WASHINGTON, March 2.—Seven members of the committee on judiciary signed a report that President Roosevelt had acted without authority of law when he sanctioned the absorption of the Tennessee Coal & Iron Company by the United States Steel Corporation. LOS ANGELES, Cal., March 2.—(Special.)—More than 4000 persons looked in the age-furrowed, almost smiling face of "Lucky" Baldwin today while the turfman's body lay in state in a 2300 bronze casket in the palatial ranch-house at Santa Anita. A hour before the doors of the "cottage" were opened a long line had formed under the trees of the avenue approach and until closing time a steady stream of humanity moved through.
