## ST. PAUL TO DRIVE **GOLD SPIKE, APR. 2**

Ceremony Near Missoula to Mark Completion of Line to Coast.

#### BOND OF STEEL COMPLETE

Pacific Coast Will Have Another Transcontinental Line in Operation Within Few More Months.

SEATTLE, Wash, Feb. 23 .- (Special,) -April 2, if nothing intervenes, will be a big day in the history of the Chicago, Milwaukee & Puget Sound Railway. In fact, it will be, a great day over the entire Milwaukee system, for on April 2, at 2 o'clock in the afternoon, the golden spike, significant of the completion of another transcontinental line, will be driven in one of the ties of the Milwaukee road at Gold Creek, two miles east of Missoula, Mont.

The Columbia River bridge was completed Sunday, the St. Paul pass tunnel, the Johnson Creek tunnel and the track between Garrison and Missoula will be

between Garrison and Missoula will be finished in 40 days, after which there will be a few weeks necessary to put the road in condition.

Two miles east of Missoula has been selected as the place to drive the golden spike, and by a strange coincidence it was in the Bitter Root Canyon that the golden spike of the Northern Pacific was driven, although some miles distant from the spot selected for the finishing mark of the Milwaukee.

The completion of the \$1,000,000 bridge across the Columbia River is alone a great epoch in the building of the Milwaukee road.

alone a great epoch in the building of the Milwaukee road.

Within three weeks the track will be connected between the gaps that now exist between Johnson Creek and Ellensburg. In the Taft tunnel and in the Bitter Root Valley there are a few culverts to be put in place and the Milwaukee will then have a steel connection between Seattle and Chicago. President Earling of the parent Milwaukee compans, President Williams of the Puget Sound line, Vice-President Ingersoil and many other officials, especially the big stockholders, will be present. It is anticipated that W. G. Rockefelier and other notables will be there also.

WATER-USERS KEEP FAITH Will Comply With Government Contract Concerning Payments.

KLAMATH FALLS, Or., Feb. 23 .- (Speial.)-At the meeting of the directors of the Klamath Water Users' Association this afternoon, a resolution was adopted notifying the Secretary of the Interior NINE that, so far as is in their power, they will comply with the contract made with the Reclamation Service as to the payment of the cost of the first unit of the Klamath project as announced by the Survivors Have Food and Light and

Secretary.
It is thought that letters lately received by the Department from the directors have led to the belief that the water users meant to repudiate their contract as to this payment, hence work was suspended on the project outside of the first unit. It is believed that this decisive action on

Tunnel for Seattle Sewer Is Scene of Disaster.

STILL ENTOMBED

Tell Friends Not to Be Anxious. Two Gangs Are Now at

Rescue Work.

SEATTLE, Feb. 23.-A cavein occurred this morning in the tunnel which is being driven for the northern trunk sewer and buried beneath 700 tons of earth 11 men, two of whom were crushed to death, while nine are entombed in the tunnel beyond the cavein.

August Stangle and Duncan Robertson entombed men are in a clear space to tunnel 12 feet in diameter and set long. Communication was established with them by driving a two-inch pipe through the fallen dirt with a battering ram. Electric light wires have been passed through the pipes, and the men are provided with light. Food and water are furnished through the same

The entombed men have no fear of a further cavelu, and seem cheerful in their position. Sends Word to Wife.

John D. Harrington, an expert miner, who is one of the imprisoned nine, when asked if there was any word he cared to have sent to his friends, replied:
"You tell my wife, if you will, that I am working a double shift today and I will not be home until tomerrow."

A large crew of men are driving a drift through the fallen earth as rapidly as possible to reach the prisoners. Extra men stand by to relieve the workers every half hour. Although provided with tools, the men entombed have been given instructions to make no attempt to work instructions to make no attempt to work their way out.

SUIT INVOLVING VALUABLE PROPERTY IS FILED.

G. H. Chauncey, of California, Asserts He Is Rightful Owner to Share of City's Real Estate.

Sult was filed in the local Circuit Court this morning by Attorney S. Jackson on behalf of George H. Chauncoy, of Callfornia, against 267 property-owners of Roseburg. Chauncey, the plaintiff, was one of the heirs of Sarah Rose, the wife of Aaron Rose, the founder of Roseburg and after. and after she died Mr. Rose failed to secure the signature of Mr. Chauncey among the other heirs to her property. which consisted of a donation land claim

The property is now a part of the residence section of Roseburg, and Mr. Chauncey asks that these property-own-ers now pay him what he would be entitled to as an heir of Mrs. Rose. The reason that Chauncey's signature was not secured to the deed to Mr. Rose was that he could not be located. It was not until a few months ago that his address was discovered, when he applied for a ension, and was located through that epartment. Among the defendants to the suit are

the owners of some of Roseburg's finest homes. These will fight the case, al-though no action has as yet been taken. G. G. Schmitt, a local attorney has been cited to appear before Justice of the Peace Olson at 2 P. M. today for contempt of court.

The suit is difficult to estimate, our train the fact that unimproved lots are selling at from \$300 to \$500 it will be seen that should Chaincey succeed in securing contempt of the proceedings is said.

### MARTYN SUCCEEDS MORRIS

Dispatcher at Roseburg to Become Assistant Superintendent.

ROSEBURG, Or., Feb. 23 .- (Special.)-G. C. Morris has resigned as assistant superintendent of the Southern Pacific lines in Oregon, and will be succeeded by C. W. Martyn, at present chief train dis-patcher at this city.

Confirmation of the above report was received last night from officials of the Harriman lines in Oregon. Mr. Morris was born in Salem and entered the service of the Southern Pacific about 1883 and was for years in the dispatcher's de-partment in this city and was chief dispatcher when made successively division superintendent and afterward assistant

superintendent.

He resigned his position with the Southern Pacific to become superintend-ent of the United Railways of Portland, and will assume his duties as soon as his successor, Mr. Martyn, can familiarize himself with his new duties. Mr. Martyn is also a Portland man.

#### Hobos Steal Logging Engine.

TACOMA, Feb. 23.—About 5 o'clock this morning two hobes took a legging engine, just repaired at the Pacific-Boller Works, and ran it out on the main line of the Tacoma Eastern Railroad about a couple of miles from the city station, up a heavy grade, where they abandoned it. An hour or so later a logging train com-ing down the hill collided with the dere-lict engine, knocking it off the track. Little damage was done aside from de-laying traffic about three hours.

## The Stomach of the Child

Is the Organ All Parents Should Protect and Keep Normal.

The stomach of a child is the organ above all others upon which the future of a child depends. Bedily development is fast in children, and the nourishment necessary to meet such development is the one essential demanded from a parent. Most mothers and fathers jealously guard a child from the formation of pad habits, yet in this age our children early become the victims of wrong food, over eating and irregular

It is most appailing to know the ef-fect of stomach troubles among our Most children who are nervous, irritable and cross, who dream, sleep restlessly, who tire easily and have no de-sire for child exercise, generally have
