TILLAMOOK HIT BY $15,000 FIRE

Blaze in Olson Building Threatens for Time Destruction of City.

SPARKS CARRIED TO ROOFS

Fire Department's Efficient Work Saves Hotel and Other Business Houses—O. E. Wilson, of Portland, Among Losers.

TILLAMOOK, Or., Nov. 15.—(Special.)—An early morning fire in this city today did $15,000 damage and threatened for a while destruction of the entire business portion of the city.

The fire broke out at 5:30 o'clock in what is known as the Olson building, on Main street. The blaze originated at the back of Verrick's bakery, and when discovered had taken a firm hold at the rear of the building. The fire shot through to the front of the building and in a short time the entire building was burning fiercely, sending sparks in every direction. Reese & Valle's restaurant on the east and a residence on the north took fire but the fire department saved these, and the other buildings on the block.

Fire fell so thickly about the city that it caught the roof of the Tillamook Hotel, Brown's shoe store, the Sturgeon, Edmonds' grocery store, Case's machine shop and the Opera-House and Wolf barn, and at this time the situation looked alarming, but the fire department managed to keep the fire under control.

The Tillamook Hotel and Clough's drugstore, immediately opposite the burning building, were saved by keeping a constant stream of water playing on them. Every window in the hotel and the plate-glass windows in the drugstore were destroyed and the buildings are badly scorched. Everything in the Olson building was destroyed, which was occupied by F. L. Sapington's grocery, whose loss amounts to $500 with insurance of $200. Other losses are: Verrick's bakery $1000; Talmate & Johnson, attorneys, $200; Dr. R. T. Boals, who had just installed an X-Ray machine, $1200. The Masonic Lodge and Eastern Star had their lodgerooms in the building and lost everything. The building was worth $4000 and belonged to O. E. Wilson, of Portland. In all the loss will amount to over $15,000.

There is a strong impression that the fire was started by some drunken men who were loafing in a shed at the rear of the building.

DEPOT NEARS COMPLETION

North Bank Structure at Vancouver Is Splendid Building.

VANCOUVER, Wash., Nov. 15.—(Special.)—The new railway station of the Spokane, Portland & Seattle Railway at Vancouver is a 30x115-foot structure, two stories high. The lower part is of brick and the upper part of stuccowork. The ticket and express offices occupy the center of the building, the waiting-rooms are on the southern side facing the railway bridge over the Columbia, and the baggage-room is at the north end. There are cement walks on all sides of the station, and over these walks are wide porch roofs. The station is located in a "Y," in a block bounded by Tenth, Eleventh, Lincoln and Moore streets.

The North Bank Road trains will come in on one side of the station and the Northern Pacific trains from Puget Sound on the other side. The building is nearing completion, the painters beginning their work yesterday. The cost of the station is $13,000.

A NEW DEPARTURE.

The cost of interments has been greatly reduced by the Holman Undertaking Company.

Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking Company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embalming, hearse to cemetery, outside box or any services that may be required of us, except clothing, cemetery and carriages, thus effecting a saving of $25 to $75 on each funeral. PRAISE FOR OREGON

Seattle Men Find Eugene Team Game Loser.

HOPE TO BEAT CORVALLIS

Game With O. A. C. on Washington Campus Thanksgiving Day Will Decide Conference Championship of Pacific Northwest.

Highly elated on account of their victory over the University of Oregon Saturday, Coach Dobie, Manager Rasmusen and the University of Washington football squad passed through Portland yesterday afternoon en route to Seattle. The Washington players succeeded in getting through the hard game without the slightest injury, aside from a few bruises, and while delighted at scoring a victory, the entire team as well as the rooters, have all sorts of nice things to say about their treatment at Eugene.

"The Oregon bunch is the gamest losing team I have ever seen," is the way one Seattleite expressed himself and from Manager Rasmusen, Coach Dobie and Captain Tegtmeier down to the last member of the rooters' brigade the same sentiment was echoed.

"We could not have been treated better, had we been at home," said Manager Rasmusen. "The Eugene men are true sportsmen, and when the game was over Saturday, the spectators carried the players of both teams off the field on their shoulders. Why, it really seemed as though it were a victory for the home team instead of a crushing defeat, and I was somewhat surprised at the demonstration.

"Washington proved to be much the stronger team and the result of the game represents the relative merits of the two elevens. Dudley Clark was responsible for Oregon's ability to keep the score down to the final result, and it was his work in the first half that prevented a score. It was a great game and we are satisfied that Oregon realizes that the best team won. However, Coach Forbes has a team of practically all new players, and while they are weak this year, they will prove a formidable machine next year."

The Washington team is returning home with one idea in view, and that is to defeat the Oregon Agricultural College team at Seattle on Thanksgiving day. This game will undoubtedly settle the Northwest championship, for the Oregon "Aggies," by their defeat of Whitman, have placed themselves in line to compete for the conference college championship this season. Next Saturday the "Aggies" come to Portland for their annual game with the University of Oregon, and a fast exhibition can be expected on Multnomah field next Saturday.

ALBANY SEEKS ANOTHER GAME

Champions Anxious to Play Winners in Interscholastic League.

ALBANY, Or., Nov. 15.—(Special.)—A football game will probably be arranged between Albany College, champion of the non-conference colleges of Oregon, and the winner of the championship of the Interscholastic League of Portland. Manager Gibbons, of the Albany College team, will endeavor to schedule such a contest.

To remove any question of Albany's claim to the non-conference championship, Manager Gibbons has arranged the following record of games: Albany defeated Pacific University 5 to 0. Albany then lost to Willamette University 5 to 6, and after Pacific had defeated Willamette 4 to 0, Albany defeated Willamette in a return game 11 to 4. Albany defeated the Chemawa Indians 7 to 0 and the Indians then defeated Pacific University 20 to 4. Pacific, Willamette, Albany and Chemawa were the only non-conference teams that figured at all, and Albany defeated all and also has the best record on comparative scores.

Astoria 6; Fort Stevens 0.

ASTORIA, Or., Nov. 15.—(Special.)—The game of football played on the local grounds this afternoon between the Astoria and Fort Stevens teams was won by the home eleven with a score of 6 to 0.

QUARTET OF OREGON FOOTBALL VETERANS WHO WILL FACE O. A. C. NEXT SATURDAY

Moulien, Captain and Right Tackle. Pinkham, Left Tackle. Clark, Fullback. McIntyre, Right Guard.

UNIVERSITY OF OREGON, Eugene, Or., Nov. 14.—(Special.)—Only four of last season's football men will be in the line-up against O. A. C. at Portland next Saturday. They are Fred C. Moulien, '09, captain and right tackle; Louis H. Pinkham, '10, left tackle; Dudley R. Clark, '10, fullback, and Walter McIntyre, '09, right guard. These old players are the mainstays of the team, and Oregon is counting upon them for effective work. Next Saturday's game will close the college football careers of Moulien and McIntyre, who are just finishing their fourth year on the team.

DOCKET HOLDS 71 CASES

BUSY SESSION AHEAD FOR JUDGE GALLOWAY AT ALBANY.

Twenty Divorce Suits Pending. Right to Assess Wells-Fargo Company to Be Determined.

ALBANY, Or., Nov. 15.—(Special.)—With a docket of 71 cases, Judge William Galloway will convene Department No. 2, State Circuit Court for Linn County, for the Fall term in this city tomorrow. Twenty of the 71 cases are suits for divorce.

The question of whether an Oregon county can assess the right of a corporation to do business in its boundaries when no specific franchise has been given will be determined in the case of Wells-Fargo Company vs. Linn County. Linn County assessed the right of the express company to do business in this county at $25,000 and levied a tax thereon and the company has brought suit to secure a permanent injunction against such an assessment. The decision in this matter will be of widespread effect and it may be rendered this term.

A number of Linn County's leading corporations are involved in litigation to come up at this term. The Lebanon Paper Company, which owns the big paper mills at Lebanon, is suing the Lebanon Lumber Company over rights incident to the use of water from the South Santiam River at Lebanon. The Calapooia Lumber Company, which operates a sawmill at Crawfordsville, is involved in two suits, one it brought against James N. Rice et al. to set aside an award of damages and another brought against the company by Linn County to enjoin it from operating a dam in the Calapooia River, which overflows and damages a county road. The City of Brownsville is defendant in an injunction suit brought by Elva M. Martin to prevent the opening of certain streets.

The case of the president and trustees of Tualatin Academy and Pacific University vs. Emma A. Keene et al., which involves an old bequest to the Forest Grove school, and which has been on the docket a long time, will likely be concluded this week.

The growing popularity of the Torrens system of registration of titles is shown by the fact that there are ten applications under its provisions on the present docket. There have been 46 applications in Linn County since the law went into effect. There is added local interest in this law because of the fact that it was introduced in this state by Attorney Percy R. Kelly, of this city, who secured its adoption by the Oregon Legislature when a member of the State Senate from Linn County.

Rush Work on Trolley System.

ALBANY, Or., Nov. 15.—(Special.)—The track for the electric street railway is now laid for almost two blocks, being complete on First street from Washington almost to Broadalbin street. A big force of men is rushing the work and every day the course of the old horse-car is growing shorter. It is now able to travel only as far as Broadalbin street on its way from the Southern Pacific depot. Electric cars will be running here before the first of the new year.

Nevada Election Returns.

RENO, Nev., Nov. 15.—Complete returns from all but five precincts in Nevada give Bryan a majority of 530, United States Senator Newlands 4053, Congressman Bartlett 3681. But one Republican, a university regent, was elected. The Legislature on joint ballot is: House 35 to 13, Senate 12 to 7 Democratic.
