Multnomah Wrestler Too Much for Team From Washington State College.

FRANK GOES OUT OF CLASS

At 125 Pounds Wins From Ford Cheley, Who Is Entered at 158 Pounds—Good Crowd Present and Decisions Satisfactory.

BY W. J. DETRAIN. The wrestlers representing the Multnomah Amateur Athletic Club in the tournament with the Washington State College grapplers, won five out of six matches last night.

The feature event of the programme, however, was the defeat of Fred Cheley, the Washington State College football player, who represented that institution on the mat at 125 pounds, and who was beaten decisively by Edgar E. Frank, the Multnomah Club's 125-pound champion.

The opening match between Buddy Hughes and Kruecker was won in two straight bouts by the Multnomah lad, who won a decision in the first and threw his man in four minutes and 35 seconds in the second.

The tournament was attended by a number of rooters from the Washington State College. As a referee, E. O'Connell was all that could have been desired.

NELSON WILL NOT FIGHT TURNS DOWN M'FARLAND'S OFFER FOR MATCH.

Dane Says He Is Lightweight Champion and Will Not Take On Packey at Excess Scale.

CHICAGO, March 18.—(Special.)—All hope of Packey McFarland getting an opportunity to win the lightweight championship from Battling Nelson is gone.

There is nothing doing for McFarland, said Nelson, "and you can say for me that I think he is quitting and is afraid. If he can come down to 133 pounds I will take him on, but at no other mark."

FINNIGAN OR NELSON, WHICH?

Newspaper Man Says He Wrote "Career," Nelson Says He Did.

CHICAGO, March 18.—(Special.)—J. Ignatius Finnigan, St. Louis newspaper man, in letter to a Chicago paper today declares emphatically that he wrote every word of "Battling" Nelson's "Life, Battles and Career of Battling" book.

"Nelson did not write, originate or compose one paragraph in the book," says Finnigan in his letter. "I secured most of the early dope of Nelson's career from George Miller, who knew him well. Nelson merely paid my expenses while I was in the book, and ever since I turned it over to him Nelson has ignored me. I have placed the matter in the hands of my attorney, and will ask for an injunction against the publication of an injunction."

Nelson, when shown the letter, said Finnigan was merely his stenographer, and the book was written entirely by himself.

Judge Blocks "Shooting In" Scheme.

LOS ANGELES, March 18.—An attempted "shooting in" at Santa Anita this afternoon was promptly nipped in the bud by Judge Hamilton, before the horses went to the post for the closing race. Round and Round was the horse selected in a field of four starters.

The betting angle looked very suspicious to Judge Hamilton and he cautioned the riders, with the result that St. Harlo, the natural favorite, won, while Round and Round finished third.

Berkeley Athletics Tangled.

BERKELEY, Cal., March 18.—A sensation was sprung this morning in athletics by the announcement of dismissal at a meeting of the executive committee last evening of Coach Causey, of the baseball team, because of incompetency. On Saturday Manager Mac will take his entire training camp to Arroyo Grande, the home of Speck Barkner, for a game. The fans down at Arroyo Grande are anxious to see their fellow-townsmen in a Portland uniform. The trip will be made from San Luis Obispo in automobiles. BASKETBALL TEAMS CLASH

Great Game Expected Between Y. M. C. A. and Multnomah Fives.

The basketball contest tonight between the Multnomah five and the Y. M. C. A. quint at the Y. M. C. A. gymnasium promises to be the best of the season. Manager McCord believes that the clubmen will have things much their own way, basing his views on the frequent unsatisfactory tour made by the Association boys.

That the Association at present is playing quite as good ball as the "Winged Men" was the opinion of Physical Director Griley, who stated that the Y. M. C. A. bunch had been going for hard work at the basket. On paper there would not appear to be anything between the teams, with the exception that Allen and Barton should guard Sweeney and Sheels. In addition to speed, the Multnomah guards are a trifle the heavier, but in the event of Barton not being in the line and Percy taking his place, things would appear to be equalized.

Morris, as center, has the jump on Young, but Hartman has, in form, a little the better of Vivian Dent at the basket. Between these two play much of the game will lie, owing to the frequent foul-touting. The intense rivalry between the teams makes the game between the two old rivals as sturdily contested as may be. Play will be called at 8:30. The line-up follows: Y. M. C. A. Position. M. A. A. C. Russell.....F.....Dent

San Francisco is very much excited because Oscar Jones and Joe Curtis have hurried to Brick Doveaux's outlaw league organization. Neither of these players ever were in line for any medals. But should what is called "ever-come" or somebody else grab the "ever-come" on second thought, it really is about time for J. Cal to hurry east, and the "jumpers" afford the required incentive.

San Francisco fans are inclined to be skeptical about some of the new baseball material on the local club, Paul is being found with Tennant, Munderoff and others. Of course this is merely antsy season dope and the club will no doubt survive the season if Kid Mohler does.

PLAY THREE POLO MATCHES

SAN DIEGO, March 18.—For the first time since the opening of the international polo tournament at Coronado, the weather today was unpropitious. Three games were played. The morning match between the Burlington second team and the Bryn Mawr resulted

in a victory for the latter, 5 to 2. In the first game of the afternoon Ranelagh was pitted against Riverside and the latter suffered its third defeat of the tournament. The final score was: Ranelagh, 10; Riverside, 5.

The third game was between Burlington and Los Angeles, and the final score was: Burlington, 9; Los Angeles, 2.

But the joke of the whole thing is that Rick Burrows, the former University of Washington football player, who has the right to show the real pictures of the Johnson-Burns battle in Canada, was in a house that overlooks the ball park last Sunday and saw the efforts of Ed Martin and Pete Baron to give an imitation of a real championship battle.

It is presumed that the men in the scheme to fake the pictures of the Johnson-Burns battle on the Coast before the real pictures get here, but Burrows is now living in Seattle and he will get busy immediately if the schemers try to show the fake as the real thing.

Fig Sty or Cotton Field?

Since Biblical times, the hog has had the reputation of being a very uncleanly animal. How then can hog fat, from which lard is made, be clean and wholesome, and make healthful, digestible food? It simply cannot, and does not. Now let us consider the ingredients of Cottolene—just pure, refined cotton seed oil, and the choicest of beef suet. Do they not appeal to you as preferable to the fat of the swine?

Cottolene is an absolutely pure product, and will make palatable, digestible, wholesome food. Cottolene is the best frying and shortening medium made today. If the best is none too good for you, ask your grocer for Cottolene, and do not let any prejudice stand in the way. The only way to know Cottolene is to test it yourself.

COTTOLENE is Guaranteed Your grocer is hereby authorized to refund your money in case you are not pleased, after having given Cottolene a fair test.

Never Sold in Bulk Cottolene is packed in pails with an airtight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.

How many dishes in your home? It's a painful count if you wash them in the old-fashioned way

Washing dishes with soap is not only ineffective, but tiresome and needlessly old-fashioned. Soap does not cleanse as thoroughly as it should; it overlooks lurking germs and leaves a greasy, "smelly" film. GOLD DUST not only cuts grease and dirt with scarcely any rubbing, but is an antiseptic that goes deep after every minute and oft-times hidden impurity. It will sterilize your dishes and kitchen things, and make them wholesome and sanitary. A teaspoonful of GOLD DUST in your dishwasher will work wonders on dishes, glassware and silver—and save you fully half the labor. Why not get a package of GOLD DUST at your nearest grocer's, and try it after your next meal. You'll thank us for the suggestion.
