The Multnomah team has lost four of its best members, which will require the services of Frank J. Lonergan, George McMillan and Martin Pratt. The first named has been practicing law at Oregon City and has been unable Oregon City and has been to devote any time to football. However, Manager Pratt has requested him to den a suit and join the squad in practice, and the famous Notre Dame player has consented to help the club to the best of his ability.

The effort of the physicians to have the indictment declared invalid on the ground that more than one crime is charged, falled yesterday morning, when Judge Gantenbein overruled the demurrer. In doing so, the court referred to his ruling in the famous Waymire-Lane case, wherein it was asserted in the demurrer that not only did the information charge that an act had been committed which outraged public decency, in attempting to blacken the reputation of-Mayor Lane, but charged Mrs. Belle Waymire and E. E. hadding with the breaking of a door. The Supreme Court upheld Judge Gantenbein's decision, that the breaking of the door was only incidental to the commission of the crime charged. In the Atwood case the court held yesterday that the fitting up and maintaining of the hospital at Tremont was only incidental to the performing of a criminal operation, with which the physicians are charged.

According to Johannes, he advanced Florence Evans \$500 in August and September, 1907, with the understanding that she was to put up \$500, invest the money in a stock of merry widow bats, and sell them in Scattle, Taccuma and Spokane. The profits were to be divided.

The milliner said in defense that Johannes was to put up \$1000, but only invested half that sum and that the financial panic of last Pall caused many of her wealthy patrons to tighten their purse strings. Only a portion of the bats were sold she said. Johannes had received \$347.75 from the milliner before the suit was brought.

TEACHERS LISTEN TO PRO-GRAMME OF ADDRESSES.

Sessions Held in West Side High School and Speakers Come From Out of Town.

Nearly 800 teachers assembled yester day morning in the large hall of the West Side High School for the opening stitute. Superintendent R. F. Superintendent A. H. Yoder, of Tacoma, gave an interesting "Reply to Some Current Criticisms of Public School Education," showing reasons for the belief that the teaching and teachers of today are stronger than those of the past, and giving brighter hopes for the future.

State Superintendent J. H. Ackerman spoke on "Some Non-Functions of the Public School," showing that the school should not take the place of the home, seciety or the church, but that all should work together.

Department work occupied the first part of the afterneon session, many excellent papers being given. Of particular interest was that of H. H. Herdman, entitled "Shakespeare Truer Than Truth"; the discussion of "Difficulties in Efficience Reading," by Miss Josephine Lytte, and the talk on "Industrial Education," by Richard G. Boone, in the final assembly Miss Marry Mackensie Caloil gave great pleasure by her violin solos, her first selection being Von Goens, "Schorzo," with "The Swan" (Saint Saens) as an encore. She was admirably accompanied by Miss Margaret Smith.

The concluding address was by Superintendent A. H. Yoder, on "Moral Education," Comparing methods for the prevention of both moral and physical disease, the speaker showed that the function of

CHILD DIES FROM BURNS

Hot Coffee Spilled Over Two-Year-Old Results in Death

Shock from spilling hot coffee on her little arms caused the death of Baby Edith Moore, the twa-year-old daughter of Mr. and Mrs. Albert Moore, 465 Davis street. The child died on Saturday and the death certificate presented at the City Health office yeasterday by Dr. Amella Ziogier revealed the unusual cause of the baby's death. The baby was at dinner last Thursday when hot coffee was spilled on her arms, burning them fearfully. She fell to the floor and writhed in agony. The following day the child seemed very ill but her condition was not regarded as serious until convulsions set in that night. Saturday afternoon her death occurred. As the baby was of very highly organized nervens system death was attributed to the shock of the burns.

Prevalency of Kidney Disease.

The game which Irvington has protested is one, played between Irvington and Stephens in the early part of the season, in which Stephens won by a close score after a faulty decision by the referee. The play in dispute was a kick which was recovered by an Irvington player after it had touched the ground. Referee Harrigan gave the ball to Stephens, which was an error in ruling, as it properly belonged to the Irvington player who had fallen on it. It has been agreed to play the game over, as the two feams are bidders for the champonship of their division and the result of the game between them will decide who is to meet Shakuck, the leader in the other division. Testerday's game was a repetition, in a way, of all the games Brooklyn has participated in this year.
