Urging the adoption of the provision, Fulton declared there are great interests on the Pacific Coast which need protection, and there is more danger of sttacks being made on that coast than on the Atlantic seaboard.

At Hale's suggestion the provision was amended so as to leave the question of the division to the Secretary of the Navy, and later this was amended at Bacon's suggestion so as to give the discretion to the President.

Attacks Navy-yard Graft.

Senator from the Rocky Mountains who the House of Commons. It descended has come here to tell us how to build at Croydon. a Navy.

"It is," he continued, "easier to sit on a mountain peak out in Montana and CALL SPECIAL ELECTION read magazine criticisms of the Navy than to run the Navy."

Replying to Tillman, who charged him with being prejudiced against the Southern yards, Dixon said he was a South erner and had no such prejudice, and that, so far as he knew, Charleston might be the best place for a great naval sta-

McEnery, of Louisiana, declared hostility in the Navy Department against the navy-yards of Louisiana prevented any ship from being sent there for repairs.

No Muckraking, Says Tillman.

Dixon insisted that the naval committee was composed almost entirely of Senators who had navy-yards in their states, but Hale and Tillman suggested similar | Mayor Harper, conditions in other communities. Tillman objected to bringing "muckraking" into the Senate.

Tillman declared that there was a "clique in the Navy Department who wanted to break up the Charleston Navy-yard." Dixon replied that he only spoke in favor of consolidation.

"If I stood indicted in this article," sald Dixon, referring to a magazine article, "I would answer it. I think it is a matter of self-respect that the Senate, Congress and the Administration should answer these charges, which are made openly. The people of the country believe these articles, whether we do or not."

Dixon strenuously denied filibustering against the bill, contending he had California House Forbids Seeing the same rights as any other Senator, and feelingly suggested that he willing to acknowledge Hale's leadership in the Senate. Dixon declared "we don't know where we are that driving" in making these appropriations and pointed out that "we are confronted by a dehcit of \$150,000,000."

Keep Marines on Ships.

After an extended discussion upon the wisdom of keeping marines or board warships and upon the constitutional power of the President to com mand the Army and Navy, the Senate Fairbanks Plans Trip Around the adopted a committee amendment directing that the appropriation for the marines should only be available in the event of their being quartered on board the ships of the Navy, according-

Wright, Defying Etiquette.

MADRID, Feb. 16 .- A member of King Alfonso's immediate entourage says that the king several times expressed his determination to make an aeroplane flight with Wilbur Wright, the American aeroplanist, who is conducting a series of flights at Pau. The whole court is opposed to the idea on the ground that it would be a breach of etiquette, but the informant added that, when his majesty makes up his mind to do a thinng, nothing can stop him.

POLICE CAPTURE BRUTE

Gagle Confesses to Series of Degen-

erate Crimes.

CHICAGO, Feb. 16 .- William Gagie, arrested here yesterday, confessed today, according to the police, to the murder of 9-year-old Ella Schrader, near Gary, Ill. He said he tried to lure the child into the woods, and when the latter refused he sprang at her and choked her to death. Gagle was identified by Maud Weiland as the man who had lured her into the country near Gary. After a terrifying experience, she escaped. A similar experience and story were given the police by Stella Urbanek.

BARRETT WINS ELECTION Reform Candidate Has Heavy Ma-

jority in Philadelphia.
