President-elect Tells People of New Orleans Pressure Needed to Get Action by Congress on Bond Issue.

NEW ORLEANS, Feb. 12.-Declaring that every cent spent on the Panama Canal had been expended in the interest of the Government and that not one dollar had been traced to graft, President-elect Taft tonight challenged the critics of the Government to produce evidence to the contrary. Speaking at the Creole banquet, he approved the plan to issue bonds for the construction of the Lakesto-Gulf waterway.

Mr. Tait devoted this morning to the negro race and this afternoon to leisure. Tonight he was the guest of honor at the Creole banquet given at the Grunewald foiel. A thousand citizens paid the as-comment of \$35 each for places at the oard and considerably over half of these

Although conferences during the day were held between Mr. Taft and Mr. Hitchcock, his Postmaster-General, and Assistant Treasurer Upham of the National Republican Committee, nothing definite was obtainable regarding the un-decided places in the Cabinet.

This afternoon the city's distinguished guest spent his time at the Country Club, which not only afforded the opportunity for a select luncheon party, in which Mrs. Taft was also a participant, but a chance for what will doubtless be the last game of golf Mr. Taff will indulge in for many months.

Since Congress decided four years ago to build the present type of canal, he declared, nothing had occurred to change the plans. He regretted what he termed "unfounded criticism." To change the type of the caral now would, he said, "be to dishearten the splendid corps of workers on the Isthmus with disastrous results," He concluded with a warm tribute to Colonel Goethals, in charge of the work.

This is made possible by the fact that we have our own Vegetable Farm, Beautiful Dairy Farm, Pig Ranch, supplying SUCKLING PIGS and COUNTRY SAUSAGE; the

SQUAB RANCH, with 60,000 PIGEONS; AND WE KNOW OUR BUSI. NESS. Would Be Pleased to Send You Booklet.
