

WILL BE BIG GAME

Oregon to Make Hardest Fight Against O. A. C.

OLD PLAYERS TO HELP

Former O. A. C. Stars Give Services to Help Train Contestants—If Corvallis Wins Will Be in Position for Championship.

BY W. J. PETRAIN. The coming varsity football game to be played on Multnomah field next Saturday afternoon will undoubtedly be one of the best gridiron struggles ever witnessed in Portland.

At Corvallis every effort is being made to perfect the Oregon Agricultural College eleven in all the new and intricate plays known to latter-day football.

In order that nothing shall be overlooked for perfecting the team's play, Dr. A. C. Stocke, a former coach, has come forward with a voluntary offer to assist Coach Norcross in any way he can.

The Corvallis bunch does not anticipate an easy game. Far from it, for the old-time spirit of Oregon prevails to such an extent at Eugene that the most sanguine hopes of the "Aggies" have been blasted before through overconfidence.

Therefore the "Aggies" are working hard and faithfully to be in the finest possible shape for this great game.

On the other hand the University of Oregon team will make its battle in the old undying spirit of superiority prevalent at Eugene.

WILL PLAY HERE SATURDAY

ber of annual meetings with the Oregon Agricultural College, and last year's defeat by the narrow margin of 4 to 0, made possible by a place kick by Wolf, still rankles in the hearts of the varsity, and it is their intention, if their hardest efforts are successful, to wipe out this sting, and bring another annual victory to Oregon.

For the benefit of the general public it is again announced that the game Saturday will be started at 2:30 o'clock instead of 3 o'clock as originally published.

Indications are that 2000 supporters will follow the team to Portland on the day of the game. Forty coaches have been

provided by the railroad company and are being decorated with bunting and pennants. Plans for a big parade from the train to the athletic field are being promulgated.

EUGENE, Or., Nov. 17.—(Special.)—The people of Eugene will back the University of Oregon football team in the game with O. A. C. at Portland Saturday as they have never backed a team before.

Eugene people have great faith in the Oregon team in the coming contest. The fact that the University of Washington eleven won a clean victory in the local field here Saturday is not enough to daunt the spirit of enthusiasm which the people of the city on every hand have for the University eleven.

BUTLER STILL OPPOSES GAME

Columbia's President Has Not Changed Mind on Football.

NEW YORK, Nov. 17.—President Nicholas Butler, of Columbia, has not changed his mind on the football situation, judging from a letter which he has sent to a student committee which petitioned that just one intercollegiate game be permitted this year.

In his letter, President Butler said: "In order that the petition may be granted, concurrent action by the university committee on student organizations and by the university council will be necessary.
