#### AGREE TO FIRST READING Redmond Bill. However, Will Re-

ceive No Further Consideration.

LONDON, Nov. 2t. The House of Com-mons this afternoon, by a vote of 23 to is agreed to the first reading of the bill introduced by William Reduced to re-move the existing Catholic disabilities in-

cluding the prohibition of street processions and to abolish the anti-Catholic clause in the oath taken by the Sovereign on his accession to the throne. As this bill has practically no chance of further consideration during the present session, the figures given above can hardly be re-garded as a real indication of the feeling of the House.

GASBAG BLOWN 250 MILES

| Indeed at Ehrensburg, Aria. on the Colorado River, nearly 250 miles from Los Angeles. This advice was received by telegraph this afternoon. The balloon landed yesterday, afternoon about 4:30. Captain Mueller, the pilot, and a newspaper man named Hutchinson, who were in the basket, landed safely. Captain Mueller had no intention of making a lengthy flight on his present in this city at 16 o'clock yesterday, for a test of the Coast air currents, wheller and the reporter, H. G. Hutch-line on the coast air currents.

| Inson, intended to reach, an allitude of 20,009 feet, if possible. The bag was filled with illuminating gas, which it was estimated would hold up the basket for at least 12 hours.
