Legislature Is Republican.

CINCINNATI, O., Nov. 5.-Ohlo polled a vote in Tuesday's election that surpassed the L000,000 ballots deposited four years ago, making a new high record for Ohio voters. a heavy vote for Taft and that Harmon. Democrat, had won for Governor, but exact figures were slow in coming in. The immense ballot, which had com-pelled the making of special boxes, was in part responsible for this slowness, but the large number of Taft-Harmon votes cast caused much of the difficulty. Taft castred Ohio probably by more than 70,000, while Harmon won by about 20,000 Such figures as have been re-ceived on minor candidates, although meager, indicate the probable victory of all other Republicans on the state ticket. The Republicans are bolisved to have won the Legislature.

Many Questions Are Asked.

The audiences that the demonstrators had today were larger than yes-terday and a feature of today's ses-sions was the more frequent asking of questions, showing the interest of those in attendance.

The milking machine continues to be the star attraction of the train. Yamhili County people are not alto-gether unfamiliar with this appara-tus, for one woman in this county optus, for one woman in this county op-orates a dairy of 20 cows and uses the machine altogether in milking them. Tonight at McMinnville, the Com-mercial Club gave a reception to the railread men and the O. A. C. profes-sors and demonstrators on board the special. Short informal talks were made by officials of the club on the value of the work being done by the train and responses were made by the train and responses were made by the

## Cows Stand Trip Well.

Cows Stand Trip Well. The two cows taken along from the Oregon Agricultural College are stand-the trip in fine shape. Both are model dairy cattle, one being an Ayrashirs and the other a Jersey. They repre-aent what is considered the most de-sirable types of cattle for farmers to use in building up dairy herds. Their good and bad points are carefully ex-plained to the farmers at each stop by Harry Asbahr, herdsman from the college, who is in charge of them and who is referred to as the "cowboy" of the expedition.

the big excursion from Portland, a large number of business and profes-stonal men from Eugene, Corvallis and other Valley citles will be present. The Apple Fair and the dedication of the new union depot will furnish the chief attractions of the day. The fair will begin on November 10, which is Portland Day, and a big display of splendid apples is assured. Several Valley counties will compete for prizes. Owing to the fact that the Elks' build-ing will not be completed in time the fair will be held in the Armory. The formal dedication of the new depot will occur at that structure and the ceremonies will be short but inter-esting. Besides these two attractions there will be a big foothall game in the afternoon between Willamette Uni-versity and Albany. College. These two teams played a 6 to 5 game in Salem recently and hence are evenly matched. As the championship of the non-con-terence colleges is involved in this game, the battle will be a good one. Porthaid Day will conclude with a banquet for the visitors in the new symnasium annex to the Alco Club.
