DIVORCE TRIAL CONTINUES

Mrs. Lemp Nonplusses Brewer's Attorneys by Her Direct Replies on Cross-Examination at Divorce Hearing.

ST. LOUIS, Feb. 9.—Testimony of the most sensational variety was introduced in the Lemp divorce hearing today, and the courtroom was crowded by people who gathered to hear the details of the latest scandal in high life. Extra baliffs were required to keep order in the courtroom, and throughout the day a large number of morbidly curious waited in the corridors for a chance to gain admittance to the trial.

Mrs. Lemp was again under cross-examination, but her husband's attorneys were unable to shake her testimony. Frequently the directness of her replies nonplussed the attorneys for W. J. Lemp, Jr.

The court overruled the attempts to question Mrs. Lemp regarding certain photographs of the couple's son, said to have been taken by Mr. Lemp, and the cross-examination ended.

On re-direct examination, Mrs. Lemp was questioned further regarding the alleged assault upon her by her husband, to which she testified yesterday. She testified that she had not divulged the true cause of her injuries at that time, concealing them even from her father because she was "ashamed of it."

Mrs. Lemp was questioned especially about the ante-nuptial agreement regarding the religious education of her children, which she claimed to have signed without knowing of its contents.

Following her on the stand came B. L. Johnson, formerly chauffeur for Lemp, who told of various midnight rides which Lemp took, a number of women being mentioned as being present on these expeditions.

All standing room was taken when employes of the Lemp family told on the witness stand of visits of women to the Lemp home while Mrs. Lemp was absent.

Mrs. Lena Corey, a laundress, told of Mr. Lemp having moved out the furniture during Mrs. Lemp's absence. She told of quarrels about putting the plants in the house. Mr. Lemp, Mrs. Corey testified, said with an oath:

"I'll show her who is boss."

Mrs. Corey testified that she found combings of a woman's hair in Mr. Lemp's bathroom. Sometimes the hair was light and sometimes dark. She found a woman's cuff button there and, when Mr. Lemp asked her about it, she gave it to him. He said he was glad that Mrs. Corey found it.

One afternoon Mrs. Corey saw a woman in the bathroom. At another time five or six persons were singing and drinking in the house. Some of them were women. They broke glasses and spilled beer on a rug and threw chewing gum all around. These things, Mrs. Corey testified, took place when Mrs. Lemp was out of the city.

The deposition of Gus Schmidt, clerk of a hotel at Palm Beach, Fla., stated that, while Mrs. Lemp and her son were at the hotel, a detective was there and asked for a room adjoining Mrs. Lemp's and it was given to him.

CHINESE ASK JUSTICE

(Continued From First Page.)

privileged classes of this country. Such a discrimination is very apparent from the fact that the Department of Commerce and Labor, governed by the policy of your Administration, imposes upon the citizens of Chinese descent domiciled Chinese merchants, their families, the privileged classes of Chinese under the treaty, every conceivable embarrassment which is in no way suffered by the Japanese.

"We appeal to you, Mr. President, to right the wrongs suffered by the Chinese of Reno, state of Nevada, whose property, without any due process of law, was destroyed and the occupants turned out in the street, homeless and destitute.

"We ask of you to enter a strong protest against the present school laws of California, which discriminate against Chinese children, whether citizens or aliens; and we respectfully ask you to assist us in taking these laws into the courts to test their constitutionality, as you have stated you will do regarding any law which may become such affecting Japanese children.

Inspectors Violate Law.

"It is a well-known fact that inspectors of immigration throughout the United States, where the Chinese are concerned, are violating every letter of the fourth amendment to the Constitution of the United States. Chinese are arrested, searched and their papers, the only means by which they may be identified, and save the humiliation of arrest and deportation, confiscated. Is there no remedy for preventing these people from such flagrant injustice?"

The memorial cites various alleged abuses that are charged to the United States immigration officials.

"It is a well-known fact," it states, "that under your Administration the immigration inspectors treat the Chinese en route to the East from San Francisco as if they were escaping criminals."

It is pointed out that domiciled Chinese, applying for admission to the United States, are held incommunicado while their right to enter is investigated; that Chinese homes are invaded by immigration inspectors without fear of reprimand; that Chinese are dragged from their hearths, confined in prisons, without bail, denied the advice of counsel and even refused the right to consult their own medical advisers.

Blames Departments.

Other alleged abuses are described and the memorial suggests that of course the immigration officials are merely obeying departmental rules and regulations.

President Roosevelt is asked to recommend to Congress the enactment of laws eliminating from jurisprudence the "pernicious doctrine laid down by the Supreme Court of the United States versus Ju Toy, 198 United States 253."

The memorial concludes as follows:

"The cause and effect, which prompts our call to you, lies near your mandate. Knowing your sense of justice to all people of whatever nation, class or condition, we confidently appeal to you, Mr. President, to right the wrongs suffered by native-born citizens and the subjects of the Great Empire, which since our existence as a nation has ever been a firm and good friend of this great Nation.

"The Chinese Consolidated Benevolent Association, by Ng Nom, secretary; O. P. Stidger, general counsel."

BAY STATE ENTERS PROTEST

Massachusets Board of Trade Deprecates Agitation in California.

BOSTON, Mass., Feb. 9.—Resolutions condemning the action against the Japanese in California were taken by the executive council of the Massachusetts Board of Trade at a meeting here today. The resolutions:

"The Massachusetts State Board of Trade strongly deprecates the constant agitation in California against the Japanese, and expresses a fear that its continuance will seriously affect the amicable relations between Japan and the United States.

"It gladly joins with merchants and manufacturers and other trade and commercial organizations in the United States in an effort to impress upon the people of California the unwisdom in persistent agitation against the people of a nation that has shown its title to the respect of the world at large, and one that has proven itself to be a great factor in the civilization and progressive influence of the world, and whose trade is of importance in this country."

NEVADA DELAYS JAP ACTION

Anti-Alien Bill Is Laid on Table Indefinitely.

CARSON, Nev., Feb. 9.—The Giffen anti-alien law, which was aimed to prevent Japanese and Chinese from holding lands or acting as corporation directors, came up for reading in the Senate today. The bill had been reported unfavorably by the judiciary committee of the Senate. Upon motion of Senator Boyd the bill was laid upon the table. There was no comment on the measure and the vote was unanimous.

Several of the Senators are talking of taking the bill from the table in order to press it to a vote, and there seems to be an unanimous impression that in such case the bill will not pass.

COLORADO AGAIN SNOWED IN

Passes Impassable, Railroads Are Blocked by Slides, Towns Cut Off.

DENVER, Feb. 9.—The storm which has raged throughout the state for the last 24 hours is one of the worst ever experienced in Colorado. Never before have the railroads of the state been so blockaded by snow and slides. The passes through the Rocky Mountains are nearly all blocked and traffic over the Denver & Rio Grande and Colorado Midland is almost suspended.

Poncha, Cumbres and Marshall passes are blocked with snow and Tennessee Pass was kept open with difficulty. Marshall Pass has not been closed before in many years. Thirteen snowslides are reported between Durango and Silverton. The Colorado & Southern Georgetown loop line is closed. Rio Grande eastbound train No. 6, which is 60 hours late and which narrowly missed a rockslide at the Utah line two days ago, is again blocked at Shoshone, the slide at Shoshone descending but two minutes before the arrival of the train.

Glenwood Springs reports two slides, one of which struck a stage, but injured none of the passengers. Lake City has been without a train for two days and is running out of fuel. No trains are expected there for three days.

Breckenridge is cut off from railroad communication and the mercury has not risen above 30 degrees below zero all day. The Colorado Midland tracks are blocked by a larger slide at Sellar.

At Telluride a slide in the Smuggler-Union mine buried four mules from a passing packtrain on top of the mine blacksmith shop, but no lives were lost.

Ouray reports that the Camp Bird mine has closed some of its workings in order to keep the men from localities where slides are sure to occur.

FORCE OF STORM IS BROKEN

Cold Wave Moves Northeast, and Northwest Grows Warmer.

WASHINGTON, Feb. 9.—Lower temperatures are recorded throughout the middle Mississippi Valley, the middle Atlantic states and New England, as a result of the rapid movement eastward of the Western storm, and it will be followed by rains and high winds.

Reports indicate that the force of the cold wave in the Northwest has been broken. The present storm will continue northeastward, followed by clearing and warmer weather.

TRAINS MEET HEAVY DRIFTS

South Dakota Hidden Under Curtain of Whirling White.

WATERTOWN, S. D., Feb. 9.—A blinding snow, driven by a 60-mile gale, has tied up all trains in and about Watertown today.

The Northwestern passenger train for St. Paul, leaving here at 5 o'clock last night, is stuck in a drift between Balaton and Tyler, Minn. All other trains have been annulled.

Eight-Foot Drift in Streets.

ALBERT LEA, Minn., Feb. 9.—A heavy northwest snow storm prevailed all last night and today. Trains are delayed and all kinds of traffic is practically abandoned. Drifts are eight feet high in the streets.

SENATE TO GIVE HEARING

Flooding of Valley and Closing of Yosemite Land to Visitors Strenuously Condemned by Many Clubs.

WASHINGTON, Feb. 9.—Representatives of several well-known National organizations are here to appear tomorrow before the Senate committee on public lands in opposition to the joint Perkins-Smith resolution authorizing San Francisco to exchange land outside the Hetch-Hetchy Valley, in Yosemite Park, for lands inside the valley for a source of water supply.

Alden Sampson will appear for the Sierra Club; J. H. McFarland, president of the American Civic Association, for that body; Henry E. Gregory, of New York, for the American Scenic and Historic Preservation Society; Edmund A. Whitman, of Cambridge, Mass., for the Appalachian Mountain Society; Miss Harriet Monroe, for several associations in Chicago, and Robert Underwood Johnson, editor of the Century Magazine, will speak.

"Mr. Whitman, a Boston lawyer," said Mr. Johnson tonight, "will present an argument tending to show that it was a usurpation of authority on the part of Secretary Garfield to make the grant. Mr. McFarland will deal with the value of natural beauty and with the exclusion of the public from the watershed in order to keep the water supply free from pollution.

"The other speakers will combat the idea that it is necessary for San Francisco to invade beautiful Yosemite Park, a source of just pride to all true Americans, to secure water. They will cite the authority of engineers to prove that there are abundant sources of water for the city. As the Garfield grant implies the flooding of the valley by the erection of a dam 150 feet high, we will make vigorous protest against the destruction of the natural beauty of the valley.

"From present indications, we are encouraged to believe that neither the Senate nor the House will pass the resolution. Protests against it have come in from all over the country."

The attraction at the Heilig Theater, Fourteenth and Washington streets, for three nights, beginning tomorrow (Thursday) with a special matinee Saturday afternoon, will be the charming singing comedienne, Corinne, and her excellent company, who will be seen in the brilliant musical play, "Lola From Berlin." This merry offering includes several well-known people, has a beauty chorus that will cause comment and is filled with tuneful melodies. Seats are now selling at theater.

"The Wolf" Next Sunday.

Eugene Walter, who wrote "Paid in Full," which recently appeared at the Heilig Theater, will have his latest success, "The Wolf," a tale of the Canadian woods, told at the above theater for four nights, beginning next Sunday, February 14, with a special matinee Wednesday. Included in the excellent cast of players will be found a great Portland favorite, Andrew Robson. This will prove one of the season's greatest dramatic treats.

Mme. Yale's Hair Tonic

FOR CHILDREN AND ADULTS

Antiseptic and Hygienic

A Hair Invigorator—Just what its name implies. It supplies nourishment, the elements of growth, which when absorbed by the hair, strengthens and beautifies it. It is the same way that sap glorifies the foliage of a tree. Even where the follicles are seemingly dead, if the scalp is massaged daily with Mme. Yale's Hair Tonic a vigorous growth will be produced. It has honestly earned its title of "the great hair grower." It stimulates the most stunted growth and makes the hair magnificently healthy and beautiful. By its use women can provide themselves with a trailing mantle of hair—woman's natural raiment, her birthright.

Mme. Yale's Hair Tonic is prized equally by men and women, particularly when the hair begins to weaken or fade. Cures baldness, grayness, splitting of the hair, dandruff and all diseases of the hair, scalp and beard. One application usually stops hair falling. A nursery requisite; no mother should neglect to use it for her boys and girls; when the hair is made strong in childhood it remains proof against diseases and retains its vigor and youthfulness throughout life.

Mme. Yale's Hair Tonic is a colorless, fragrant, delightful hair dressing; neither sticky, gritty, nor greasy; makes the hair soft, fluffy and glossy. Contains no artificial coloring; would not soil the whitest hair; restores original color by invigorating the scalp and re-establishing normal circulation and proper distribution of the live coloring matter. Beautiful hair redeems the plainest countenance, and anyone can secure it by using Mme. Yale's Hair Tonic. Now in three sizes. Our special price

Walk To Your Meals Like A Man

Eat What You Will and Learn to Enjoy Food and to Digest It.

HERE'S THE SECRET, FREE.

Make up your mind after reading this that you will let the next meal hold no terrors for you.

You can enjoy it. You can digest it. All that is needed is to give nature the juices she lacks, to give the stomach a chance to remove the terrible irritating acids, alkalies and gases which turn food and nourishment into gas and decomposition.

When a system is run down and depleted it needs building up. Ashes won't rekindle a fire and wrong digestive fluids will not take proper juices from food no matter how good the food is.

Is this common sense? Men spend years and even life experimenting on the human system, what it lacks in disease and what it needs in perfection. This knowledge is known to every physician or should be. Stuart's Dyspepsia Tablets are compressed natural vegetable and fruit essences which when mixed with the saliva of the mouth go into the stomach capable of digesting a full meal and they digest it to the uttermost shred. Then such a meal does a man good and it gives to him the means to overcome stomach troubles. Forty thousand physicians use these tablets and charge you for writing a testimonial of their merit which they call a prescription. Any druggist in America or Canada will sell you a box for 50c. Think of it. Every druggist carries them. Here's common sense again. Don't this tell you there is merit? Go to your druggist today, buy a package and walk up to your meals knowing that they will not cause you pain. Send us your name and address and we will send you a trial package by mail free.
