MRS. LEMP GIVEN DIVORCE

ALSO CUSTODY OF CHILD AND \$6000 YEARLY.

Court Grants Decree on Ground of Desertion Alone, Saying Other Charges Not Proven.

ST. LOUIS, Feb. 18.—A decree of divorce with alimony of \$6000 a year and the custody of her son was awarded Mrs. William J. Lemp, Jr., by Judge Hitchcock in the Circuit Court here today. The decision followed a sensational trial which lasted more than a week and closed Tuesday last. Judge Hitchcock stated that the sole grounds for divorce recognized by him was desertion. It had been established, he said, that Lemp had absented himself from Mrs. Lemp for a year. The plaintiff is not entitled to a decree on any other ground stated in her petition, said the court. "The issues on these grounds are decided in favor of the defendant." Mr. Lemp is given the custody of the 7-year-old boy from Saturday morning to Sunday evening of each week. Mrs. Lemp has contended strenuously for an award of alimony in gross, her attorney asking for \$500,000. This would have given her an income of more than three times the allowance granted by the court. The net result of the suit is regarded somewhat as a compromise. The suit was filed by Mrs. Lemp last autumn. It was followed shortly by

The prospects today point to a successful outcome of the labors of the conference.

DIRECT VOTE IS FAVORED

California Senate Believes in It Two to One.

SACRAMENTO, Cal., Feb. 18.—The fate of the Wright-Stanton direct primary bill in the Senate was determined today when a test vote on a resolution to send it back to committee showed 27 Senators in favor of the original bill and 12 against it. This puts the Senate on record as favoring the election of United States Senators by direct vote of the people. When the bill comes up for final passage, the rollcall will not be materially different. It is thought that the vote in the Assembly

KILLS WOMAN; THEN SELF

T. H. BENNETT AUTHOR OF TRAGEDY AT SEATTLE.

Mrs. Minnie Colville, Victim, Lived With Bennett Seven Years as His Wife.

SEATTLE, Feb. 18.—T. H. Bennett, of Eureka, Cal., who arrived in Seattle a few days ago, at 9 o'clock this morning, shot and killed Mrs. Minnie Colville, recently of Los Angeles, who was known as Mrs. Bennett, then turned the revolver upon himself, dying at a hospital. Mrs. Colville is the undivorced wife of T. P. Colville and prior to her arrival here had lived with Bennett as his wife for seven years, then deserted him and came to Seattle with her 15-year-old daughter, Neva Esther Colville, who was the only witness of the tragedy today. Bennett desired to take his 6-year-old son, Joseph, to Eureka to place in the child's grandmother's care, but the woman objected and the murder and probable suicide resulted. Bennett was 38 and the woman 33 years old. The police this afternoon found a letter addressed by Bennett to his sister, Mrs. W. H. Whalmsey, Station 5, Oceanview, San Francisco, in which he asks her to care for his son, Joseph, in case anything happened. The sister is asked to guard from this son the father's contemplated act. Thomas E. Colville, husband of the

LIVED NEAR EUREKA 6 YEARS

Mrs. Colville Was Regarded as Bennett's Wife.

EUREKA, Cal., Feb. 18.—Thomas Henry Bennett, author of the double tragedy at Seattle, was a resident of Rohnerville, 29 miles south of Eureka, for the last six years. He owned a fruit drier there. He left with his son, Joseph, three weeks ago, and failed to return. His mother, Mrs. E. A. Bennett, 80 years old, is at Rohnerville, awaiting his return. People here believed that Mrs. Colville was his wife.

JURY SAYS BANKER GUILTY

W. W. Ramsey, Liable to 14 Years and Heavy Fine, Asks New Trial.

PITTSBURG, Feb. 18.—W. W. Ramsey, ex-president of the German National Bank, was found guilty today in connection with the recent graft exposures. Ramsey was accused of bribing Councilman John F. Klein by giving him \$17,500, for which Klein was to secure the passage of an ordinance making the bank a depository for city funds. It was learned this afternoon that Ramsey's attorneys will ask for a new trial. Under the verdict the defendant is liable to a sentence of 14 years and a fine of \$22,000. Immediately following the Ramsey verdict, Councilman Klein was placed on trial on a charge of collecting a bribe.

THREE FIREMEN INJURED

GAS EXPLOSION BLOWS LADDER TO STREET.

Attempt to Rescue Chinese From Burning Building Results in Many Serious Injuries.

SAN FRANCISCO, Feb. 18.—Three firemen were seriously injured today by an explosion of gas which blew a ladder from a third-story window, where it had been placed to rescue several Chinese women who were in danger of being burned to death. The fire started in the rear of the Wing Hing Lung Company's store on Grant avenue, and spread with great rapidity to the adjoining store of Shun Wing Tung, the headquarters of the Afoong Lung Company, and a lodging-house occupied by Chinese. The frightened inmates of the lodging-house, whose escape by the stairways was cut off, rushed to the windows and shouted for help. A ladder was hastily raised and Fire Lieutenant Jerry Collins was reaching toward a window to take a Chinese woman down to safety, when the accumulated gas in the building exploded, hurling the ladder and firemen into the street. Lieutenant Collins was thrown to the sidewalk and severely injured, several ribs being broken. Fireman J. Wherry and William Jeffers, who were holding the ladder, were badly hurt by the fall of Lieutenant Collins and the ladder upon them. Many Chinese narrowly escaped death

OBJECT TO PANAMA LINE

California's Lower House Is Good Friend of Harriman.

SACRAMENTO, Cal., Feb. 18.—By a vote of 43 to 30, the amendment by Assemblyman Grove L. Johnson, of Sacramento, striking out all references to the report of United States Senator Joseph L. Bristow, of Kansas, special Panama Railroad Commissioner, in the resolution by Senator J. B. Sanford, calling upon Congress to establish a Government-owned line of steamships between California ports and Panama was made this afternoon by the lower House of the Legislature. This places the Assembly on record as being opposed to the proposed plan to establish a steamship line to compete with the Harriman interests.

DRAWNS VEIL OVER HIS PAST

Hector Morrison Dies in Poorhouse Refusing to Reveal Secret.

HILLSBORO, Or., Feb. 18.—(Special.)—Mrs. Mary Mott, aged 80 years, and Hector Morrison, aged 47, died at the poorfarm, a mile east of this city, this week, and were buried in the paupers' field. Morrison was a well-educated man, but refused to tell anything of his past life, nor of the whereabouts of his relatives. He was admitted to the county farm but a short time ago.

DOG FIGHT IN COURTROOM

SERIO - COMIC TRIAL FOR HORSEWHIPPING.

Mrs. Tutts, Who Thrashed Sparks Police Official, Eventually Is Fined \$75.

SPARKS, Nev., Feb. 18.—Mrs. Tutts, the woman who publicly horsewhipped Assistant Chief of Police Weese on Tuesday, claiming that he had slandered her, was found guilty of disturbing the peace and fined \$75 after a comedy trial in the Police Court last evening. The trial occupied three hours and was filled with amusing wrangles. Tutts the Constable and City Attorney came near engaging in personal encounters. A dogfight in the courtroom enlivened the proceedings and made the courtroom resemble a prize-ring. Mrs. Tutts says that because the Judge and City Attorney were personal friends of the man she whipped, she was unable to secure a fair trial and will appeal the case. Tutts, her husband, was arrested by her victim for carrying a concealed weapon and found guilty, but has not yet been sentenced. Santa Fe, N. M.—Acting Governor Jaffa Thursday signed the bill giving to the American Institute of Archaeology at Washington, D. C., the use of the historic old palace at Santa Fe for the establishment of the School of American Archaeology and granting \$12,500 for the establishment of a state museum in connection therewith.
