WILL BUILD TWO RESERVOIRS.—The
construction of two reservoirs is included
in the plans for the improvement of the
water plant at Mount Tabor. There will
be one on a level with the upper reservoir,
or No. 1, and an intermediate reser-
voir on West avenue, which will be
the larger one, with a capacity of at
least 500,000 gallons. Dr. C. H. Rafferty,
chairman of the Water Board, went over
the ground on the west side of Mount
Tabor, where land is being secured, yester-
day morning, and when he returned he
said the sites for both reservoirs in his
judgment were ideal. He expressed the
opinion that there should be no delay in
securing the land needed so that the
actual work of construction can be
started early this year. One piece, the
Walker tract, of 12 1/2 acres, has been paid
for, and the others are being secured.
Dr. Rafferty said that Engineer Clarke
had prepared plans for the reservoir and
that he expected to have them completed
this fall. With the two extra reservoirs
completed the construction of the second
water line from Bull Run will be simplified,
as rights of way have already been
obtained and graded, and bridges built.

INVESTIGATING GARBAGE QUESTION.—The
East Side Business Men's Club and the
North East Side Improvement Associa-
tion have special committees at work in-
vestigating the garbage problem. Dr.
M. G. McCorkle is chairman of the
former committee, and has sent out let-
ters to many of the leading cities of
the United States. Replies are now being
received from the cities, and within a
short time a report will be compiled from
these replies to show what methods are
mostly in use. While Dr. McCorkle has
yet made no report it is announced that
as far as his investigation has gone the
results are against erecting incinerators
inside the city limits. The committee of
the North East Side Improvement Associa-
tion is investigating along the same
line, but largely to show that it would
be economy for the city to let a contract
to a private firm to collect and dispose
of the garbage. All the clubs are waiting
the outcome of these investigations, but
they are practically a unit already
against erection of an incinerator inside
the city limits, notwithstanding the recom-
mendations of the Board of Health that
this be done.

RECEIVER FOR JEWELRY FIRM.—H. S.
Tutthill was appointed receiver in a peti-
tion in bankruptcy filed before Judge
Wolverton in the Federal court yester-
day by some creditors of G. A. Metzger,
a jeweler doing business at 312 Washing-
ton street. The receiver's bond was fixed
in the sum of \$15,000. The assets of the
business conducted by Metzger are es-
timated at \$15,000 and it is believed the
liabilities will total approximately the
same amount. The petition filed sets out
that Metzger has committed an act of
bankruptcy within the last four months,
the charge being that in that time he
turned over all of his property to Robert
L. Sabin without obtaining the consent of
those to whom he was indebted. Harry
Field Bros., Wordman Bros. Co. and H.
S. Tutthill & Co. are described as the
main local creditors, and a number of
others are merchants doing business in
outside states.

CORAN MISSIONARIES COMING.—Dr. and
Mrs. H. H. Underwood, Professor H. B.
Harburt, O. E. Avison, M. D., and
Rev. and Mrs. E. P. Horace, of Presby-
terian Coran missionaries who are to
speak in the local Presbyterian churches
tomorrow morning, will arrive in Port-
land at 7:15 o'clock this morning. They
are on the Southern Pacific train from
San Francisco, where they addressed
Presbyterians last Sunday, going there
from Los Angeles. They will be taken
to breakfast at the Hotel Perkins by Dr.
and Mrs. William Hiram Foulkes and
Rev. and Mrs. E. M. Sharp.

EPWORTH LEAGUE RALLY.—The third
quarterly rally of Portland District Ep-
worth League will be held at the Ep-
worth day night in the Mount Tabor Methodist
Episcopal Church. Dr. Fletcher Homan,

denominational school at Salem, will be
the chief speaker. A musical and literary
club chapter, including a "got acquainted"
hour after Dr. Homan's address. Dele-
gations from all of the churches in the
district are expected to be in attendance.

TEACHERS' INFLUENCE.—Dr. Myers
addressed the Mothers' and Teachers' Club
of the Arleta school yesterday afternoon
on the topic, "The Teacher's Influence in
the Home." The address was filled with
instructive suggestions and commanded
close attention. In connection with the
address the children of Arleta school
made a musical program. There was
a large attendance of mothers and
friends.

Forum tomorrow night in Salling-Hirsch
hall, on "Shall We Permit the State to

Borders?" The meeting will be opened
at 8 o'clock. The public is invited.

EXEMPTION CASE CONTINUED.—D. H.
Williams, accused of having embezzled from
the Leatherworkers' Union four
years ago, was to have been arraigned in
the Justice Court yesterday, but the case
was continued. Williams said to have
made his way to Mexico after the money
was taken, and returned lately.

MAKING PROGRESS ON FILL.—The Pacific
Bridge Company is making two
fills east of Union avenue at present.
East Washington street, between East
Seventh and Ninth streets, is being filled
slowly, owing to the removal of the
truss, but the work is progressing. On
East Ninth street across Stephen's slough
a fill of over 600 feet is being made,
about two-thirds having been completed.
This fill is progressing rapidly and by
April 1 the last car load of sand will
likely be dumped here. This embank-
ment is highly important, as the elevated
roadways on East Eighth street and
Grand avenue, across Stephen's slough,
are in bad condition. The Grand avenue
roadway is to be replaced with an em-
bankment the coming summer. With
the East Ninth-street embankment com-
pleted there will be no danger of Brook-
lyn being isolated by the Railway being
put out of commission. East Eighth
street will next be filled northward from
East Morrison street to East Washington,
a distance of two blocks. East Sixth will
be filled between East Washington and
East Oak, two blocks, part of which has
already been filled by dump wagons. This
week the embankment on Belmont street,
between Ninth and Tenth street, is being
completed.

BOYS RUN AWAY AGAIN.—Louis and
Willie Saitman, of 656 Baker street, who
told Chief Probation Officer West that
they had been kidnapped in Winnipeg,
Canada, and made their escape after
being brought to Portland, ran away
from home a second time Thursday
dinner, and had gone to the Felling
school to make arrangements to have
them take up their studies yesterday. The
two lads were caught at Hillsboro by
Sheriff Hancock yesterday morning. The
letter phoned to Mr. Teuscher yesterday
afternoon that the lads were traveling
under the name of Schwartz. Louis is 13
years old, and Willie 11, but the latter
acts as spokesman for the two.

KAVANAUGH TO RUN AGAIN.—City At-
torney Kavanaugh will be a candidate for
re-election at the coming municipal elec-
tion. Mr. Kavanaugh came to this
decision only a day or two ago. He will
in a short time file notice of intention to
become a candidate with the City Audi-
tor. This decision is a matter of gratifica-
tion to Mr. Kavanaugh's friends who
have urged him to run again for the
office, which they feel he has ably
administered during the past two years.

WILL NOT USE INITIATIVE

NEW CHARTER WILL COME UP
IN REGULAR ORDER.

McGinn Says Danger Is That Offi-
cers Named in June Will Not
Call Special Election.

The report that the framers of the new
charter contemplate a move in the nature
of a recourse to the initiative to bring
the charter before the people, is without
foundation, according to Judge Henry E.
McGinn. In a conversation yesterday,
Judge McGinn pointed out that under the
provisions of the initiative the charter
could not be submitted to the voters un-
til the general election in June, and that
the Council would do that without doubt,
anyway, the vote then being simply as
a matter of deduction to conclude that
these two tiny wanderers were away from
home without parental consent.

BAD BLUNDER BY POLICE
Sergeant Kienlen and Bluecoat In-
vade Room of Married Couple.

Complaint was made to the District At-
torney's office yesterday of the highland
intrusion of a room occupied by Frank
Walpole and his wife. They were awak-
ened at 6 o'clock yesterday morning by
members of the police squad devoted to expurga-
tion of the city's morals. Sergeant Kienlen
and an officer in uniform, whose
name has not yet been disclosed, were
the early morning visitors at the Walpole
apartments. They were acting on informa-
tion given them by a "neighborhood
gossip, of the female persuasion. It is al-
leged.

Walpole, a stage carpenter employed
at the Baker Theater, lives with his wife
and baby in a lodging-house at 330 Ever-
ett street. They were awakened by the
pounding of the officers on the door of
their room. Mrs. Walpole answered and
on opening the door was blinded by the
rays of an electric flash lantern, so she
says. Kienlen demanded to know who
the man was in the room. She replied
that it was her husband and offered to ex-
hibit their marriage certificate. Satis-
fied that an error had been made, the offi-
cers left.

man in the uniform began asking ques-
tions, but the bride-to-be had courage to
speak. Quite unabashed, she slipped an
infantile explanation of the fact that they
were going to show show and after that
in June to request to call a special elec-
tion for the purpose of determining
whether the new charter should become a
law, and by so doing, remain in their
official positions, under the present char-
ter, until their terms expired. The com-
plication to be feared, he said, is that
the charter may be voted on favorably
at the June election and yet be precipi-
tately abolished by the officials elected at
that time refusing or neglecting to call
a special election to have it voted on for
adoption or rejection. The charter also
might be overlooked and fall of approval
at the June election, where so many other
issues were before the voters, and
Judge McGinn considered it unfortunate
that the question of its submission should
not have been put before the people
squarely in a special election.

Councilmen would, by refusing to act,
receive only a \$300 salary instead of a
\$500 salary, and the question of getting
the best possible men for the places
would be in as much of a chaos as ever.
The entire matter would have to lay over
until the next general election, even if
voted on favorably in June, unless the
Mayor and Council saw fit to call a special
election.

later taken to his home at 111 Seventh

HIT THE SPOT
Postum Knocked Out Coffee Ails.

There's a good deal of satisfaction

he could scarcely eat at times.

fast I would taste it all day and usual-
ly go to get with a headache.
"Once day father brought home a pkg.
of Postum recommended by our grocer.
Mother made it according to directions
on the box and it just 'hit the spot.'
It has a dark real-brown color, chang-
ing to golden brown when cream is
added, and a snappy taste similar to
mild, high-grade coffee, and we found
that its continued use speedily put an
end to all our coffee ills.

been a standing order of father's

mitted that it hurt him. When I men-

an atmosphere which nothing else can

will find its way to your home if you
will bring us but \$10 cash; a player
piano if you will bring us \$25 cash.
Why should you be without music during
