SAN RAFAEL, Cal., Feb. 7.—Miss Elizabeth Grapes, a beautiful 19-year-old girl employed as bookkeeper in the of-fice of a local paper, is in a critical con-dition as the result of a brutal assault

last night.

While walking on Fifth avenue, Miss Grapes stopped a moment to listen to a band playing at the armory nearby and was attacked by a man, who struck her repeatedly with his fists.

Senator Abraham is the only man in the Senate who has secured the amendment of a bill so as to comply with the requirement. When H. NAD QUIT WORK READY TO GIVE UP IN DESPAIR Restored to Health By Vinol

"I was sick, run-down and finally had to give up work. After trying a number of remedies and several physicians, I was just about ready to give up in despair. I saw Vinol advertised and decided to try it, and it has done more good for me than all other means combined. It has built me up and restored my strength until I now feel twenty years younger, and am able to attend to my work again as usual." Job Jeavons, 1036 Lind street, Wheeling, W. Va. The reason Vinol is so successful in

such cases is because it contains tonic iron and all of the strengthening blood-making and body-building elements of god liver oil, but no oil. Vinol is unexcelled as a strength creator for old people, delicate children, weak, run-down persons, and after sickness-and is the best known remedy for coughs, colds and bronchitis.

We return your money if Vinol fails to give satisfaction. Woodard, Clarke & Co., Druggists, Portland.
