

BRITAIN KEEPS UP NAVAL SUPREMACY

Estimate for Naval Year Contains Four Monster Battle Vessels.

MAY INCREASE LIST LATER

Nearly \$15,000,000 Included in Budget, to Provide for Big Vessels, Cruisers, Submarines and Airships.

LONDON, March 12.—The British naval estimates, which were issued tonight, and show an increase of close to \$15,000,000 over the estimate of last year, possibly will fall to please the big men of the navy, but they fully prove that it is the government's determination to keep pace with the other naval powers, and that no halt is likely to be called in the international competition for superior naval armaments.

No Direct Comparison Made.

The report of Reginald McKenna, First Lord of the Admiralty, naturally makes no reference to foreign powers, and further light on the government's intention must be awaited until the estimates are discussed in parliament.

Powerful Fleet at Home.

Mr. McKenna says two of the new "Dreadnaughts" were commenced in July and the other two in November, 1908. He also announces the absorption of the Channel fleet into the Home fleet, as announced in these dispatches, which will place 22 fully manned battleships and 14 fully manned armored cruisers in the home waters.

Leutenant Loop Pleads Guilty.

SAN FRANCISCO, March 12.—Leutenant S. P. Loop, of the Twenty-fifth Coast Artillery, U. S. A., stationed at Fort Miley, against whom a charge of desertion was pending, pleaded guilty before the general court-martial at the Presidio.

PASTOR PITTS ACCUSED

Ell Huddle Asks \$10,000 for Alienation of Wife's Affections.

OREGON CITY, Or., March 12.—(Special.)—Suit has been filed in the Circuit Court of Clackamas County by Ell Huddle, of Damascus, against the Rev. J. W. Pitts, of Gresham, the charge being that the minister of the gospel has alienated the affections of Huddle's wife, and asks for \$10,000.

Mr. and Mrs. Huddle were married January 8, 1882, and four children is the result of this union. Mr. Pitts has been conducting religious services at Damascus, Clackamas County, since May, 1908, representing himself to be a Free Methodist evangelist. Mrs. Huddle had been a member of the Free Methodist Church for many years prior to the time Rev. Pitts started to preach there.

MAKING CHINESE DOCTORS

Appeal for \$500,000 to Start Medical College and Schools.

LONDON, March 12.—The Chinese emergency appeal committee, of which Sir Robert Hart, formerly inspector-general of customs in China, is president, today issued a non-sectarian appeal for \$500,000 for the purpose of developing a medical college at Peking and three medical schools elsewhere. The idea is to provide a thorough medical training upon modern lines for the Chinese.

OLD MAN STRUCK BY CAR

Terrance Furey Meets Accident at Vancouver, but Recovers.

VANCOUVER, Wash., March 12.—(Special.)—Terrance Furey, an old man and very deaf, was struck by a streetcar this morning as he was crossing Main street. The fender plucked him up and he was thrown against the car and then onto the pavement. He suffered a slight concussion of the skull.

CITIZENS ARREST FIGHTERS

No Policeman in Sight and Bystanders Take Law Into Own Hands.

There being no police in sight and none available apparently to prevent two men who were fighting violently from seriously injuring each other, Dr. W. L. Arms-

strong and M. E. Gibson, two private citizens, took the law into their own hands last night and arrested Harry Taconson, a Russian, aged 22, and Frank Marlowe, aged 25, laboring men. Taconson and Marlowe got into an altercation over a \$10 debt and were attacking each other savagely at the corner of Second and Market streets.

The affray was noticed by Dr. Armstrong from the window of his house, 225 Market street, shortly before 10 o'clock. Fearing the men would cripple themselves, Dr. Armstrong joined M. E. Gibson, whom he met on the street, and separating the fighters, placed them under arrest and marched them off to the police station. In spite of the viciousness with which the two men were laboring each other they did not seem to resent the interference of private citizens and meekly accompanied them to the station, where each was placed in a cell, charged with fighting. Dr. Armstrong has an office in the Hamilton building and is well known in the city as also Mr. Gibson, who is a business man connected with the Gibson Manufacturing Company, room 401 Lumber Exchange building.

WOOLMEN TO SEND LOBBY

COST OF PRODUCTION HAS ADVANCED, SAY GROWERS.

Meeting of Sheepgrowers of Oregon Called to Meet in Pendleton for May 1.

PENDELTON, Or., March 12.—(Special.)—As a result of a nearly all night session of the executive committee of the State Sheepgrowers Association, held here behind closed doors, an Oregon man will probably be dispatched to Washington for the purpose of presenting data as to the cost of producing wool in Oregon, to the ways and means committee.

The report that the tariff on wool was to be reduced was responsible for the meeting, and it is understood that a plan was perfected to secure figures showing that the cost of producing wool is now greater than before.

The Chicago warehouse plan was brought up and a meeting of all the wool growers of the state to be held in this city May 1 to take final action upon the proposition was ordered by the committee. Secretary Smythe says two or three million pounds of Oregon wool will be shipped to Chicago regardless of the action taken by the meeting.

The schedule of wool sales dates, submitted by the buyers was not wholly acceptable to the growers, and some changes have been recommended.

LAWYERS REFUSE SIXTEEN

Calhoun Jury Still Incomplete; New Verdict on Monday.

SAN FRANCISCO, March 12.—Sixteen citizens were interrogated today by opposing counsel in the effort to complete the jury to try Patrick Calhoun, president of the United Railroads, on the trolley franchise bribery indictment, but none of them proved satisfactory to both sides, and when court action there were still but seven men in the box, six finally passed and sworn and one subject to contempt challenge.

Judge Lawlor postponed the case until Monday owing to the fact that there are but a half dozen men left to examine out of the list venire which reported today, and the 22 venire of 60 will not be in court until Monday morning.

Nothing like that can go on in the New York club." Seymour donned his uniform and started for the park, but McGraw gave him to understand that he really was barred.

"I shall make other charges and shall insist that the committee make a thorough investigation of the State College affairs. Bryan has secured status appropria- tions upon false pretenses," said Senator A. S.
