### DISCOVERY MEANS MUCH

Great Results Are Hoped For From Tuberculosis Experiments.  
CHICAGO, Jan. 6.—What is considered by medical men to be the most important discovery in the war against tuberculosis since the finding of the tubercle bacillus by Koch, is contained in an announcement by Dr. Handie C. Rosenberg, of the chair of bacteriology, at Jefferson Medical College.  
Dr. Rosenberg has declared that the tubercle bacillus can be located in the blood before it reaches the lungs, and that in view of this it can be destroyed by very simple treatment.  
If the theory that the tubercle bacillus first makes its appearance in the blood of the patient is correct, it is believed that the injection of anti-toxin or virus would prevent them reaching the lungs.

### LABOR THREATENS JUDGE

Justice Wright Receives Many Letters From Gompers Sympathizers.  
WASHINGTON, Jan. 6.—"I have not been measured for my shroud yet, nor can I say I am afraid to go home in the dark," commented Justice Daniel T. Wright, when asked about the hundreds of threatening letters sent to him by persons who were displeased over his recent decision sentencing Samuel Gompers, John Mitchell and Frank Morrison to prison for contempt of court.  
"Of such communications I have received a wastebasket full," said the Justice, "but I am losing no sleep over the threats contained in them. I am amused, rather than terrified."  
One of the writers declares he will arrive in five days to kill the Justice, while another asserted that "your de-

### SHERIFF IS SELF-SLAIN

Act Leaves Widow and 12 Children Unprotected.  
FALLON, Nev., Jan. 6.—With a Bible in his hand and his shoes removed, Robert Shirely, Sheriff of Churchill County, sat on a pile of lumber near the Fallon railroad station and blew off the top of his head with a revolver.  
Worry over failure to secure bondmen following his re-election in November is said to have influenced his rash act. A widow and 12 children survive him.

### GASSENDORFF COMES BACK

Governor Gillette Honors Oregon Requisition for Check-Forgery.  
SACRAMENTO, Cal., Jan. 6.—Governor Gillette has honored a requisition from the Governor of Oregon for the return to that state of Winifred von Gassendorff, under arrest in San Francisco. The charge against the prisoner is obtaining money under false pretenses.

### NO ROOM FOR ROSE EYTINGE

Veteran Portland Actress Denied Place in Forrest Home.  
PHILADELPHIA, Pa., Jan. 6.—Rose Eyttinge, the famous old actress, is knocking for admission to the Edwin Forrest Home and there is not room for her. Under the will of Mr. Forrest the community is limited to 12 persons. Although vacancies are comparatively frequent, there are several applicants ahead of Mrs. Eyttinge, but with childlike faith she is journeying across the continent from Portland, Or., having left there yesterday, hoping that a way will be found. She has no more money than will bring her here. She does not know yet that the decision must be final.  
The many Portland friends of Rose Eyttinge will be greatly surprised to hear

### FOUR YEARS FOR PERJURY

Russian Police Chief Manufactured Evidence Against Prisoners.  
ST. PETERSBURG, Jan. 6.—Colonel Zavaritsky, Chief of the Secret Police at Vladivostok, has been sentenced to four years' penal servitude and the loss of his military rights on the charge of having manufactured evidence in political cases. Two of the Colonel's subordinates were sentenced to shorter terms. Details of the trial received here today show that Zavaritsky repeatedly placed bombs and illegal literature in the apartments of suspected persons and by this means secured convictions. Many political prisoners will be released as a result of the revelations.

### Anti-Pass Bill Introduced.

HELENA, Mont., Jan. 6.—Today's session of the Legislature was very brief. Neither house has yet named committees. Special bills were introduced in both houses and referred to appropriate committees. Neither of these are of any great importance, relating to amendment of present laws. There was one exception, however, this being the prohibition of free railroad, telegraph or telephone passes or trunks to all persons except actual employees.
