Your table linen has lost its lustre; do you

know why? Is it not because you have allowed your laundress to wash it with ordinary laundry soaps, which, being overstrong in alkali, "cut" the fabric and make linen look

like cotton? Use Ivory Soap and your linen troubles will

cease. No "free" alkali in it; no coloring matter; nothing but soap, soap that is 99 45 foe per cent pure.

Ivory Soap 99 13 100 Per Cent. Pure.

Nervous Prostration

"I suffered so with Nervous Prostration that I thought there was no use trying to get well. A friend recommended Dr. Miles' Nervine, and although skeptical at first, I soon found myself recovering, and am to-day well." MRS. D. I. JONES,

5800 Broadway, Cleveland, O. Much sickness is of nervous origin. It's the nerves that make the heart force the blood through the veins, the lungs take in oxygen, the stomach digest food, the liver secrete bile and the kidneys filter the blood. If any of these organs are weak, it is the fault of the nerves through which they get their strength. Dr. Miles' Nervine is a specific for the nerves. It soothes the irritation and assists in the generation of nerve force. Therefore you can hardly miss it if you take Dr. Miles' Nervine when sick. Get a bottle from your druggist. Take it all according to directions, and if it does not benefit he will return your money.

You Indoor People

must give the bowels help. Your choice must lie between harsh physic and candy Cascarets. Harshness makes the bowels callous, so you need increasing doses. Cascarets do just as much, but in a gentle way. Vest-pocket box, 10 cents-at drug-stores. 851 Each tablet of the genuine is marked C C C.
