Mitchell's Telegram Garbled. In this connection it was made known that Representative Burton had information from Daniel Keefe, president of the housewives' union, that the telegraphed, published statement from John Mitchell to Samuel Gompers, in which Mr. Mitchell declared himself in sympathy and accord with the policy of the American Federation of Labor, was garbled, inasmuch as it left out two important words, these words being "non-partisan political." The text of the telegram as it should have been published was read as follows:

Other Noted Speakers. This city was alive with political activity throughout the day, meetings being in progress long before the Taft special arrived at 4 o'clock. Among the prominent speakers at the several meetings were: Senator Follette, of Wisconsin; Secretary Garfield and Representative Burke, of Pennsylvania.

Believes Everything Congressman Said Concerning His Position on Littlefield Liquor Law. CHICAGO, Nov. 2.—The bishops of the Methodist Episcopal Church are not of one mind respecting the case of Speaker Cannon. A number of them some time ago declared their disapproval of his attitude, during the last Congress on the question of legislation applicable to the liquor question as it touched prohibition states.

Best of It is that they really mean what they say. In every speech he made in New York since during the "know nothing" days, he took occasion to speak in the warmest way of Governor Hughes.

Hughes Knew His Enemies. There is a little bit of hitherto un-written political history. Hughes knew of the enemies he had made. He realized fully that plans had been made to cut him all over the state.

When the body becomes run down, either as a result of overwork, worry or a severe illness, an examination of the blood would show it to be weak and watery. This condition is called anemic, which is the medical term for "bloodless." The common symptoms are paleness of the lips, gums and cheeks, shortness of breath and palpitation of the heart after the slightest exertion, dull eyes and loss of appetite.

PARSONS CERTAIN HE WILL RUN CLOSE TO TAFT IN NEW YORK. NEW YORK, Nov. 2.—"From a Republican standpoint," said Herbert Parsons, chairman of the Republican county committee, "the situation today in this city and county is satisfactory. I make the statement after a study of all the factors in the campaign. It is for the state committee to proclaim the situation in the remainder of the state, but taking their estimate with that we have made in this city, I am fully confident that Taft's plurality in this city will be satisfactory and I believe that Hughes will follow him so closely that the result will be a surprise."
