SAMPSON'S WIDOW HELD

WOMAN CHARGED WITH MURDER OF ADMIRAL'S NEPHEW.

Evidence Produced at Inquest Leads to Arrest on Belief Man Was Shot by Wife.

ROCHESTER, N. Y., Nov. 24.—Mrs. Georgiana Sampson, of Palmyra, widow of Harry Sampson, nephew of the late Admiral Sampson, was arrested today, charged with the murder of her husband, whose death was at first said to be suicide.

Harry Sampson died on the Allyn farm, between Palmyra and Macedonia. It was at first believed that Sampson took his own life, but following his death stories were circulated which discredited that theory. Finally the coroner decided upon a rigid investigation. Dr. Albert Hamilton, a gunshot expert, testified that the dead man could not have fired the shot which killed him.

It came out at the inquest that Sampson had discovered a letter written to his wife by a man outside of the family which had been the cause of a bitter quarrel. It was also testified at the inquest that Sampson had a package of cheese in his hand when he fell dead in the farmhouse, which was held to precede the idea that he could have fired the shot.

At the resumption of the inquest at Macedonia today, District Attorney Gilbert told Mrs. Sampson that she might make a statement if she so desired, but that anything she said might be used against her.

Mrs. Sampson replied that on advice of counsel she would not make a statement.

SHAH SUDDENLY REPENTS

SCARED BY POWERS INTO WITHDRAWING DEFIANCE.

Britain and Russia Hold Him Responsible if Refusal of Constitution Causes Anarchy.

TEHERAN, Nov. 24.—The Shah already has repented of his proclamation, posted in the mosque yesterday, in which it was set forth that the people, in spite of his promises, shall not have a constitution, and during the night he sent out urgent orders to withdraw this proclamation from circulation and to destroy all copies of it.

This sudden change of front on the part of the Shah is attributed here to the vigorous representations that undoubtedly have been made by the British and Russian legations. These powers, it is said, have notified the Shah that he will be held personally responsible if his refusal to give his people a constitution results in anarchy. The population generally has been indifferent.

From Port Townsend—Miss L. K. Eisenbush, at the Wellington.

From Tacoma—B. H. Kroetz, at the Continental.

GUMMINS MADE SENATOR

IOWA'S GOVERNOR WILL FILL ALLISON'S SEAT.

Pandemonium Breaks Loose When Senator-Elect Makes Brief Speech in House.

DES MOINES, Ia., Nov. 24.—Governor A. B. Cummins at noon today was elected by the Iowa Legislature United States Senator to succeed the late William E. Allison. The vote stood: Cummins 108, Porter (Dem.) 33. Three Republicans did not vote.

Cummins' re-election to the six-year term next January is unquestioned.

At the close of the joint session, Governor Cummins resigned as Chief Executive of the state and the oath of that office administered to Lieutenant-Governor Garst.

Honey Has Slight Setback.

SAN FRANCISCO, Nov. 24.—It is reported from the Lane Hospital that Francis J. Honey is not quite so well today, owing to the effect on his kidneys of anesthetic used when the bullet fired by Morris Haas was extracted from his jaw. His temperature is slightly above normal, but no alarm is felt, and his speedy improvement is expected.

An early rumor from Lane Hospital said Mr. Honey was very low, following an operation on the kidneys. This was later denied.
