BRYAN IS CHEERFUL

Victory in Nebraska Affords Consolation.

WILL WORK FOR REFORM

Only Sought Presidency to Accomplish Certain Work—Laughs and Jokes With Visitors After Sound Sleep All Night.

LINCOLN, Neb., Nov. 4.—While not caring to discuss at this time the political effect of the Democratic victory in his home state or analyze the causes, W. J. Bryan in an informal talk this afternoon to a number of friends who called on him, expressed his pleasure at the result in Nebraska and the satisfaction it afforded him to learn of the election of so many of his personal and political friends.

A delegation of nearly 100 from Lincoln visited Mr. Bryan at Fairview, to express to him their confidence and devotion and to assure him that such was the sentiment of a majority of the people of his city and state. Mr. Bryan in responding said:

Nebraska Consoles Him.

I am highly gratified over the results in this state. The National defeat has not been such a disappointment when we have had so many things to console us. I hope I have convinced my friends that running for office has only been an incident to my work. My heart has never been set on holding office, but I wanted to do certain work and it looked as though the Presidency might offer the opportunity to do that work. I am sure that in private life I can have the chance to do some good.

One is not required to hold office in order to do big things; one is simply required to do those things within his reach, and that much is within the reach of each of us.

Personally, I shall find as much joy in being out of office, if the returns show I must, as I would to be in office. I hope still to be of influence to bring about needed reforms. I appreciate very much the confidence and loyalty of the people near us. It has been the greatest comfort that the election has given us. The fact that those among whom we live have shown this confidence we appreciate more than I can tell you. It has been very kind in you to come out here and visit us on this day.

Cheerful and Sleeps Like Babe.

The defeat he suffered yesterday did not weigh heavily upon Mr. Bryan. He was one of the most cheerful of those at home, and laughed and joked good-naturedly with his visitors.

Tonight Mr. Bryan was the guest of honor at the banquet of the State Teachers' Association, where he made a short address. He has no other immediate plans than to rest at home after his canvass.

For some time this morning Mr. Bryan talked the situation over with Father John Nugent, of Des Moines, Ia., one of his staunchest friends, who was a house guest over night. The two men took a brisk walk to the trolley station, where Father Nugent boarded a car to take him down town.

"Father slept like a baby," said Mrs. Leavitt, the Nebraskan's eldest daughter, who was still clinging to the hope that some report would come which would materially change the situation. She was in a cheerful mood, however, as were all the other members of the family. There were no absentees from the Bryan table when the former candidate, with bowed head, offered up his thanks for the blessings which had been bestowed upon him.

SEEKS POLITICAL OFFICE

Portland Colored Preacher Would Go to Hayti.

The first citizen of Oregon who will apply for a foreign mission under the Taft administration is Rev. Baker Butler Brown Johnson, pastor of the Mount Olivet Church (colored) and living at 495½ Flanders street. Mr. Johnson asks to be appointed Resident Minister to Hayti. He has been urged to seek the appointment by a number of people, and will probably file his application at an early date.

Mr. Johnson was born a bound boy at Martinsburg, W. Va., in 1864. In 1878 he entered the Hampton Virginia Institute and later the academy at Harper's Ferry. He entered the ministry and has been preaching since in the United States and Canada. In Canada he built two churches and won 5000 converts.

He was a delegate to Queen Victoria's diamond jubilee and in London he addressed 45,000 people at one time and was presented with a purse of $100 by the Aldermen and Councilmen. In 1897 he was on the reception committee of President McKinley and four years later he served on a similar committee at the inauguration of President Roosevelt. During his ministry he has built six churches, remodeled four and organized nine.

During the past four months, Mr. Johnson has been in communication with Booker Washington and a number of clergymen and seven ex-Governors who, his friends say, will recommend him for the position sought.

WILL AVOID REAL FIGHT

Holland Does Not Wish Clash at Arms With Castro.

WILLEMSTAD, Curacoa, Nov. 4.—The government issued a communication today to the people of Curacoa in which it set forth that the rumors current recently that the government of the Netherlands would take some hostile action against Venezuela on November 1 were without foundation.

This communication is rather mysterious, especially in the method of its appearance, and has created considerable discussion. It also has led to the belief that Holland does not intend to embark on any course of armed hostility against the Republic of Venezuela. This communication appears in an unsigned article in the Dutch language in a daily newspaper of Curacoa published in Spanish.

The article gives assurance that the interests of the colony will not be neglected. The government of the Netherlands it is explained, will put an end to the existing difficulty with Venezuela in a manner entirely satisfactory to itself as well as to the people of Curacoa.

The cruiser Gelderland entered port yesterday afternoon and is still here. The cruiser Friesland will leave port today.

START HOME FROM TOKIO

American Business Men Say Japanese Friendship Sincere.

TOKIO, Nov. 4.—Among the passengers on the steamer Mongolia, which will sail for San Francisco tomorrow, are the members of the United States Commission to the Japanese International Exposition, Francis B. Loomis, Frederick K. Skiff, Francis B. Millet, John C. O'Laughlin and W. A. Newcomb, all of whom were the recipients of much attention while in Japan, each receiving a decoration from the Emperor. Ten of the Pacific Coast business men who have been visiting various Japanese cities will also return home on the Mongolia, the others staying a week longer to pursue further their investigations of Japanese commercial conditions.

F. W. Dohrmann, of San Francisco, said to the Associated Press that the result of their visit would undoubtedly serve to secure an improved understanding and the betterment of trade relations between the two countries. He added that the entire party was thoroughly convinced of the sincerity of the Japanese people in their friendship for the United States.

CHINA AND JAPAN FRIENDS

Celestial Envoy Says They Have Perfect Understanding.

TOKIO, Nov. 4.—Tang Shao Yi, special Chinese envoy to the United States from China, will sail for San Francisco on the steamer Mongolia tomorrow, accompanied by a large suite. During his visit to Japan the envoy has been the recipient of much attention.

In a public speech he said that the world had been mistaken in thinking that China was even slightly unfriendly to Japan. He asserted that a perfect understanding existed between the two countries regarding their policies, especially in Manchuria, and that all questions at issue between the two Nations would be settled amicably.

DUNNE RE-ELECTED

Bay City Gives Judge of Graft Cases Good Vote.

CENTER OF BITTER FIGHT

Taft Receives Plurality in California of 75,000—Republicans Elect Solid Congressional and Legislative Delegation.

VOTE OF CALIFORNIA.

SAN FRANCISCO, Nov. 4.—(Special.)—With between 306 and 400 small outlying precincts missing, California's vote is as follows:

Taft	182,046
Bryan	107,770
Hisgen	4,827
Chafin	6,443
Debs	18,736

Taft's plurality, 74,276.

SAN FRANCISCO, Nov. 4.—(Special.)—California not only gives a plurality for Taft that will reach 75,000, but sends a solid Republican delegation to Congress and elects a Republican State Legislature that will probably return Perkins to the United States Senate. The victory surpassed even the sanguine predictions of the Republican leaders and the vote was so uniform throughout the state that it shows the overwhelming sentiment in favor of Republican policies.

The Democrats counted on carrying San Francisco and on electing Congressmen in the Fourth and Fifth districts, but Julius Kahn, in the Fourth came in on the big Republican vote, and Hayes, in the Fifth, secured a large vote. Former Congressman Maguire, Democrat, polled so large a vote in the Fourth district that Kahn came very near defeat.

Judge Dunne Re-elected.

In the State Legislature the Republicans will have a majority of 46 on a joint ballot and will elect a United States Senator this Winter to succeed Perkins, who, on account of his seniority, is considered to be a valuable man for California to have on Senate committees.

The feature of the San Francisco election was the re-election of Judge Frank H. Dunne, who has presided over the trials of the big grafters, and who sentenced Schmitz to the State Prison. A very bitter fight was made against Dunne by the old political machine, which is still directed by the indicted boss, Ruef, but the decent element in the city rallied to his support. Judge Carroll Cook, who has been 18 years on the bench, but who represents the Ruef machine, was beaten, although the combined saloon and dive element gave him strong support.

Debs Polls Good Vote.

Returns on minor Presidential candidates are still very incomplete, but they show Debs polled the largest vote, next to Bryan. Then comes Chafin, while Hisgen is a bad third, with a trifling vote.

The total vote cast in San Francisco was 61,597 divided on the Presidential election as follows: Taft, 33,119; Bryan, 21,237; Hisgen, 746; Debs, 4513; Chafin, 409. This gives Taft a plurality of 11,882.

For Supreme Judge, Murasky has a plurality over Melvin of 12,214.

The Republicans elect four of the five Superior Court Judges. Judge Dunne, on whom the judgeship fight centered, was elected over Carroll Cook by 1625 votes. The legislative ticket stands 12 Republicans and six Democrats in the Assembly, four Republicans and one Democrat in the Senate.

The capital removal amendment was carried by a majority of 9714.

The direct primary amendment was carried by 30,000.
