DOG EATING IS ALL RIGHT

CHICAGO, Nov. 30.—Frank Starr, professor of anthropology at the University of Chicago, in a church lecture here last night on the Philippines, said: "In all the islands there is not a tribe that is not capable of self-government. There can be no doubt in anyone's mind as to the Christian tribes, but even to the savages, I think the words of the great Republican will apply. So man is good enough to rule another man without that man's consent."
