While the score may be too large to indicate accurately the comparative strength of the two teams. Washington was clearly entitled to every point she made, and, as a matter of fact, came within a hair of scoring two more touchdowns, Oregon holding on

her one-yard line.

The day and field were ideal. The grandstand and bleachers were filled half an hour before the kick-off and something like 100 automobiles were standing at either end of the field. Denny Field, on which the game was played, is always dry, and the ground was lightning fast, emirently suited for one play. As a consequence, long her one-yard line for open play. As a consequence, long runs were much in evidence.

Washington Shows Better.

Washington showed superiority at all stages of the game. Eakins had the advantage over Wolff in punting, by a few yards on each kiek. In addition, Eakins got his kicks higher, giving his ends plenty of time to get down. The Washington ends nailed the recipient of a punt in his tracks time after time, while Oregon's punts were always returned from 5 to 15 yards. Washington was stronger, both on offense and detense, than the visitors. There was a finish to her open plays that did not show with the Oregonians. Washington handled the forward pass beautifully, although she did not use it a great deal. For 20 minutes in the first half Oregon was unable to do anything at all at carrying the bail.

Later, however, the visitors made better headway against the Washington defense and at the close of the half had carried the ball about 100 yards to Washington's 325.

#### WHITMAN BEATEN AT PULLMAN

#### On Muddy Field Go Down to Defeat by Score of 4 to 0.

PULLMAN, Wash. Nov. 28.—(Special.)—Washington State College defeated Whitman 4 to 0 in one of the fiercest-fought football games ever played here. The "farmers" close the season without a game lost. The field was so wet and muddy that the players were almost mired, and time had to be called frequently to wash mud from their faces and eyes.

Halm, of Wallington State College, who made some wonderful punts, kicked almost twice as many yards as Bassett, of Whitman, but Whitman made greater yardage in end runs than Washington State College, On line-bucks the teams were fairly well matched. Washington State College got much the worst of it in penalties, losing 125 yards to 65 for Whitman. This resulted in bitter words between some of the players, and Johnny Bender, the excessel, who acted as referee, was accused by several members of the team with "giving Washington State College the worst of it." It required efforts on the part of several peacemakers to prevent a mix-up after the game.

—The total loss of a gold dredge, which
has been operating for some months on
the Fraser bars, about half a mile behas been operating for some months on the Fraser bars, about haif a mile below Yale, occurred last night, when the big barge broke away from its moorings, and tore down stream till she turned turtie. She is now lying bottom up, about five miles below Yale, and is reported to be so stranded on a sand bar that it may be found impossible to salve her.

The cause of the breaking away of the dredge was the snapping of the inch and a haif steel mooring cable, which was stretched from bank to bank of the stream, and to which the dredge was attached by a movable cable. Under the tremendous strain of a sudden rise in the river, the cable gave way and the dredge was not long in gathering momentum that took her down stream like a streak until she collided with a snag, and careened till she went over. The bucket ladder caught in a sand bar shortly after the turn over and prevented the wreck from drifting down stream. The dredge was valued at \$50,000.

TACOMA. Wash., Nov. 28.—(Special.)—
By a splendld and decisive victory over
the Portland West Side High School eleven the Tacoma High School closed its

LINCOLN HIGH BEATS SALEM

Visitors Have Heavier Team and Win by Score of 23 to 14.

Win by Score of 23 to 14.

SALEM, Or., Nov. 26.—(Special.)—Salem High School football team was defeated but not disappointed in the game with Lincoln High School, of Seattle, today. The score of 14 to 23 was not what the local team hoped for, but was feally expected in view of the superior weight of the visitors, who averaged about 13 paunds to the man heavier. Salem is the second High School team that has scored against Lincoln this year, the other being Spokane. At the end of the first half the score was 10 to 6 in favor of Salem, but the 30-minute halves were too long for the lighter men, and they gave out under the plunges of the husky players from the Sound.

gave out under the plunges of the husky players from the Sound.

Lincoln High did some classy playing and made this the best game in Salem this year. R. Pike, halfback, executed the delayed forward pass to perfection, and Fullhack Sparger made good in the split buck. Seattle was highly successful with the forward pass, which was followed up three or four times by 15 to 46-yard runs by Right End Ben Ohnick, the Jap who has been accorded a piace on the all-Star Northwest High School team.

on the all-star Northwest Fight School team.

Salem fell down on the forward pass, but did some spiendid work at short end runs. Hight Haif Parsons, who was the best ground-gainer, broke through Scattle's line for a 25-yard run amid the shouts of the crowd of spectators. Two successful place kicks by Richardson, from the 25 and 30-yard lines, and spiendid defensive work by Krebs, as well as good head work by Quarterback Farmer, were features of the game. Salem's defensive work was remarkable, and even with superior weight the game could not have been won by Lincoln but for its success with the forward pass. Seattle made four touchdowns and missed goal once.

Kirby, of Willamette, acted as referee, and Fowler, of Seattle, as umpire.
