THUGS GET RICH HARVEST

Two San Francisco Hold-ups Net Robbers \$630.

SAN FRANCISCO, Dec. 22.—Two daring hold-ups committed last night, today occupied the attention of detectives. While riding home on a Mission-street car, Albert Varcello, a San Bruno road dairyman, was seized by two thugs and searched by a third, who relieved him of \$130. The men jumped from the car after a fight with passengers, and with 300 citizens in pursuit, scattered and fled. Martin Pederson, who has a charge of grand larceny hanging over him in the Superior Court, took refuge under a house and was captured. His accomplices, one of whom had Varcello's money, escaped.

Thomas H. Barry, who yesterday drew \$50 from a local bank, was the second victim. He made the acquaintance of two strangers, and after drinking for some time in their company, accepted their escort home. At the corner of

RECORD WORK ON CANAL

Thirty-seven Million Yards Taken Out This Year.

SAN FRANCISCO, Dec. 22.—The Panama Canal will be opened January 1, 1915, according to an official communication received yesterday by the California Promotion Committee from Joseph Bucklin Bishop, secretary of the Canal Commission. The statement in part is as follows: "There has been excavated from the line of the canal since the Americans took control about 56,000,000 cubic yards. This is as near as can be calculated at the present time and is about one-third of the entire excavation necessary to complete the work. Of this 56,000,000 cubic yards, about 55,000,000 has been removed during the last three years. In 1908, down to November 1, nearly 31,000,000 cubic yards were removed, and the total for this year will not be far from 37,000,000 cubic yards.

Queen Wilhelmina Again Expected to Present an Heir.

THE HAGUE, Dec. 22.—It was officially announced today in the Chamber of Deputies that Queen Wilhelmina was in an interesting condition and the statement was greeted with joyful "bravos" from practically the entire House. Only a handful of Socialists, amid the boos and derision of their colleagues, took exception to the loyal demonstration. Her majesty's physicians conclude their announcement with these words: "We rejoice to be able to state that all signs are in consonance with an absolutely perfect state of health. "The event is expected early in the Spring."
