

WILL PER THOUGHT TO BE SEATTLE MAN

G. W. Grayson, of San Francisco, Says He Ran Off With Money.

WILL CONFRONT HIM TODAY

Says Great Similarity Between Man in Jail and Clerk of Oil Company Who Embezzled Several Thousands Years Ago.

PITTSBURG, Pa., March 26.—(Special.)—James H. Boyle, kidnaper of Willie Whitta, the Sharon boy, is thought by G. W. Grayson, of San Francisco, an oil and steel operator, to be the same Boyle who, as agent of the Associated Oil Company, a subsidiary concern of the Harriman interests, left Seattle, Wash., more than a year ago, taking with him several thousand dollars of the company's money.

Boyle, according to Grayson, was in a position of trust. Before taking service with that concern he, according to Grayson, was secretary of the Plumbers' Union, in San Francisco. Grayson happened to be in Sharon on business last week and read of the case. When he saw Boyle's photograph he was positive that he was the Northwest Boyle.

MRS. BOYLE'S HISTORY KNOWN

Daughter of Chicago Fireman, but Went Astray.

CHICAGO, March 26.—That William McDermott, a retired member of the Chicago fire department, is the father of "Mrs. James H. Boyle," who, with her husband, is charged with kidnaping Willie Whitta, was confirmed by the grief-stricken father today.

Anna McDermott, according to her father, was one of the prettiest and one of the brightest children in the neighborhood when a child. She was given every advantage of education and careful moral training, but as she approached womanhood she fell into company of which the old fireman did not approve. Quarrels were frequent and about three years ago Anna eloped. Since that time her history has been a blank to her Chicago kin. Even the man with whom she cast her fortunes was unknown to them.

Mr. McDermott has two other daughters, who are married. He said today: "She has left the path of rectitude and brought disgrace upon us. I shall do nothing for her."

It was not only at the McDermott home that "Mrs. Boyle" was recognized. Her identification as Anna McDermott was illuminating to followers of pugilism. After she left school, but before she left home, she worked as a stenographer for "Doc" Messenger, known for years as a fight promoter. Among her friends of that day were Howard Carr, better known as "Kid" Howard, also a fight promoter. After she left Messenger's employ, however, she was heard of infrequently. During the three years the girl had been away from home only one communication had been received from her. A year ago she called her father up on the telephone and said: "I have been married to a New York millionaire, papa."

Recognizing the voice, Mr. McDermott hung up the receiver and said he did not wish to hear anything more from her. One of "Mrs. Boyle's" sisters is Mrs. J. J. Obermeyer, of Kouts, Ind. The other is Mrs. O. H. Howard, of Princeton, Ind. According to the statement of the father the girl was educated at St. Vincent's Academy in this city and at Winnesaw Academy, near Madison, Ill.

GUARD TO WATCH BOYLE

Taken to Mercer Heavily Manacled to Sheriff.

MERCER, Pa., March 26.—Heavily manacled to Sheriff, and guarded by several detectives, James Boyle, one of the alleged kidnapers of Willie Whitta, was brought here today from Pittsburg and lodged in the County Jail. His wife, it is said, will be brought from Pittsburg tomorrow and the couple will be formerly arraigned on a charge of kidnaping. Boyle's nearest relatives on his arrival and on the contrary, Pittsburg asked the Sheriff if he thought the crowd would harm him. The prisoner was hurried into a waiting bus and taken to the jail. An armed guard was placed in front of his cell. The jail will be guarded until the trial of the Boyles is ended.

Another Kidnaping Case.

NEW YORK, March 26.—A letter from supposed kidnapers, in which the Whitta case is mentioned, has been received by the family of four-year-old Tony Redes, who mysteriously disappeared from in front of his home in Seventh avenue yesterday. "Just because you have that foolish, stubborn character, and offered \$100 for your boy, you will never see him again. Think a little of the kidnaping in Sharon. After this you will hear from us."

HAD TWO ACES DIAMONDS

Now Poker-Player Has Two Bullet Holes in Lungs.

PITTSBURG, March 26.—A poker game at Clairton, a few miles from here, broke up about daybreak after a second ace of diamonds was discovered in the deck. Peter Marsh, who held the two aces of diamonds, as well as an ace of hearts and an ace of clubs, is in the McKeesport Hospital with two bullet holes in his lungs. It is said he cannot live. There were seven others in the room at the time this happened and six of them were hurt by the flying bullets and furniture. The man who is said to have done the shooting, on having his skill tested, escaped.

UNITE TO HELP OREGON

CHAMBERLAIN'S OFFER TO REST OF DELEGATION.

Proposes to Organize for Public Good, but Others Shy at Bourne's Leadership.

OREGONIAN NEWS BUREAU, Washington, March 26.—Senator Chamberlain today sent a letter to Senator Bourne and Representatives Ellis and Hawley, inviting them to cooperate with him in obtaining legislative results for Oregon interests.

He declines a wish to participate in the distribution of Federal patronage, and a desire to interfere with state politics, saying: "I am actuated solely by the hope that in all affecting commercial and industrial developments of Oregon, I may be able to act as a unit."

Representatives Hawley and Ellis have not yet answered Chamberlain's letter. Both say, however, they are as intensely interested as any one in promoting Oregon's interest, and will continue to work along with him.

They say there are many occasions when individual effort is necessary. They will reserve to themselves the right to work along lines that seem to them most likely to obtain results. They will have a conference before they reply to Mr. Chamberlain. Mr. Chamberlain's proposal, if carried out, would make Mr. Bourne the recog-

nized leader of the Oregon Congressional delegation, he being the senior Senator. There has never been any indication that Mr. Hawley or Mr. Ellis were willing to bow down to Mr. Bourne's leadership, and there is not the slightest presumption that they will do so now. Yet, were they to acquiesce in Mr. Chamberlain's plan, this is what they would necessarily do.

So far as accomplishing results for Oregon is concerned, they are as much bent upon that as either Senator, but they will not become a party to any cooperative plan which carries with it recognition of Mr. Bourne's leadership.

In the new edition of the Congressional Directory Mr. Chamberlain lists himself as a Democrat, not as a nonpartisan.

Oregon's Guns as Relics. OREGONIAN NEWS BUREAU, Washington, March 26.—Senator Chamberlain has laid before the Navy Department the request of the commercial bodies of Portland and Salem that the discarded 12-inch guns from the battleship Oregon be sent to those two cities as relics. He feels confident each city will get one gun.

BAR GENERAL LEGISLATION Republican Senators Want Only Tariff and Census Bills Passed. WASHINGTON, March 26.—To emphasize the determination not to attempt any general legislation during the extraordinary session of Congress, Senator Hale, as chairman of the Republican steering committee, has sent a note to every Senator who is chairman of a committee, calling attention to the President's suggestions that this session's business be confined, as far as practicable, to the tariff bill. The note states that the committee on order of business has decided to recommend that no legislation on other than the tariff bill and the census bill shall be reported.

JUROR TOO EAGER TO ACT

CHARLES P. NEWMAN CANNOT TRY CALHOUN CASE. Accused of Perjuring Himself When Being Examined and of Expressing Opinions.

SAN FRANCISCO, March 26.—Charles P. Newman, a real estate dealer who had been sworn as a juror to try the case of Attorney A. F. Newburg, accused of attempting to bribe a venireman in the Ruef case, was dismissed today by Judge Conley, after he had been openly accused of having sworn falsely in order to secure a place on the jury.

Immediately after the opening of court, District Attorney Langdon stated he had evidence to show that Newman had perjured himself when being examined as to his qualifications to serve as a juror. "I will show," declared the District Attorney, "that at the time that Francis J. Heney was shot, Newman declared that it served him right; that he ought to be killed, as well as every man in the District Attorney's office."

An objection was immediately made by Attorney Schlesinger for the defense but the Judge asked that witnesses be called. Dr. A. A. Cavanaugh, who has an office in the same building with Newman, testified the statements the District Attorney attributed to Newman had been made to him by the latter. He also stated that Newman on another occasion had offered him \$100 to induce witnesses in a murder case to testify perjury.

Interrupting Newman, who attempted to answer the latter accusation, Judge Conley ordered him out of the jury box.

ANOTHER VENIRE IS ORDERED Twelfth Juror in Calhoun Case Is Excused for Cause. SAN FRANCISCO, March 26.—A back-

ward step was taken today in the impaneling of a jury to try Patrick Calhoun, president of the United Railroads, when James B. Gorman, one of the three men passed temporarily to the box yesterday, was excused for cause on challenge by the defense. The challenge was actually entered yesterday, but not until the juror had been passed and excused from attendance in court for the day.

During the interrogation of Edward Gowan, a venireman, it was learned that Gorman and Gowan had exchanged some words concerning the case, and Gowan was summoned as a witness to impeach Gorman when court convened today. The prosecution at once announced it would not deny the challenge, and Gorman left the box.

Eighteen talesmen were examined today in an effort to fill the seat vacated by Gorman, the 12th in the box. None proved acceptable and the panel was exhausted. Judge Layton ordered the summoning of 50 additional citizens, the twenty-eighth venire, for Monday, and continued the case proper until 11 o'clock on that day.

As the jury now stands there are six men sworn to try the case and five passed subject to peremptory challenge. The prosecution has but two peremptories remaining and the defense seven.
