No increase in salaries
President Makes Request of Members of His Cabinet.

WASHINGTON, D.C.—Salary rates of the cabinet were raised yesterday. President Roosevelt asked for increases, saying that cabinet officers have been more efficient than ever and that the public has been benefited. The rates were raised by the request of the President. Roosevelt also stated that he would like to see the cabinet officers given more recognition and compensation.

NO INCREASE IN SALARIES
President Makes Request of Members of His Cabinet.

WASHINGTON, D.C.—Yesterday President Roosevelt asked for the salary rates of the cabinet to be raised. The President said that the cabinet officers have done a splendid job and that the public has benefited from their efforts. The rates were raised by the President's request. Roosevelt also stated that he would like to see the cabinet officers given more recognition and compensation.
