TAFT IS TALKING THROUGH GEORGIA

Towns Turn Out Crowds and Stephens' Grandniece Presents Violets.

WORK HE HAS BEFORE HIM

Creation and Construction, of Which Tariff Revision Comes First—He Promises to Be President of Whole Nation.

ATLANTA, Ga., Jan. 15.—President-elect Taft has been in the hospitable care of Georgia all day. Recognizing the climax of the varied and continuous demonstrations in the brilliant and imposing scene presented at the banquet here tonight, he exclaimed:

"I had not hoped to win the South, but the South has won me."

The banquet was the most ambitious event of its kind the city has ever undertaken. Participated in by more than 500 of the city's representative men, it was gloried in by the entire population.

Talking Through Georgia.

"Talking through Georgia" is a literal definition of Mr. Taft's trip today from Augusta to Atlanta, and wherever the special train came to a halt there were cheering crowds.

A bunch of violets plucked from the grave of Alexander H. Stephens and presented by a grandniece of the distinguished Georgian, touched a tender cord and brought a warm tribute to the memory of Stephens at Crawfordsville.

Atlanta's welcome to Mr. Taft began in the railroad yards, where all the locomotives tied up their whistles and ceased only when he had retired for the night. Governor Smith and a committee of citizens gave him a formal reception, after which the Governor presented him to the crowd.

President of Whole People.

Mr. Taft had given care to his banquet speech and he followed his manuscript closely. He said that the work of the next Administration is to be a work of creation and of construction. "Of course," he said, "the great work of the Administration must be the revision of the tariff." In concluding Mr. Taft said:

"I beg those of my hearers who differ with me politically not to suppose that their cordiality and courteous reception are misunderstood. I know that they spring from an earnest and patriotic desire to pay proper respect to the great office to which I have been elected and that they grow out of a sincere wish and proper assumption that, having been elected to the chief magistracy, I shall become the President, not of a party, but of a whole united people."

After the "possum and 'taters, and 'simmon bear" had been served and many other courses of the feast, the guests, led by the orchestra, broke into song. Mr. Taft joined heartily in the merrymaking.

CHURCH BENEFIT SUCCESS

Girls' Sunday School Class Raises Neat Sum.

An unusually interesting concert, interspersed with literary numbers, was given last night under the auspices of the young ladies' Sunday school class of the Hassalo Congregational Church, East Seventh and Hassalo streets. This class, which is in charge of Mrs. Paul R. Whiteside, is raising funds for the furnishing of its room in the new Sunday school addition and gymnasium, which has been recently completed.

The results of the entertainment were most gratifying and the programme was an exceptionally good one. Stuart McGuire's baritone numbers, "Mother o' Mine" and "A Little Irish Girl," were received with enthusiasm, as were also the selections by Miss Sara Glance, whose contralto voice is always pleasing. Miss Della Bradley gave several interesting readings, including a selection from "Mrs Wiggs" and a humorous dissertation on "The Hen and the Woodtick," which were well received. Miss Lucia Barton's violin solos, "Traumerei" and "Adoration," were particularly fine, as were also the piano numbers by Miss Helen Wegman. Miss Florence Foster, contralto, also gave several pleasing vocal selections.

The accompanists of the evening were Miss Lottie Hampton, Mrs. Corvilla McGuire Stolte and Miss Florence Foster.

KNOCKED DOWN BY AWNING

Laborer Caught Under Load of Snow and Ice.

Weighted down with snow and ice, the awning at the Saidmore Drug Company's store, Third street between Alder and Morrison, fell to the sidewalk yesterday afternoon, injuring Joe Nelson, a laborer, living at the New House, who was caught under it. The heavy frame of the awning struck him on the back, felling him to the sidewalk.

Nelson was unable to rise and employes of the drugstore called the Red Cross ambulance and the man was conveyed to the Good Samaritan Hospital, where it was found that his injuries were painful and would confine him to a ward for a week or more.

MAY TRY TO RETALIATE

Chance to Block Fulton's Man for Astoria Postoffice Seen.

OREGONIAN NEWS BUREAU, Washington, Jan. 15.—Exercising his personal right to select the postmaster for Astoria, his home city, Senator Fulton recommended and the President today nominated Frank J. Carney to succeed Postmaster John Hahn, whose term expires next Saturday. The nomination has been referred to Senator Bourne, who has charge of all Northwestern nominations, and it is now within his power to retaliate on Fulton's postmaster as long as Fulton refuses to agree to the confirmation of John C. Young as postmaster at Portland. Bourne will not be here until Monday, so his attitude towards Carney cannot be learned.

Hawley Secures Passage of Bill Relieving Volunteers.

OREGONIAN NEWS BUREAU, Washington, Jan. 15.—Representative Hawley today secured the passage through the House of his bill to pay volunteers of the Cayuse Indian War who have not heretofore been compensated for their services. The bill carries an appropriation of $1500, which will be distributed among the following, at the rate of $5.50 for each day's service during the War of 1847-48:

John Minto, father of Postmaster Minto; Charles Bolds, Ellen E. Hackett, widow of Jock C. Hackett; Missouri A. Cornelius, wife of Thomas R. Cornelius; Mary J. Keizur, widow of John B. Keizur; Amanda Reese, widow of Willard H. Reese; Mary E. Carnahan, widow of Hiram Carnahan; Polly C. Butler, widow of Isaac Butler, and Sarah E. Schantz, widow of P. C. Keizur.

Salem Man Reimbursed.

OREGONIAN NEWS BUREAU, Washington, Jan. 15.—Representative Hawley secured passage through the House today of the Senate bill to pay D. J. Holmes, of Salem, $500 as reimbursement for improvements on land which was taken from him in correcting the boundary of the Warm Springs Indian reservation. This bill needs only the signature of the President to make it a law.

Resort for Crater Lake.

OREGONIAN NEWS BUREAU, Washington, Jan. 14.—Will Steel, of Portland, is here, endeavoring to obtain a lease of lands in Crater Lake Park, upon which to erect a Summer resort, hotels and cottages. The Department of the Interior will grant a 19-year lease, but Steel desired one for 20 years.

JOINT PROTEST TO CHINA

UNITED STATES AND BRITAIN CONDEMN DISMISSAL.

Other Powers Undecided as to Action in Yuan Shi Kai Episode.

PEKIN, Jan. 15.—W. W. Rockhill, the American Minister, and W. W. Jordan, the British Minister, today called upon Prince Ching, president of the Foreign Board, and made representations on the subjects of the recent dismissal from office of Yuan Shi Kai, a member of the Grand Council.

This step was taken independently of other diplomatic representatives in Pekin and without previous communication of the intention to the Foreign Board. The Ministers proceeded in accordance with the recommendations made by them to their respective governments. The diplomats here are so divided on the question of approaching China regarding the dismissal of Yuan Shi Kai that the American and British representatives had to act alone. They disclaim any intervention, but it is thought they objected to the dismissal.

The government desires to hold a formal reception of the diplomatic corps, at which the regime of Prince Chung will be recognized, and its wish is due partly to the reception abroad of the news of Yuan Shi Kai's dismissal as well as local press comment thereon. The diplomats, however, are deliberating on the suggestion and it is not likely that the British and American Ministers will signify their acceptance before the Regent gives his reasons for the dismissal of Yuan Shi Kai, together with assurances for the future.

POLICE DESCEND ON HOTEL

Make Raid on Van Noy, Taking Three Women Into Custody.

Finding what they term a full-fledged disorderly house in operation in the Hotel VanNoy, corner of Third and Pine streets, late last night, the police raided some rooms on the top floor of this building, arresting Grace Ward, 25 years old, Fannie Norbin, 36 years old, and J. W. Smith, who was found in their company. The rooms were entered by Detectives Graves, Anundson, West and Whiteside.

Some of the officers being unknown to the inmates of the place, they entered and bought beer from the women, who sold it without hesitation, they say. In their efforts to frighten others from similar attempts, the police have registered three separate charges against these women, charging them with being disorderly women, selling liquor without a license and also for improper conduct. All three were locked up in jail in default of bail.

GIRL HELD FOR LARCENY

Charged With Theft From Home of Tom Richardson.

Pansy Jones, alias Lavene Montgomery, a young girl who a short time ago was employed as a maid in the home of Tom Richardson, manager of the Portland Commercial Club, 295 Sixteenth street, and who disappeared taking with her articles of clothing from the room of a guest of the family, was arrested last night by Detective Hyde, charged with larceny. She was placed in the City Jail in default of $250 bail.

The complainant in the case is W. L. Crissey, Mr. Richardson's assistant at the club. Mr. Richardson was away from home at the time of the occurance and investigations made by Mr. Crissey, on behalf of the Richardson household, caused him to appear as the complaining witness. The young girl was a former charge of the Boys' and Girls' Aid Society. She told Captain Moore last night at the police station that she was but 18 years old.

AMERICAN TAR ATTACKED

Seaman From Fleet Stabbed in Back in Nice.

NICE, Jan. 15.—Burt H. Lindsay, a sailor of the United States battleship Minnesota, while in a wineshop today, was stabbed. He was taking a drink in the place, when a band of toughs pestered him to buy them liquid refreshment. Exhausting his patience, he hit the most persistent of the men, and the others fell upon him and cut him in the back. His wound was not serious.

NOTICE.

Steamer Beaver, Couch-street dock, is receiving freight and will leave Portland Sunday night, 8 o'clock, for down Columbia River points. **

Says He Was Assaulted.

A. G. Takian, a nonunion barber, living at 73 North Third street, reported to the police last night that he was assaulted yesterday afternoon, near the Third-street end of the Steel bridge, by two men. The man's assailants struck him several blows on the back of the head. Though somewhat dazed, he succeeded in fighting the men off. Later he reported the occurrence to the police. Takian arrived from Seattle last Saturday and was looking for work. Takian does not know whether the men were actuated by motives of robbery or revenge.

WILL SOON AGREE WITH VENEZUELA

Buchanan Arranges Basis of Terms of Settlement of Disputes With U. S.

WILL ARBITRATE AT HAGUE

After Year's Estrangement, Protocol Is Being Drawn—Diplomatic Relations Soon Will Be Renewed. Questions in Dispute.

WASHINGTON, Jan. 15.—After years of patient waiting on the part of the United States, there is a prospect of the settlement by a method satisfactory to this country of the disputed claims with Venezuela.

The refusal of that government to arbitrate them resulted last Spring in the breaking of friendly relations between the two countries. The State Department today announced that W. I. Buchanan, who has been in Venezuela for several weeks, had reported that he had reached the basis of an agreement for their settlement and that a protocol to that effect was now being drawn up. Presumably the case will go into the court of arbitration at The Hague.

The signing of the protocol will result in the formal resumption of diplomatic relations with the Venezuelan government.

The claims over which the two countries have been in dispute are the following:

That of A. J. Jaurette, who was expelled in 1904. The Orinoco Corporation, which claims large concessions, covering iron mines, asphalt privileges and hardwood concessions.

The Orinoco Steamship Company, which claims exclusive rights of navigation on branches of the Orinoco River.

The New York & Bermudez Asphalt Company, claiming the right to take asphalt from La Felicitad Lake.

The United States & Venezuela Company, which declares it has been deprived of the right to mine asphalt and build a railroad.

MISS SPALDING IS DEAD

Was Prominent in Portland's Club and Literary Circles.

Miss Helen F. Spalding, for many years prominent in club, social and literary circles of Portland, died Thursday night after an illness of three months, at the home of her sister, Mrs. L. W. Sitton. She was one of the most efficient and popular teachers of the West Side High School a decade ago. She came to Portland as a teacher 36 years ago. She taught at the High School for over 15 years and retired from her position there in 1891. She had been in poor health for the past three years, but her illness did not become serious until three months ago.

Miss Spalding was a native of Massachusetts. She was educated in Maine and taught in several prominent institutions in the East before coming to Portland. Here she had been prominently identified with women's club work. Besides her sister, Mrs. Sitton, she is survived by M. M. Spalding, a brother, and M. E. Spalding and M. R. Spalding, nephews, all living in this city.

BOXES NEAR STOVE BURN

Careless Grocer Leaves Store in Condition for Flames.

Fire caused by the carelessness of the proprietor of a grocery store at 160 Porter street broke out last night in the rear of the place about 11 o'clock, causing damages estimated at $400 and endangering the lives of people living on the floor above. The owner of the store could not be found and will probably not be notified of his loss until this morning, for none of the residents in the vicinity could pronounce his name or seemed to know where he lived.

The firemen discovered that he had piled a lot of empty boxes close to the stove and then gone away, after filling the stove full of wood. The stove grew red-hot and ignited the boxes. The flames were put out before they had eaten their way through to the floor above. The damages consisted chiefly in the destruction of foodstuffs in the rear of the store.

PLAN MINE DEVELOPMENTS

Largest Bituminous Operator in Nation Purchases Medford Mines.

MEDFORD, Or., Jan. 15.—(Special.)—Final papers for transfer of the Pacific Coal Company's holdings east of Medford to the Sunnyside Coal Co. were made today, by which P. F. Murphy, of Springfield, Ill., the most extensive bituminous coal operator in the United States, becomes owner. The papers have been held in escrow since last Summer. Now that the property has passed into the hands of those who will put it onto the market, it is expected that this section will shortly see great activity in the working of the mine. Contracts have been let to mills adjoining the Sunnyside Coal Co.' property for the timbers and other contracts have been let for material for the opening of the mine on a larger scale than before.

FLY NO MORE TO HONDURAS

New Extradition Treaty Removes Haven of Refuge for Criminals.

WASHINGTON, Jan. 15.—A treaty providing for extradition was signed with Honduras today by Secretary Root. The State Department has declined to say whether or not the treaty is retroactive, but if it is the last haven of refuge for fugitive prisoners in the Western Hemisphere has disappeared.

Among the criminals liable to be brought back under the new treaty is John Ripplinger, ex-Controller of Seattle, who absconded with some $60,000 of that city's funds. He is now living in security in Honduras.

CAN FATHER SPANK CHILD?

Interesting Point Raised in Police Circles by Mrs. Martschmaky.

According to Mrs. George Martschmaky, wife of a carpenter living at 826 East Seventh street North, a father has not the right to spank his own child for disobedience. Because this woman had the courage of her convictions, she had her husband arrested last night for chastising their little 3-year-old daughter, Freda.

Martschmaky took his arrest seriously and was greatly worried about it. He maintained also that he had been really abused by his wife. He was allowed to go home again after depositing bail in the sum of $35.

When taken into custody by Patrolman Adams, the father said that he had asked the child to put some wood in the stove. This she refused to do, he said, and when he insisted that he be obeyed, the girl grew more stubborn and wouldn't move an inch. He therefore resorted to spanking her with his open hand, he explained, to impress upon her the importance of filial obedience.

Mrs. Martschmaky objected strenuously to this, and when her spouse informed her that he would spank the girl every time she willfully disobeyed him, the worthy mother straightway made complaint to the police and caused her husband's arrest, alleging that he had beaten the child.

LISTS NOT TO BE CLOSED

MONEY FOR ITALIANS TO BE RECEIVED TILL SATURDAY.

About $800 Collected in Addition to Amounts Already Sent Away. Mail Is Heavy.

The local Italian relief committee finds it will be impossible to close up the accounts of the committee today, as was intended, and will keep the fund open until next Saturday. Colonel David M. Dunne and Chairman S. A. Arata made this announcement yesterday when they looked over the mail addressed to the committee. They found a great number of subscriptions from towns throughout the state, which have been delayed in reaching Portland, owing to the recent storm. In order to receive this mail and see that it reaches the purpose for which it was subscribed, the committee will not close up accounts for another week.

Through the mails and from other sources yesterday the committee received $299.81. Those who contributed follow:

Vapo-Cresolene
(Established 1879)
An Inhalation for
Whooping-Cough, Croup, Coughs, Colds, Catarrh, Bronchitis, Diphtheria.
Cresolene is a Boon to Asthmatics.

Does it not seem more effective to breathe in a remedy for diseases of the breathing organs than to take the remedy into the stomach?

Cresolene cures because the air, rendered strongly antiseptic, is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

For irritated throat there is nothing better than Cresolene Antiseptic Throat Tablets.

THE FIRST BOTTLE.
In every household should be a bottle of Lane's Kidney and Backache Medicine. The Kidneys are of greatest importance in protecting and maintaining the health of every human body. But because of the very nature of their work they frequently become clogged and need help, to free themselves from impurities. These are some of the kidneys' warnings: Pain in the back, loss of appetite, swelling in the lower limbs, pains in the calves of the leg, swelling and pain in the right side, dizziness and blurred eyesight. A few doses of Lane's Kidney and Backache Medicine always gives relief. It is the very best specific for kidney troubles—safe and sure—purely vegetable—guaranteed under the pure food and drugs law.
