LOOKING TO FENCES

Rival Political Factions Are Lining Up Legislators.

VISIT OUTLYING COUNTIES

Bowerman and McArthur, of Anti-Statement Camp, and Orton, Statement Agent, Work for and Against Caucus Respectively.

Representatives of the Statement and the anti-Statement camps are making a line-up of the legislators-elect in the outlying counties preliminary to the organization of the Legislature. Senator Jay Bowerman and Representative-elect C. N. McArthur, leading anti-Statement candidates for President and Speaker, respectively, have been conferring with Republican members of the Legislature in Eastern Oregon in the interest of their candidacy. At the same time the Statement people have a messenger in the field in the interest of a Statement organization of both houses.

Bowerman and McArthur are demanding a caucus by which the organization of the Legislature shall be determined. The Statement forces do not want a caucus, but would organize the lawmaking body along Statement lines. One of their number, said to be Representative-elect A. W. Orton, is now in the southern part of the state conferring with the pledged Republican members. The Statement people are resolved not to participate in a party caucus and are appealing to their members to stand firmly for the organization of the Legislature by their forces in order to insure for them control of the important committees in each house.

It is proposed by the Statement people to arrange for a general conference of their forces in this city a few days before the convening of the Legislature, when a programme of action will be outlined. The exact date for this meeting will not be fixed until the Statement agent returns from his trip through the state. It will not be until then that the Statement men will learn their actual strength in the fight to prevent legislative organization through party caucus. When this Representative left Portland he had secured the signatures of 11 Statement members to a pledge binding them to support only a Statement man for presiding officer in either house. Of that number ten were members of the Multnomah County delegation. The purpose of the trip through the state at this time is to get the other pledged members of the Legislature to sign up for a Statement organization.

Hal D. Patton, Statement Representative-elect from Marion County and receptive candidate for the Speakership, has been spending several days in Eastern Oregon, presumably on the same errand as Orton. He was in Joseph Wednesday traveling on the train from Enterprise with John P. Rusk, Statement Representative-elect from Union and Wallowa. Mr. Patton left Joseph Thursday morning for La Grande, where he conferred with Representative-elect S. F. Richardson, another Statement man. It is apparent that Mr. Patton is undertaking to line up the Statement members of Eastern Oregon in conjunction with the work that is being conducted in the same direction in the western part of the state.

LENTS POSTOFFICE ROBBED

EXPERT CRACKSMEN LOOT STRONG BOX, GET $300.

Burglars Seize Opportunity for Robbery While Citizens Are Attending Celebration.

During a Woodmen of the World celebration at Lents Thursday night, burglars broke into the postoffice, rifled the safe and secured between $200 and $300. The safe crackers used skeleton keys to effect an entrance. They then locked themselves in and worked without molestation until both the outside and inside doors of the strong box had been blown open. They helped themselves to all the cash, but were careful to leave the postage stamps behind. This supports the theory that the burglars were experts, and it is believed that two men turned the trick. That the job was the work of experts is further evidenced by the fact that it was executed with neatness and dispatch.

An ax was stolen from a near-by butcher shop. This and a supply of soap were found by the Sheriff's office sleuths. The soap was used to make the mersion along the sides of the doors air-tight and the ax was used only to pry open a few drawers that keys did not fit. "Soup" or nitroglycerin was used to blow open the safe, and from the appearance of the wrecked strong box, the thieves were not stingy with their explosives, for the safe after they had finished was damaged beyond repair.

Postmaster Spring locked up his office at 8 o'clock and did not discover the robbery until he opened the postofffice at 7 o'clock yesterday morning. He found that the safe had been blown open and the contents of the various desks and lockers strewn all over the floor. So far as is known, only one man heard the noise of the explosions. He was in the hotel across the street, and, being awake, he heard two distinct reports of the explosion. This, the officers believe, was made when the robbers blew off the doors of the safe.

As soon as the robbery was discovered word was sent to Postal Inspectors Riches and Clements and to Sheriff Stevens. Both Mr. Riches and Mr. Clements were out of the city and a telegram was sent to Chief Inspector Linn, at Spokane. Sheriff Stevens and a number of deputies are investigating the robbery.

ELKS' ANNUAL MEMORIAL

Service in Honor of Departed Brothers Tomorrow.

"The faults of our brothers we write upon the sands; their virtues upon the tablets of love and memory."

With this sentiment as the prevailing one of the occasion, Portland Elks are to meet at Taylor-Street Methodist Church tomorrow afternoon at 2:30 o'clock, to hold the annual memorial service. Special music will be rendered. Similar services will be held in every city in the country where there is a lodge of Elks organized.

Officers of the local lodge who will have charge of the services in this city are: Exalted ruler, John B. Coffey; esteemed leading knight, W. R. Apperson; esteemed lecturing knight, William Adams; secretary, C. M. Bills; treasurer, E. W. Rowe; esquire, K. K. Kubli; chaplain, George L. Hutchin; inside guard, James Anderson, and tyler, T. E. Dowling.

Dr. Franklin Baker, of Colorado Springs, Colo., is to deliver the oration and George L. Hutchin the eulogy. Mr. Hutchin will call the roll of members who died during the last year. Since Portland Lodge No. 142 was organized, in 1889, there have been 100 deaths among its membership, of whom 17 died last year.

A rehearsal of the service was held yesterday afternoon in Taylor-Street Church by officers of the lodge, as the present staff was not familiar with the ritual, which is only used once a year and of course not during their terms of office.

A. E. Clark of the local lodge is to deliver the memorial address this year at Vancouver, Wash., and Gus C. Moser at Heppner. It is the practice in the fraternity to have members of other lodges than the one holding the service to deliver these addresses.

SLUGGED; LEFT FOR DEAD

RECOVERING, FINDS SELF COVERED WITH LEAVES.

Charles Steele, of Spokane, Meets Thrilling Experience at Hands of Robbers in Baker City.

BAKER CITY, Or., Dec. 4.—(Special.)—A holdup that occurred here night before last just came to light today, in which Charles Steele, a lumber grader for the Northwestern Lumbermen's Association, was slugged, robbed and left unconscious on Center street in the rear of the Central High School.

Steele, whose home is in Spokane, is here grading lumber at the different sawmills. He cashed a check in a Baker saloon the night of the crime and then went to the theater. When he was returning to his hotel, near the railroad depot, some one ran up behind and slugged him across the neck. He fell to the ground and knew nothing more until he revived yesterday forenoon about 11 o'clock and found himself lying by a pile of cordwood, partially covered with leaves.

It is evident that the footpads thought they had killed Steele and made an attempt to hide the body. Steele felt for his money, but it was gone. Finding that he was not badly injured, he decided to say nothing about the matter only to close friends, but it reached the public today.

The crime occurred on one of the city's business thoroughfares and almost under an arc lamp. This city is filled with a rough class of men, who have evidently been attracted here by the construction of the Eagle Valley railroad.

CHILD IS SCALDED, DIES

Pulls Over Tub of Hot Water While Mother Is Washing.

EUGENE, Or., Dec. 4.—(Special.)—Floyd, the little one-year-old son of Mr. and Mrs. Fred Callison, who was scalded by pulling a tub of boiling water over himself, died this morning at 8 o'clock. The accident occurred Wednesday when Mrs. Callison was doing the family washing. She had just stepped out of the room when the little boy, who was unusually strong, tugged away at a tub of boiling clothes on a chair until he overturned it, scalding himself so badly that he died.

Talk Scouring Mill at Echo.

ECHO, Or., Dec. 4.—(Special.)—Thomas Ross, a Portland woolen mill man, is in the city endeavoring to interest local capitalists in the erection of a wool scouring plant at this place. It is quite likely that some action will be taken in this direction by local capitalists. Mr. Ross gives it as his opinion that a very satisfactory saving can be made for the grower over present profits.

Not Free From Fatalities.

ABERDEEN, Wash., Dec. 2.—(To the Editor.)—I would like to correct a statement in the news item about the Columbia River ferry at Kalama, stating that no one had ever been killed thereon. In the Summer of '94 or '95 Bob Cramer, of Centralia, a fireman, was killed by being "bumped" off the ferry by a freight train being switched in on the track that his engine was occupying. I think that it was during the A. R. U. strike that it happened.

B. LLOYD BEALL.

Yakima Not After Prizes.

NORTH YAKIMA, Wash., Dec. 4.—(Special.)—North Yakima has shipped a carload of apples to Spokane for exhibition at the apple show, but they will not be entered for prizes. Some individual growers have sent apples to compete for prizes. Many North Yakima people think that a grave mistake has been made in not preparing an exhibit to capture the prizes.

Mrs. DeCicco Adjudged Insane.

SALEM, Or., Dec. 4.—(Special.)—Mrs. Rose de Cicco, who was brought to the penitentiary a few days ago from Multnomah County, after conviction upon a charge of assault with a dangerous weapon, was today committed to the asylum for the insane. Dr. L. F. Griffith, head physician at the asylum, conducted the examination as to the woman's mental condition and reported her insane.

Meat War Extends to Chehalis.

CHEHALIS, Wash., Dec. 4.—(Special.)—The meat war between Puget Sound concerns is reaching into this section. Recently the Frye-Bruhn Company, of Seattle, and the Carstens Packing Company, of Tacoma, bought markets in Centralia, and they have this week made offers on two of the leading markets of Chehalis. Neither of the latter deals has been closed.

Bold Hold-up at Centralia.

CENTRALIA, Wash., Dec. 4.—(Special.)—This morning, at 6 o'clock, L. L. Pain, a blacksmith in Joseph Payette's shop on First street, was held up at the shop just as he was preparing to start the fires. Hearing the front door close, he turned to face the muzzle of a revolver in the hand of a well-dressed young man. Another man stood at the door with a gun ready for use. Pain had no money.

Dr. Peacock Secures Bail.

CATHLAMET, Wash., Dec. 4.—(Special.)—Dr. Fred Peacock, who was arrested Monday on a charge of performing an unlawful operation, was this afternoon released on a $1000 bond by Judge Rice of the Superior Court. His case will be heard at the February term.

Cathlamet Sun Changes Hands.

CATHLAMET, Wash., Dec. 4.—(Special.)—The Cathlamet River Sun, the Republican organ of this county, was today sold by Treasurer-elect J. G. Bailey to George F. Hanigan, its founder. The paper will continue to be Republican in politics.

The City of Aleppo has an estimated population of 197,000 inhabitants. It is the center of transit of certain exports from Asia Minor, Mesopotamia, Arabia and Persia and is in a rich mineral district.

EXPLAIN NEW STYLE

Pay-as-You-Enter Cars to Be on Exhibition.

PLACED ON ALL LINES

After Collection Boxes Arrive, Various Routes Will Be Equipped With New-Style Vestibules So as to Expedite Traffic.

Pay-as-you-enter cars are to be located at the foot of Washington street and at the corner of Fourth and Yamhill tonight, so that the public may become familiar with the operation of this new departure in the method of collecting fares by the streetcar company. These "sample" cars will remain at these points from about noon until well into the night, after today, for several days, or as long as the public appears to take an interest in the exhibit.

Some of the new type of cars have been run over the downtown lines recently for the purpose of trying out the motors, but they will not be in actual use for about two weeks, on account of the non-arrival of fare-boxes, which are to be used in connection with the new equipment. These fare-boxes are similar to the collection boxes used on elevated and subway roads in the East. The passenger, on stepping on the platform of the car, deposits his fare in the "chopper," and there is a glass receptacle to receive the coin, so that the conductor, after seeing that the fare is paid in real money, automatically registers it and at the same time opens the car door for admission of the passenger. The conductor is relieved of handling fares, but will be supplied with fractional coin with which to make change.

These exhibition cars will have a conductor on duty to explain the operation of the new style vestibules, and as the plan has been found to work satisfactorily in cities where it has been introduced, according to Vice-President Fuller, no difficulty is expected in having the public co-operate with the company in what it expects will expedite movements of the cars.

When the fare-collecting boxes arrive and are installed, the Twenty-third street line, Hawthorne avenue and Depot-Morrison and Willamette lines will be operated under the new system. As rapidly as possible the cars of the company at present in use will be arranged with the new style vestibules and collection boxes, and all new equipment will be of this style.

EXCURSION TO APPLE FAIR

North Bank Road Has All Arrangements Completed.

The initial excursion over the Spokane, Portland & Seattle road is being worked up by the business men of Portland to attend the National Apple Show at Spokane, December 7 to 12. Officials of the new road have arranged a schedule for the excursion which will embrace a special rate of $14.95 for the round trip. The business mens' excursion will leave this city Friday, December 11, at 5:35 P. M., arriving in Spokane at 6:55 Saturday morning. On the return trip the excursionists will leave Spokane Saturday at 11 P. M., and Sunday will come down the Columbia by daylight, affording opportunity to observe all points of interest and inspect the work done on the new line.

Arrangements have been made by the Spokane Chamber of Commerce to entertain the visitors from Portland at breakfast Saturday morning upon the arrival of the train. Dining cars and standard Pullmans will be furnished in the equipment of the trains carrying the excursionists, and General Passenger Agent Adams makes the announcement that everything is to be done to make this first excursion over the road a success in every particular.

Fair Rates Are Fixed.

Announcement was made yesterday that the transcontinental rate to be in force from May 25 to September 30, with return privilege to October 31, during the period of the Alaska-Yukon-Pacific Exposition at Seattle next year, is to be $62 from Chicago; $63.25 from St. Louis and $50 from Missouri River points. These tickets are good via Portland going or coming, and the rail lines immediately gave orders to have the two big Coast events, the Seattle fair and the Rose Festival at Portland, extensively advertised in all the circulars and folders issued from this time forward.

Will Address Utah Teachers.

SALEM, Or., Dec. 4.—(Special.)—Superintendent of Public Instruction J. H. Ackerman has accepted an invitation to address the Utah State Teachers' Association at Salt Lake City, December 21 and 22.

HAPPY NOW

Family of Twelve Drink Postum.

"It certainly has been a blessing in our home," writes a young lady in regard to Postum.

"I am one of a family of twelve who, before using Postum, would make a healthy person uncomfortable by their complaining of headache, dizziness, sour stomach, etc., from drinking coffee.

"For years mother suffered from palpitation of the heart, sick headache and bad stomach and at times would be taken violently ill until about a year ago she quit coffee and began Postum.

"My brother was troubled with headache and dizziness all the time he drank coffee. All those troubles of my mother and brother have disappeared since Postum has taken the place of coffee.

"One of my brothers declared he would stick to coffee if it killed him, which we thought it was doing. One day we ran out of coffee and, being a mile from town, we gave him Postum without saying what it was.

"'My Oh!'—he said, 'the coffee is the best today I have ever tasted.'

"A sister was ill nearly all her life with headache and heart trouble, and about all she cared for was coffee and tea. The doctors told her she must leave them alone, as medicine did her no permanent good.

"She thought nothing would take the place of coffee until we induced her to try Postum. Now her troubles are all gone and she is a happy little woman enjoying life as people should.

"I think everyone who makes Postum according to directions on the package will find it a success."

"There's a Reason."
