CLUB HOPES TO REGAIN LAURELS

Multnomah Team Resumes Practice for Hard Game With Corvallis Team.

ELEVENS ARE OLD RIVALS

Dow Walker and Bert Pilkington Consent to Support Winged "M" Against Their Former College Associates.

BY W. J. PETRAIN.

Undismayed by their defeat at the hands of the University of Oregon, Captain Flowden Stott and the Multnomah Amateur Athletic Club eleven have commenced active training for the hard game against the Oregon Agricultural College eleven, scheduled to take place on Multnomah Field next Saturday afternoon. The clubmen are exceedingly anxious to defeat the "Aggies," and thereby redeem themselves for the laurels they lost to the University of Oregon. The "Aggies" were simply outclassed at Seattle on the same day Multnomah succumbed to Oregon, and have returned to Corvallis to rest up and train for the game with the clubmen, and when they return to Portland next Saturday will be in a fit condition to give the clubmen a hard battle.

The Multnomah players were greatly disappointed at the outcome of the Oregon game, for Captain Stott and Manager Pratt confidently expected to win. In view of the reversal, they have simply no excuses to offer, for the clubmen tried their best. Oregon simply outplayed them, but they hope to redeem themselves at the expense of O. A. C. Despite the confidence displayed by the Multnomah team, the Oregon "Farmers" are likely to spring a surprise on them, for the Corvallis team always puts up a better game against Multnomah than against any other team. This is due principally to the intense rivalry between the two organizations, and as this will be the first meeting between the teams for three years, there is bound to be something doing when they do get together.

Dow Walker, formerly one of the greatest players at the Oregon Agricultural College, has finally consented to play with Multnomah against his alma mater, and so has Bert Pilkington. The latter is the clever Multnomah player who was ruled out of the Thanksgiving Day game. Pilkington is one of the most conscientious players in the Northwest. He had been played as a lineman by the club eleven, but proved a more valuable player as a backfield man.

Like Multnomah, the O. A. C. players have no excuses to offer for their Thanksgiving Day defeat. However, the University of Washington cannot gainsay the charge that Mucklestone and Eakens are ringers pure and simple and should not have been allowed to play from the start of the season. The playing of those men cannot be justified at any stage of the game, and Washington's annexation of the championship is but a barren victory at best. Coach Dobie is being lauded to the skies by the Seattle press, but any other coach in the Northwest might have been able to boast of a championship team had he used the same tactics.

BASKETBALL SEASON IS ON

Vancouver Girls Organize—High School Arranges Schedule.

VANCOUVER, Wash., Nov. 27.—(Special.)—The girls of the Vancouver High School, not to be outdone by the boys, have organized a basketball team and are arranging for a series of games with similar teams in all the neighboring towns. Miss Theresa Hilstrom, a senior, was the prime mover in the formation of the new organization, and she has been elected as manager of the club. Miss Hilstrom will also play, and the other members of the team are Misses Grace Pompe, captain, Zillah Crawford, Laura Kennett, Pearl Pompe, Bertha Neill, Lillian Augg and Inez Minkler.

The Vancouver Athletic Club has also organized a first and second basketball team, and these are practicing regularly in the Armory Hall. Andy Munser, who has played with the Athletic Club for five years, has been elected captain, and William Winters manager of the second team.

Vancouver has a high school boys' basketball team composed of Bishop, captain and center; Wood and Eberle, guards; Ferrell and Winters, forwards; Bouton, Miller and Morse, substitutes.

The following schedule of games has been arranged by the high school boys:

January 15—With Pacific University, at Vancouver.
January 29—With Centralia High School, at Vancouver.

PRESIDENT PRAISES TEAM

Verweih's Great Work Comes in for Words of Commendation.

CAMBRIDGE, Mass., Nov. 27.—Ernest Verweih's wonderful work as fullback on Harvard's football eleven, which defeated Yale last Saturday, has been recognized by President Roosevelt, who has written a letter to Verweih congratulating him. The letter follows:

"Like every other good Harvard man, I have the heartiest feeling of gratitude to the entire team who won the great victory on Saturday last. But I feel an especial sense of gratitude toward you. It was through you more than anyone else that the ball was put in a position to enable Kennard to do the work which he did so admirably and to kick the goal from the field.

"For the good of the team your individual good was sacrificed and through this sacrifice and through the admirable work you had already done and through Kennard's fine kick, a victory was won. However, it was a first-rate example of the interest of an individual being subordinated to the good of the team—there cannot be any better lesson for our national life than to teach that the good of the individual must be subordinated for the good of the people.

"Now I have the heartiest admiration for Kennard's feat. He kicked the goal and he did a service that no one else could have done and too much praise cannot be given him; but you are entitled to every whit as much and every man I have met here feels just the way I do. With best good wishes and congratulations believe me, sincerely yours,

"THEODORE ROOSEVELT."

"P. S.—I wish I could thank personally every man on the eleven from Burr down, and Houghton and Graves and everybody who has done anything for the eleven—including substitutes and the second eleven."

EASY RACE FOR RUBIA GRANDA

Third Choice Wins Douglas Handicap at Oakland.

OAKLAND, Cal., Nov. 27.—The Douglas handicap, feature of the card at Oakland today, resulted in an easy victory for Rubia Granda, from the stable of Thomas B. Williams. Schleswig ruled favorite with Sempronium next in demand. Rubia Granda came in for strong support. Madman led until in the final furlong he tired, and Rubia Granda passed him without trouble. Schleswig was third. The heavy going anchored Sempronium.

Well played horses were successful in the other races. Priceless Jewel led all the way in the third and won from Forerunner, the favorite. Sempronium proved an easy winner of the fifth over Heroditus, a 50-to-1 shot. Results:

Futurity course, selling—Dovalta won, Yellowstone second, Cheers third; time, 1:13.

McCoy is a sophomore and a prominent athlete of the university. He played center on the varsity football team last year, but was kept out of the game this season on account of an injury received last Spring on the track. McCoy is also president of the Gamma Sigma Literary Society, and a member of the staff of editors of the college publication, the Weekly Index.

ONLY TWO FAVORITES WIN

Good Racing at Los Angeles. Aubuchon Ruled Off.

LOS ANGELES, Nov. 27.—Friend Harry, at 1 to 2, and Knight of Ivanhoe, at 5 to 2, were the only winning favorites at Santa Anita Park today. An ordinary card was offered, but good racing resulted. Jockey Aubuchon had to cancel all of his mounts, as word was received from San Francisco today to the effect that the boy was not in good standing. Results:

DISPUTE CHAMPION TITLE

PULLMAN PLAYERS CLAIM RANK WITH WASHINGTON.

Offer to Play Post-Season Game in Spokane to Decide Championship Honors.

SPOKANE, Wash., Nov. 27.—(Special.)—Coach Walter Rheinschild, of the Washington State College football team, takes issue with the claim of the University of Washington to the undisputed championship of the Northwest.

"Can Washington lay claim to the championship over W. S. C. when we played them to a standstill on their own grounds, held them to a 6 to 6 score and were outplaying them in the last 10 minutes of the game, so that nothing but the expiration of time prevented us from scoring a touchdown?" asks Mr. Rheinschild.

"Washington beat Whitman, 6 to 0, scoring in the last minute of play. We beat Whitman 4 to 0. Washington scorns our claim to equal distinction with them because we only tied Idaho."

Coach Rheinschild says that if Washington is anxious to lay claim to the championship, W. S. C. stands ready to play them in Spokane on a post-season date, providing Washington can come not later than December 5. In the absence of the game, Coach Rheinschild says W. S. C. claims equal ranking with the University of Washington for the championship.

Irvington and Stephens Play Third Scoreless Game.

LEAGUE STANDING SAME

Lighter Irvington Lads Show More Skill, but Heavy Stephens Players Keep Them From Scoring. Story of Game.

For the third time this season Irvington and Stephens Schools failed to decide which is the better team, the game yesterday on Multnomah field being another scoreless battle, and the standing in the Grammar School League remaining the same.

As in the other two games which Irvington and Stephens Schools failed to decide against each other, it was a case yesterday of a light but speedy eleven holding down a heavier team. Although the Stephens boys are considerably heavier than the Irvington players and have an advantage in that respect, they are completely outclassed by their lighter opponents in team play and quickness in charging.

Irvington has one of the fastest teams in the Grammar School League and deserves great credit for the excellent showing it has made against the bigger boys. Maglus and Kirkland are undoubtedly the fastest and hardest-working pair of half-backs on any of the teams in the league. It has been due more than anything else to the speed and excellence of their playing that Irvington has made the showing that it has. Weaver, at right tackle, has also been a valuable man on the team, his defensive work being especially noteworthy. He has done most of the punting for his team and has no superior in that respect in the league. McClurg, at left end, is another star performer on the Irvington team.

Most of the Stephens boys are good-sized lads, but slow as a rule in getting started. Were it not for the ground-gaining abilities of Elliott, and the generalship of Morrow at quarter, the team would be distinctly second class.

Yesterday's contest was evenly played throughout, with neither team able to advance the ball with any regularity and neither goal being in danger at any time. Stephens relied on Elliott's end runs and the forward pass to gain ground and was able to gain more ground throughout the game than its opponents. Kirkland and McClung were the best offensive players on the Irvington team, and Weaver was in a class by himself when it came to the defensive work. As in the last game the two teams played, the work of Maglus and Kirkland in getting down the field under punts and tackling the runner was a revelation and a delight to the crowd of Irvington rooters who were on hand. The line-up:

Irvington	Position.	Stephens.
McClung	L. E.	Rutner
Stemler	L. T.	Livingston
Logan	L. G.	Hanson
Muirhead	C.	Rutherford
Versteeg	R. G.	Phillips
Weaver	R. T.	Lancaster
Hangen	R. E.	De Temple
Floyd Kirkland	Q.	Morrow
Fred Kirkland	L. H.	King
Maglus	R. H.	Elliott
Brix	F.	McLynn

Y. M. C. A. BEATS NEWBURG

PORTLAND TEAM WINS AT BASKETBALL, 33 TO 14.

Game Hotly Contested Despite Seemingly One-Sided Score. Crowd Is Large.

The Portland Young Men's Christian Association basketball team last night defeated the team representing Newberg College by the score of 33 to 14 on the association floor. The game was hotly contested throughout, although the Y. M. C. A. players had no difficulty in winning.

A good-sized crowd assembled at the association gym to witness the game, and the clever work of the players kept the enthusiasm at a high pitch.

In the first half the association players did not warm up to their work, but in the second half they struck their gait and scored basket after basket in the most approved manner. The score at the end of the first half was 10 to 5 in favor of the home team, but this lead was enhanced by the addition of 23 points in the second half.

Hammer and Hadlock, of the Newberg team, displayed their ability on numerous occasions, and were the stars for their team. Gates played a good game for the Portland team in the first half, but lack of condition compelled him to retire in the second half. Hartman and Sheets played fine ball for Y. M. C. A. and were frequently applauded liberally. The teams lined up as follows:

Y. M. C. A.	Position.	Newberg.
Hartman	F.	Hammer
Sheets	F.	Lewis
Young	C.	Haddock
Gates, Ashcon	G.	Miller
Sweeney	G.	Rasmussen

ARMY AND NAVY ARE READY

Teams Arrive at Philadelphia for Great Football Game.

PHILADELPHIA, Nov. 27.—In prime condition and anxious for the fray tomorrow, the Army and Navy football teams arrived here today. The players spent part of the afternoon in light practice.

The Midshipmen had the first use of the field and later the Cadets were given possession. For fear that the "enemy" might be watching, the teams did not indulge in any new formations on the open field, but reserved these drills for the secrecy of the large hotel rooms.

The largest crowd that ever saw a football game on Franklin Field is expected to witness tomorrow's contest. President Roosevelt has sent word that he will be unable to attend. The President's daughters, Mrs. Longworth and Miss Ethel Roosevelt, will represent the President's family. Secretary of War Wright and Assistant Secretary of the Navy Newberry will also be here.

Some friction developed over the selection of an umpire. This was compromised this afternoon when the Navy officials suggested that Evans, of Williams College, one of the five men named by the Army for umpire, be made referee, and that Al Sharp, of Yale, who had been previously agreed upon for referee, be made umpire. This was accepted by the Army.

Soccer Game This Afternoon.

Columbias and O. R. & N. will play a league soccer game at the baseball grounds this afternoon, kicking off at 3 P. M. The O. R. & N. line-up will be as follows: Goal, R. M. Vancouver 18, Woodburn 16.

VANCOUVER, Wash., Nov. 27.—(Special.)—Vancouver High School's basketball team defeated the Woodburn High School team in a match game here tonight by a score of 18 to 16. The team lined up as follows:

Vancouver—Bishop, center; Johnson, Ferrell, Eberle, forwards; Winters, Bouton, Wood, Miller, guards.

Woodburn—Flynn, center; Fisher, Helmskin, Austin, forwards; Schemmer, Randall, Bonner, guards.

The High School Rooters' Club, 100 strong, marched through the streets before the game.

Handball at Multnomah Club.

Two more exciting handball contests were witnessed on the Multnomah court last night when Holbrook and Patterson defeated Cleland and Eastman and Barrett and Holmes scored over Van Vorhies and Goodwin. Both games were hotly contested and a good gallery was on hand to witness the play. Holbrook and Patterson were victorious by scores of 13-21, 21-18 and 21-4, while Barrett and Holmes won out by scores of 12-21, 21-19 and 21-3. Both winning teams lost the first frame, but rallied strongly and captured the next two.

CAPTAIN OF PACIFIC UNIVERSITY TRACK TEAM.

Harry P. Humphreys, of Portland.

PACIFIC UNIVERSITY, Forest Grove, Or., Nov. 27.—(Special.)—The track squad has chosen Harry P. Humphreys, a Portland boy and a member of the senior class, to captain the team this season. The captain-elect held the similar position on this year's football team. He is one of the best fullbacks Pacific ever turned out and is also a strong man on the basketball team. His events on the track are the 220 and 440-yard dashes, shotput and broad jump. Humphreys is a member of the athletic committee and debate council and a prominent member of the Gamma Sigma Literary Society.

Meets will be scheduled with Whitman College, Oregon Agricultural College, Willamette University and McMinnville College.

Tennis Honors Evenly Divided.

MELBOURNE, Nov. 27.—The play in the singles for the Dwight F. Davis international lawn tennis cup began here today, and resulted in one Australian and one American victory. Norman Brookes, Australian, beat F. B. Alexander, American, 5-7, 8-7, 6-2, 4-6, 6-3. Brookes gave a magnificent display of volleying. The match was a brilliant one, and it was fought to a finish. Beals C. Wright, American, beat A. F. Wilding, Australian, easily, the score being 3-6, 7-5, 6-3, 6-1.

LONGSHORE UNIONS CLASH

Trouble Over Loading Schooner Samar With Lumber on East Side.

Another collision between the rival Longshoremen Unions in this city occurred yesterday morning when four members of local No. 334, International Longshoremen's Union, undertook to load the schooner Samar with lumber from the Standard Box Factory on the East Side. The captain of the schooner had requested the men to do the work, but they had no sooner begun than a delegation of about 30 from the rival organization, Local No. 6, appeared and drove the four laborers from their employment.

"Local No. 334 has been affiliated with the American Federation of Labor for the last seven years," said N. Jonathan, member of the committee representing that organization, last night, "and our standing as union men cannot be questioned. Furthermore, our services are desired by the shipping interests of this city, but we are being prevented from working by reason of threats and intimidation by the rival organization, which outnumbers us three to one.

"On the other hand, Local No. 6 formerly was affiliated with the American Federation of Labor, but about three months ago it withdrew and joined with similar organizations at San Pedro, San Francisco, Seattle and Tacoma in forming a Pacific Coast organization. For that reason it has no standing among organized labor of the country and its delegates were refused recognition at the meeting of the American Federation of Labor at Denver two weeks ago.

"We are recognizing every union principle and are adhering to the same schedule of wages established and sanctioned by the international organization with which we are affiliated. For that reason we cannot see why we should not be allowed to perform such work as the shipping interests of this port desire to employ us to do, without being subjected to threats and even violence at the hands of a rival organization."

American patent laws seem to be the most satisfactory of any country, and it is probable that the statutes of many countries will be changed in the near future to conform with those of the United States.
