powder Company cut prices in the South to put the Chattanooga Powder Company out of business was brought out today at the resumption of hearings in the suit of the Government against the powder trust. F. G. Waddell, district sales agent for the Birmingham Powder Company, of Huntington, W. Va., testified that he had instructions from Eugene Dupont to go down and "oust" the Chattanooga company regardless of prices. "I located the trade supplied by the Chattanooga company," said the witness, "with the aid of the railroads, and took it away from them."

## KILL BAND FROM AMBUSH

Yaquis Surrender After 40 and Chief Are Slaughtered.

EL PASO, Texas, Oct. 28.—News reached here today from various sources that a battle between Papago and Yaqui Indians has taken place north of Chaltar, Sonora, and that 40 Yaquis were killed. According to the report, the Mexican Government armed the Papagos, who lured the Yaquis into ambush and slaughtered them. The reports have not been officially confirmed.

WISSENE, Ariz., Oct. 28.—Following a skirmish southeast of Hermosillo, Mexico, in which it is reported that Ele-

## OFFICER KILLED BY TRAIN

Albert Stewart, of Steamer Roanoke, Meets Frightful Death.

## MANILA, Oct. 28

—Private Mike Beecham, of the First Cavalry, who ran amuck at Camp Stotsenburg last May and killed four of his comrades, was sentenced to life imprisonment today by the trial court before which he appeared. The court took the view that the crime was unpremeditated and the result of a sudden fit of anger. Under the Spanish law, therefore, the court held that the circumstances in the case did not warrant the infliction of the death penalty. Beecham will probably appeal from this sentence, although the Supreme Court, to which his appeal must be directed, has the power to substitute the death penalty.

## Gasoline Schooner Repaired.

ASTORIA, Or., Oct. 28.—(Special)—The repairs to the gasoline schooner which drifted on to Clatsop spit a few days ago while crossing in at the mouth of the river, were completed this morning and the vessel was taken off the gridiron this afternoon.

## LASHES ALL IDLE WOMEN

Suffrage President Tells Them They Are Their Own Drawbacks.

## CHICAGO, Oct. 28

—Women turned upon women yesterday in the cause of the ballot. And it was no less a person than Dr. Anna Howard Shaw, president of the National American Woman Suffrage Association, who did it. Dr. Shaw addressed an enthusiastic rally of Chicago suffragettes held in the afternoon in the assembly hall of the Fine Arts building. Representatives of ten local suffrage organizations were there and every representative was looking for something interesting. None expected just what came. "One of the great obstacles to women's suffrage we have in this country today," said Dr. Shaw, "is our great body of idle women. The industries that occupy their grandmothers do not occupy the granddaughters and this has taken from the women the opportunity of being producers of wealth."

## TSCHAIKOVSKY FREE

Russian Revolutionist Happy With Family and Friends.

## HEAVY BOND SUBSCRIBED

Patriot Kept Under Close Guard. Will Not Be Able to Go Abroad Immediately as He Had Expected.

## ST. PETERSBURG, Oct. 28

—After an imprisonment of 11 months and five days, Nicholas Tschaikovsky, the Russian revolutionist, was released this afternoon on \$5,000 bail, pending trial. Tonight he is spending a happy evening with his family and intimate friends. Tschaikovsky remains under police surveillance and will be unable to go abroad immediately, as he expected. The rigors of prison life apparently have made little impression upon M. Tschaikovsky's physical and mental condition. When he was seen directly after his release he dictated the following statement: "I am deeply touched at the messages of sympathy which have reached me time and time again from my American friends. These show that the world has not forgotten me during my long imprisonment. I realize that this sympathy is more for my country and the cause than myself, but I rejoice that I have furnished the occasion for such a manifestation of public interest in Russian liberalism as is evidenced by the petitions for my release."

## Bantel Severely Burned.

SAN FRANCISCO, Oct. 28.—Charles A.

## Bantel, City and County Treasurer during the administration of former Mayor Eugene El. Schmitts, was seriously burned today by a "flare back" from the oil burning oven in a bakery on Turk street, of which he is the proprietor. Bantel went into the bakery early in the morning to start the fire in the oven, in some manner the burning oil, which is forced into the oven by steam, flared back and terribly burned him about the face, head, shoulders and arms. Bantel was removed to the Central Emergency Hospital, where it was said that his injuries were not necessarily fatal.

## A suit was filed yesterday against Bantel by Attorney-General U. S. Webb, for the recovery of \$14,000, the state's portion of the disputed \$37,000 United Railroad tax money, which, it is alleged, disappeared from the city and county treasury while Bantel was Treasurer.

## George Hayward, aged 61, who has just died at Needham Market, lived nearly all his life in the same house. He never had a day's holiday, and never saw the sea. Hayward was formerly in business as a butcher, and he was in the habit of wearing an apron at church on Sundays beneath his frock coat.—London Daily Mail.

# S.S.S. A CURE FOR RHEUMATISM

Rheumatism is caused by an excess of uric acid in the blood, which is carried through the circulation to all portions of the system. Every muscle, nerve, bone and joint absorbs the acid, pain-producing poison, causing aches, inflammation, stiffness and other well known symptoms of the disease. Permanent relief from the pains and discomfort of Rheumatism cannot be expected from the use of liniments, plasters, and other external treatment which does not reach the blood, where the cause is located. Such measures give temporary relief, but in order to cure Rheumatism the uric acid and inflammatory poison must be expelled from the blood. S. S. S. cures Rheumatism because it is a perfect blood purifier. It goes down into the circulation, neutralizes the uric acid and drives it from the blood. S. S. S. expels the irritating, inflammatory matter which is causing the pain, swelling and other discomfort, enriches the weak, sour blood, and permanently cures Rheumatism. In all forms of Rheumatism, whether acute or chronic, S. S. S. will be found a safe, vegetable remedy, possessing the properties needed to cure, and at the same time a medicine that builds up the entire system by its fine tonic effects. Book on Rheumatism and any medical advice free to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA.
