"Mr. Ford, so far as I know, has not

been convicted of any criminal offense in this country; as regards Mr. Condon, a royal pardon under the great seal was given him."

Mr. Craig asked also whether their licenses permitted them to do so and if not, what action the executive proposed to keep out of the Senatorial fight in Oregon," said Governor Chamberlain today when inquiry was made as to the truth of the report that he had such a mission in view. The report had gained Earl Wynterton, Conservative, Iol-lowed this up with a reference to the finding of the Parrell commission by asking whether "any steps had been taken to prevent these well-known agi-tators from coming to this country." Home Secretary Gladstone answered Mr. Wynterton in these words: "I am not aware of the intentions of these percents. Neither of them is the

for Rheumatism Are Experimental It is unnecessary to tell the sufferer from inflammatory rheumatism that the ordinary treatments for this disease are unsatisfactory.

id it is safe to predict that each year ill record an ever-increasing number.

Most Treatments

Physicians are not of one mind on the subject but the highest authorities hold that rheumatism is a disease of the blood. All admit that in attacks of rheumatism there is a marked and rapid thinning of the blood. This is a condition that a treatment with Dr. Williams' Pink Pills at once. arrests and corrects. The thin blood is enriched, the strengthened organs of the body throw off the poisonous impurities and the patient gets well.

With the fact in mind that the rheumatism is in the blood, it will readily be seen how useless it is to try to cure it by rubbing liniments on the skin. Externa applications may give temporary relief from pain but to cure rhoumatism you must treat it through the blood. Dr. Williams' Pink Pills have cured hundreds of cases of rheumatism and no sufferer should allow any prejudice to stand in the way of giving these pills a thorough trial.

Dr. Williams' Pink Pills are sold by all druggists, or will be mailed, post-paid, on receipt of price, 5oc. per box; six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
