

STEPHENS WINS OVER SHATTUCK

In Brilliant Game Succeeds in Piling Up 11 Points to Opponents' 0.

CONTEST IS COMPROMISE

Directors of League Decide Both Stephens and Irvington Must Meet Shattuck As Result of Game Holiday Gets Cup.

The Shattuck and Stephens Grammar School football teams played a game on Multnomah Field yesterday afternoon which resulted in a victory for Stephens by the score of 11 to 0. The contest was, in a way, a compromise game, for the winning team had made three attempts to score over the Irvington eleven, and failing in each, the directors of the league decided upon a compromise, whereby each eleven should meet Shattuck and a decision could be reached in that manner.

Irvington and Shattuck will play their game Thursday afternoon on Multnomah Field. Yesterday's decision not only brings victory to the Stephens team, but it decided the winner of the Robert L. Stevens cup, for Stephens' victory over Shattuck gives the Holiday School team the honor of winning the trophy cup for one year. Next season the Holiday team will have to compete for the custody of the cup for another year.

Yesterday's football game was as interesting as though it were a regular senior team playing. The grandstand swarmed with rival cohorts of little girls, who yelled and sang their cries to the effort to cheer both teams to victory. Each little miss wore her colors and endeavored to outdo her rival in her manner of delivering the school yell.

Good Football Played.

Some few grownups assembled, but from their conduct it is evident they have been able to pick them from among the "kiddies," yet the youngsters playing managed to get through the game without being inconvenienced by the rooting and but little by the interference of the half-grown men on the sidelines. Chief Gritzmeier is said to have agreed to detail several policemen properly to police the field and keep the anxious youngsters on the sidelines from encroaching upon the gridiron, but, about the time the game was in progress, one of the officers made his appearance. The result was that the young players had considerable difficulty in pulling off end runs, for the crowd of boys present encroached upon the field at all times.

Despite the handicaps, both teams played fine football, and if the sympathy of the crowd had not been with the lighter Shattuck players would have proven victorious. However, the splendid football played by McLynn, Elliott, De Temple, Ruffner, and Lancaster, of the Stephens school, was too much for the little chaps. Some older players present on Multnomah Field yesterday were visibly impressed with the knowledge of the game displayed by these youngsters, and incidentally, they picked several clever lads from among the little fellows on the losing team. Among the latter who showed brilliant play were Robbie Acton, the quarterback, Joe Celestine, Nick Berovich, Pridoux, Jones and Hummel.

Stephens Makes Touchdown.

Professor Krohn and Professor Boyd, who refereed the game, Principal Jenkins, of the Holiday School, and other Grammar School League officials who were present, were greatly impressed by the exhibition.

Hummel started the game by kicking off for Shattuck, but the ball rolled from which point Morrow ran the ball back to the 25-yard line. Elliott was shoved into the line for two yards on the first attempt, but was thrown for no gain on the next try. Elliott punted straight up in the air and Shattuck got the ball in the ensuing misplay.

Berovich, for Shattuck, made three yards on the first attempt on a delayed pass and Hummel kicked on the next play to Stephens' ten-yard line. Shattuck blocked Elliott's kick and the ball rolled to the 30-yard line, where King recovered it for Stephens. Stephens was penalized 15 yards on the next play for throwing a forward pass over center's head and Elliott kicked to midfield.

Berovich was stopped for no gain and a delayed pass also brought nothing for Shattuck. Hummel kicked to Morrow, who, catching the ball on the run, on his 35-yard line, ran to the Shattuck 25-yard line. Elliott got through left tackle on the next play to the 35-yard line, but McLynn was stopped for no gain on his attempt through center. King went to the three-yard line from where Elliott was shoved through for the necessary distance for a touchdown. Elliott failed to kick the goal and the score stood 6-0 in Stephens' favor.

Ball Sent Back and Forth.

Hummel kicked off to Stephens' 25-yard line. McLynn made two yards and Elliott went. Elliott punted to midfield where Acton recovered the ball and ran back for ten yards. Berovich could gain nothing and Hummel kicked to Stephens' 25-yard line, where Morrow fumbled and a Shattuck player fell on the ball, after a fruitless effort to gain on a delayed pass. Shattuck was penalized 15 yards for sending a forward pass over center's head. Hummel kicked to Elliott on his three-yard line. McLynn made nine yards on two attempts, bringing the ball out past the ten-yard mark, from which place Elliott kicked over Acton's head to the 45-yard line.

Stephens blocked a punt and recovered the ball on its 45-yard line. King made two yards and Elliott, on a delayed pass, added another four. Elliott sent another punt up in the air to Acton on his 40-yard line, from where he ran the ball back to the center of the field. Hummel kicked and a Shattuck player recovered the ball on a fumble on Stephens' 45-yard line. Another kick by Hummel and time was called for the first half.

Stephens Begins Game Well.

The second half began auspiciously for Stephens, when Lancaster recovered Elliott's kickoff, which only went 15 yards. Elliott made five yards around the end. On the next play McLynn received a cleverly executed delayed pass and ran to the 30-yard mark. McLynn made four yards on the next play, but Elliott followed it up by a pretty end run to the one-yard line. Stephens was penalized five yards for offside play on the next line-up, although Elliott succeeded in setting over the line for a touchdown. In two more attempts from the five-yard mark Elliott succeeded in carrying the ball over for Stephens' second and last touchdown. He later kicked the goal, making the score 11-0 in Stephens' favor. Shattuck kicked to the 25-yard line and Elliott made eight yards on the first at-

CRIPPLED TEAM COMING

CORVALLIS DETERMINED, HOWEVER, TO WIN GAME.

Saturday's Contest With Multnomah Club Last of Season for College Eleven.

OREGON AGRICULTURAL COLLEGE

Corvallis, Or., Dec. 1.—(Special).—It was rather a badly crippled aggregation of football warriors that Coach Norcross gathered together tonight for the first practice since the Washington game. But while crippled in body, the men are unflinching in spirit and are determined to win back some of their lost laurels next Saturday when they meet the Multnomah Club team in Portland.

From present indications the team will have to fight this last battle without the help of its gallant captain and three other regulars. Captain Wolf is suffering with water on the knee, from which there is no chance of recovery in time for the game. Cady has a sprained ankle and it is probable that Jamieson, the big tackle, and Cooper will not be in the game.

While the absence of these men will be a terrific loss to the collegians, Coach Norcross hopes to put a team in the field which will make the heavy clubmen fight every minute of the game. Keck will be able to be in the game and will take care of the kicking end, so that in particular the loss of Captain Wolf will not be so severe.

"The players and the students feel that a victory over the club team will go far toward establishing the team's position and consider its proper place in the Northwestern football. For this reason, no efforts will be spared to put the team in the best possible condition for the big game."

The practice tonight was exceptionally fast. The teamwork was very good and there were times when the men showed better form than they have exhibited at any time this season. The coaches expressed themselves as well satisfied with the practice.

The final game of the class series will be played on the college campus Saturday between the juniors and the freshmen. The contest is eliciting much interest. The first annual cross-country race will also be run. The winner will be rewarded by receiving a live turkey, the men getting second place, a goose, and the last man to finish will be presented with an egg.

SAY STEPHENS IS OVER-WEIGHT

Shattuck Refuses to Play Irvington Till Question is Adjusted.

Captain Nicholas Berovich, of the Shattuck Grammar School football team, announced last night that his team would not play the Irvington School team until the status of the Stephens School eleven had been adjusted by weighing in at the weight called for in their class. Captain Berovich stated that this decision was the result of a mutual agreement between the members of his team and the Irvington team, both of which eleven claim that Stephens is overweight.

Irvington is the team which has played Stephens three tie games, and both teams believe they are entitled to recognition on account of the handicap they have been under in being matched against Stephens. The game between Shattuck and Irvington has been scheduled for tomorrow afternoon.
