HEBREWS CLOSE CONGRESS

Warm Debates Mark Last Hours of Annual Conference.

PHILADELPHIA, Jan. 21.—The 21st Council of the Union of American Hebrew Congregations came to an end today with the dedication of the Isaac M. Wise window in the Keneseth Israel Temple, at which Oscar Straus, Secretary of Commerce and Labor, and Jacob H. Schiff, of New York, were the principal speakers.

The Council adjourned to meet in New York in 1911.

With the opening of the final session this afternoon, Rabbi Schulman, of New York, demanded an apology from Chairman Klein for ordering him to leave the council chamber yesterday while speaking on the question of sectarian practices in the schools. The rabbi insisted that the chairman withdraw his order. Mr. Klein stated that he regretted the occurrence, but that he had given the order because Rabbi Schulman was speaking out of order and declined to obey the chair's admonition to sit down.

Debate on the resolution to eliminate the word "Hebrew" from the list of questions sent out by the Federal Immigration Bureau, which led the Council into a warm controversy on the Zionist question, was checked this afternoon when the resolution was referred to the board of delegates on civil and religious rights of the Union.

MULATTO LEGALLY WHITE

As a Result, He Must Serve 18 Years in Pen.

RICHMOND, Va., Jan. 21.—In the sentencing at Farmville, this state, yesterday of Marcus Lindsay and his wife, a negress, to serve 18 years in the penitentiary, one of the most singular cases in the history of the state has been developed. Lindsay is the son of a white woman, and although he believed he had negro blood in his veins, and associated with members of that race, the court held that he has enough Caucasian blood to be legally white.

Lindsay recently was married to Sophia Jones, a negress, the widow of a negro, and has since lived with her. The two were indicted on the charge that Lindsay, a white man, married a negress and because Sophia married a white man, the law prohibiting the inter-marriage between the races.

The judge declared, however, that while he was forced to pronounce sentence, he would petition the Governor to pardon the prisoners, but upon the conditions that all marital relations between them should cease.

Wants State Alienists.

NEW YORK, Jan. 21.—In an address before the Medico-Legal Society at its annual dinner last night, Dr. Algernon T. Bristow, of Brooklyn, attacked expert medical testimony, which has become so common at murder trials in this country. He declared that the readiness of many physicians to testify to what lawyers desired has "reduced society to a state of anarchy."

As a remedy he suggests that the state appoint a board or commission of alienists, who may be picked by judges when needed at trials, but who shall receive no pay from the persons involved.

SENTENCE IS APPROVED

Captain Stole Six Cents' Worth of Paper—Gets Two Years.

CHICAGO, Jan. 21.—Judge Landis' rulings in the case of Daniel F. Keller, who was sentenced to two years in the prison at Fort Leavenworth for the larceny of six blank Quartermaster's checks, were affirmed by the United States Appellate Court today. Keller, a Captain in the Army, was convicted of the theft of the checks, on which the Government set a value of 1 cent each.

Although Keller was alleged to have secured several thousands of dollars by forging the checks, technical differences stood in the way of trying him on a charge of forgery, and the charge of larceny of the blank checks was therefore made. In his appeal Keller argued that the checks had no monetary value, and that hence a charge of larceny did not lie. Keller is now serving his sentence.

Primary Inquiry Ordered.

MADISON, Wis., Jan. 21.—A joint resolution providing for an investigation of the recent United States Senatorial primary was killed in the Senate today by a vote of 17 to eight, after a call of the House, which had been in force for more than 24 hours, was raised. A motion to reconsider the resolution prevailed, and it will be made a special order for next Tuesday.

Ten Thousand for Fares.

WASHINGTON, Jan. 21.—Secretary of the Treasury Cortelyou has transmitted to Congress an estimate of $10,000 as an appropriation to defray the expenses of transportation of survivors of the Regular Army, who were engaged in the Gettysburg campaign from their homes to the Gettysburg battlefield and back for the purpose of assisting in the dedication of monuments and markers in commemoration of the work of the Army in that campaign. The number will be approximately 424.
