## Dillon Makes Victory Easy for Beavers With New Pitcher.

### HOME RUN FOR JOHNSON

#### Old Reliable Makes Things Lively in First Inning and Danzig Also Helps With Doubles—Only One for Angels.

LOS ANGELES, Cal., Oct. 29.—(Special.)—Dillon tried out a new local bush pitcher named Walter Smith today against the Beavers, and the Northerners had no trouble in trimming him, while Kinsella always had the champagne in his lap. Beautiful fielding by the visitors and the hitting of Johnson and Danzig made the fans sit up and take notice. Kinsella also showed with a fine running catch in deep center.

The game was over in the first inning. Casey walked and was forced at second by Cooney. Then Busher Smith soaked Raftery with the ball and Johnson came along and hit the ball along the first base line and it bounded through an open gate and under the bleachers for a home run. The next two runs came from a pass, a sacrifice, two errors and Danzig's double. The next resulted from a pass, sacrifice, an out and a Danzig double, and the final one was due to a single and Kinsella's double. The only run of the locals was made on two singles and a double. The score:

Coach Forbes' Men Turn Out for Practice on Multnomah Field and Make Good Impression on Friends.

### FEEL CERTAIN OF VICTORY

Manager Ralph McEwen, Coach Robert W. Forbes, Trainer Bill Hayward and 17 members of the University of Oregon football squad, passed through Portland yesterday on their way to Moscow, Idaho, where the Oregon boys are scheduled to meet Coach Middleton's classy University of Idaho eleven in the annual contest tomorrow. Coach Forbes has succeeded in rounding out an speedy bunch as ever wore the colors of Oregon and is confident of victory.

Between trains the Oregon squad visited Multnomah Field for light practice. A number of the old guard, including C. N. McArthur, Dr. Fred Zeigler, Seth Kerron and Dr. Holt, were on hand to watch the formation and when Forbes' exercise was over, all expressed themselves as satisfied with Oregon's prospects.

The players on the Oregon squad are as follows: Dudley Clark, Fred Moulton, Louis Pinkham, William Main, "Barney" Mitchell, William Hitz, Cal Sweet, Ben Johnson, W. McIntyre, A. Gillis, R. McDonnell, Dean Hayes, Lester Means, S. McKinley, Victor Voigt, L. Hurd and S. LaCourte.

Walter McIntyre, the giant lineman, who performed so brilliantly last season, is even better this year, while Dudley Clark and Fred Moulton demonstrated during their practice that they were still capable of playing a strong punting game. In this department, Oregon promises again to excel the other Northwest institutions, and will depend greatly upon the yardage thus gained for victory.

Despite the loss of four or five of last year's stars, the varsity boys and their admirers are confident that their season will be a grand success. Captain Moulton and Manager McEwen express their belief that Oregon will defeat Middleton's men by at least one touchdown or goal from the field. They believe that the Oregon team will prove simply strong enough to hold the Idaho attack and claim the advantage, because of the superior punting ability of Clark and Moulton.

Coach Forbes has introduced a number of new and intricate plays which the Oregon boys have mastered. One thing that has impressed the big Yale man, is the willingness and aggressiveness displayed by the team.

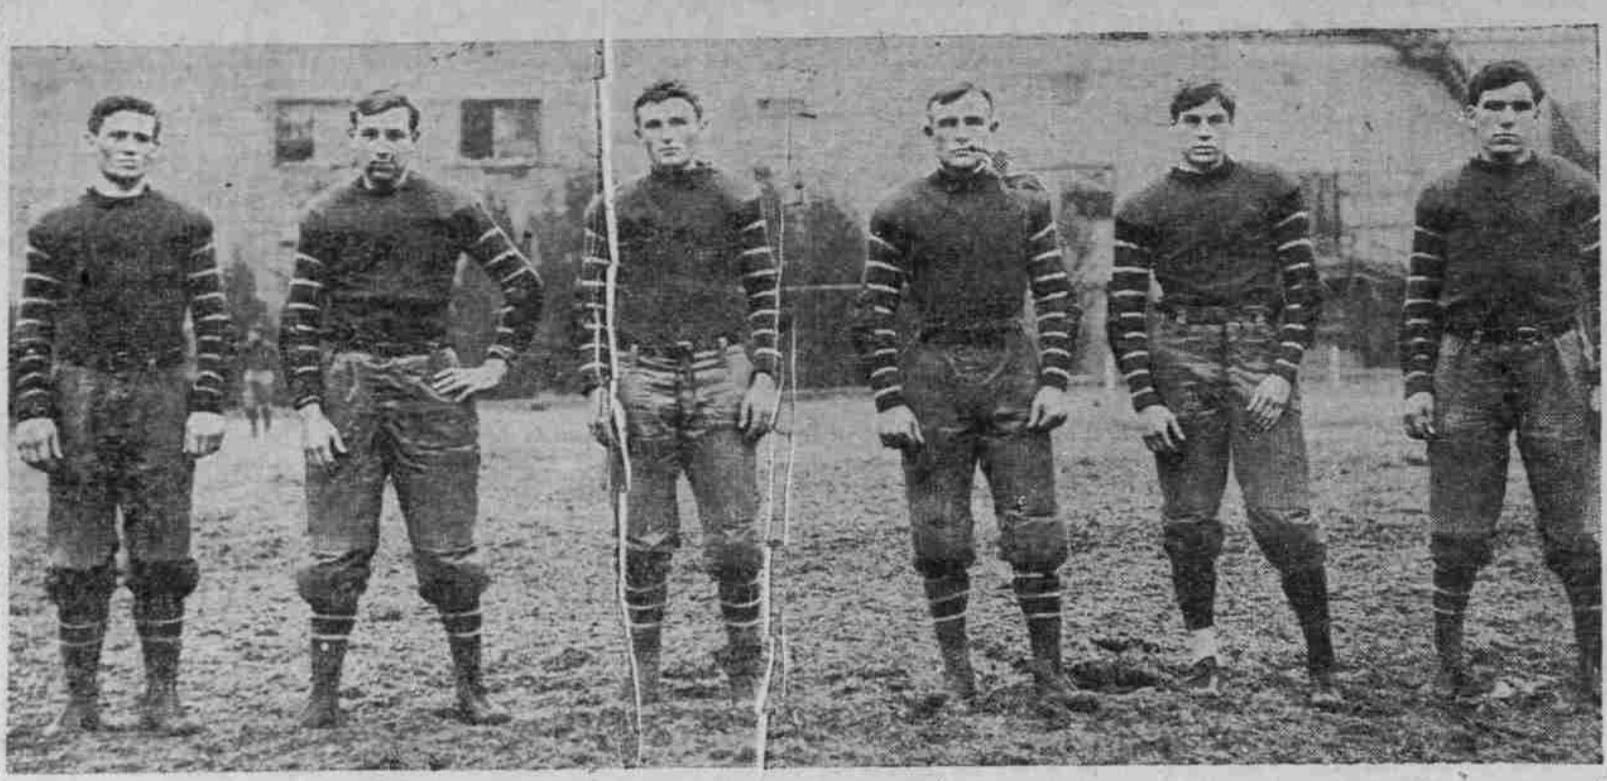

Manager McEwen, yesterday, said: "We are confident that we will be able to do better than to hold Idaho to a tie score. For our punters are the best in the Northwest and through their work alone we will gain considerably upon Middleton's squad. I haven't the slightest doubt as to the outcome, though if we are held to a tie score, we shall not be greatly disappointed, for that would be glory enough with a practically new team in the field."

The Oregon boys left last night and should arrive at Moscow this evening. A night's rest at the home of their opponent is expected to put them in fine fettle for the big game tomorrow. The officials in tomorrow's game will be N. Hochstetler, of Portland, and John R. Bender, of Spokane.

**GAME IN EUGENE SATURDAY**  
Second Eleven to Try Conclusions With Second Multnomah Team.  
UNIVERSITY OF OREGON, Eugene, Or., Oct. 29.—(Special.)—While the varsity football team is playing Idaho at Moscow Saturday afternoon, there will be a lively contest between the second team and the second Multnomah eleven at Kincaid field. Assistant Coach Arrington has been working faithfully with the scrubs since their defeat at Chemawa last Saturday when they will be in good condition for the game. The scrub team is as heavy as the varsity and contains a number of the best men from the freshman eleven which disbanded last Friday. The center trio averages 136 pounds, and the back field is composed of fast, aggressive men. Earl Halley, 70, of Baker City, is captain of the team.

**RANGERS HOT AFTER CLUBMEN**  
Expect Victory or a Tie in Their First Appearance Tomorrow.  
Determined to stop the victorious course of the Multnomah Association football team by beating or at least tying the clubmen, the newly organized Portland Rangers will make their bow Saturday afternoon, when they meet the M. ## SIX FRESHMEN ON THE UNIVERSITY OF OREGON FOOTBALL TEAM

The players shown in the accompanying picture are members of the freshman squad at the University of Oregon who have shown enough class to warrant Coach Forbes using them on the varsity against the University of Idaho at Moscow tomorrow. They are, reading from left to right, as follows: Michael, left end; McKinley, left halfback; LaCourte, quarter; Means, center; Ben Chandler, quarter; Main, right halfback.

### Cyclone Thompson Finishes Rudolph Unholz.

### BOER IS BEATEN SEVERELY

SAN FRANCISCO, Oct. 29.—Cyclone Thompson practically knocked out Rudolph Unholz, the "fighting Boer," in the 11th round of a scheduled 20-round contest tonight. Thompson felled the Boer twice with a right hook to the jaw. A third punch put Unholz through the ropes into the arms of the newspaper men at the ringside. At this stage of the contest the police interfered and the decision was given to Thompson by Referee Jack Welch.

During the first three or four rounds the fighters lived up to their names and their clown-like antics evoked much merriment from the spectators. After Thompson had landed a couple of good punches, however, the Boer concluded to fight at long range. Thompson dropped him to the mat in the fourth with a left hook to the jaw.

Knocked Down Again.  
Again in the eighth round Thompson toppled his man over. Unholz managed to stall the round out. He was again sent to his knees in the following round. His seconds claimed that he had broken the bones in his right hand, which was subsequently substantiated by an attending physician.

Thompson was a 10-to-6 favorite in the betting.  
Preliminary between Lew Powell and Johnny Murphy was a slam-bang exhibition in which blood flowed from the outset. Murphy had the better of the early rounds, forcing the fighting and landing the harder blows. After the 11th round, however, Powell steadily improved, and when the final gong sounded he had evened up matters. Referee Billy Roche promptly declared it a drawn battle. The decision was a popular one.

**O'BRIEN-LANGFORD BOUT OFF**  
Six-Round Match Postponed on Account of Police Order.  
NEW YORK, Oct. 29.—The six-round boxing match between Jack O'Brien and Sam Langford, scheduled to take place before the National Athletic Club tomorrow night, has been postponed for a week. The postponement is due to a recent order of Police Commissioner Bingham, directing the police to prevent all matches. The National Athletic Club claims to be a legitimate club and will hold a minor match tomorrow night in order to test the right of the police to interfere.

**Nelson-McFarland Bout Delayed.**  
CHICAGO, Oct. 29.—Willis Britt, of San Francisco, manager of Light-Weight champion Patsy McFarland, stopped off in Chicago for a few hours yesterday afternoon en route from New York to the Coast, and set at rest all doubt as to the pugilistic plans of the Dane. "Nelson has only two fights in view and neither of these is likely to come off soon. One of these battles is to be with Patsy McFarland; the other will be with the Chicago boy a crack at the title. Negotiations for a fight between the Dane and McFarland have not even been started, but I can say the Holman School wins."

The Holman School was a closely-contested game from the Atsworth School eleven yesterday afternoon on the West Side grounds by the score of 5-6. The Holman team, however, getting a touchdown in the first half, after which neither side was able to score.

## TO SEND APPLES TO FAIR

### Hood River Preparing 300-Box Exhibit for Seattle Exposition.

HOOD RIVER, Or., Oct. 29.—(Special.)—W. H. Wehrung, president, and M. W. Wisdom, secretary of the Oregon Commission of the Alaska-Yukon-Pacific Exposition, were here today and addressed a meeting of the Hood River Commercial Club directors, who have decided to place a county exhibit of 300 boxes of apples at the Seattle fair. The county display calls for an exhibit of the finest apples that can be obtained in the valley. These will be selected at once and sent to the Commission, which will place them in cold storage at a plant erected on the exposition grounds at Seattle. It is the intention to handle the fruit so as to have a permanent Hood River County exhibit at the fair during the entire time it is open, as the fruit that will be put in cold storage now will be supplemented with a shipment of apples as soon as they are in condition next fall before the exposition closes.

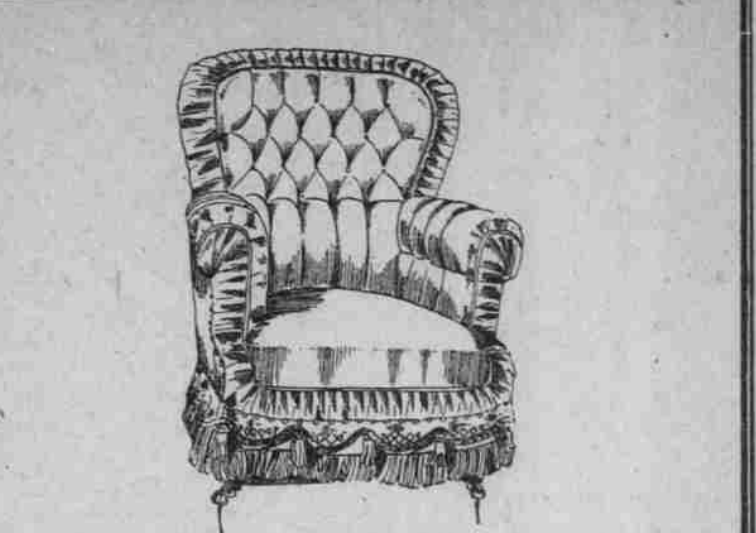

The proposition of Eilers Piano House to give away free a lot of fine new pianos, as well as other valuable prizes, the amount of \$18,000, in order to impress more forcibly upon every resident of the Northwest the many advantages it offers buyers and to show at the same time the enormous business transacted in this field, has aroused much interest.

Two columns of pictures of pianos were published in Sunday's Oregonian, the long one—about 35 per cent of the total—showing the quantity and number of pianos sold by Eilers Piano House; and the short one—about 23 per cent of the total—showing the names and addresses of families who would like to participate, and to whom also copies will be promptly sent free of charge. Eilers Piano House, 315 Washington street.

**ARREST THREE SUSPECTS**  
Police May Have Men Who Shot John Brugger.  
The police arrested three men last night who they believe will prove to be the thugs wanted for the attempted hold-up and the shooting of John Brugger, a saloon-keeper at Taylor and First streets, a few nights ago. The prisoners are James and Walter Gannon, brothers, and Frank M. Gannon, their cousin. All of them have been in trouble before on some serious charge.

The habitation of this trio is an old shack on Smith street, Montavilla, and it was here that they were found and taken into custody last night. The case against them is not complete, but the police believe they have the right men and are working hard to secure evidence that will prove their guilt. The Gannons were seen last night by three men of the city Street Cleaning Department who were at Taylor and First streets at the time of the shooting and saw the men run away. The city employees said that the Gannons answered the description of the men they saw, but they could not positively identify the suspects.

# Georgia's State Chemist Praises Cottoleene

J. H. McCandless, State Chemist of Georgia, before a recent gathering of Cotton Seed men, gave emphatic praise to the high quality of Cottoleene. He said:

"The sale of this product and the proclamation that it is made of cotton seed oil have done more to bring cotton seed oil truthfully and favorably before the public than anything else in recent history."

Mr. McCandless then pointed out how a pure, refined, vegetable-oil basis, such as is in Cottoleene, is the only assurance a woman has of a clean, digestible, cooking product.

It seems a positive wonder in the light of all that has lately been said and written, and of what is known of lard, where it comes from, of what it may be made, and how little chance there is to get pure lard, that anyone will continue its use, when pure, sweet and healthful Cottoleene can be so easily obtained.

**COTTOLENE is Guaranteed** Your grocer is hereby authorized to refund your money in case you are not pleased, after having given Cottoleene a fair test.

**Never Sold in Bulk** Cottoleene is packed in pails with an airtight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.
