Bay City Youth Also Hears Henev Say Things.

### TELLS REMARKABLE STORY

Says Special Prosecutor Told Him to Get Off Street, and Not to Talk Back Under Penalty of Punch in Jaw.

SAN FRANCISCO, April 6.—(Special).—A remarkable street altercation occurred yesterday between Francis J. Henev and Armand Cohen, a young college man, who lives in the neighborhood of the Special Prosecutor's office on Franklin street. Young Cohen is just out of college and employed by his father, Adolph Cohen, a well-known wholesale jeweler. Cohen relates that yesterday, when Henev and Rudolph Spreckels were riding past in their automobiles, the Special Prosecutor leaped out and ordered him from the streets, threatening to arrest him and also to "give him a punch in the jaw." "I was just leaving my home," said Cohen, "and walked to the corner of Franklin, where I had an appointment to meet a friend. At about 9 o'clock an automobile passed containing Henev, Spreckels and a couple of detectives. Suddenly it stopped and Henev jumped out, making straight for me. "He came to me and shouted: 'Get off this street corner; do you hear me? I am the Special Prosecutor, Francis J. Henev, and I'll not have you standing around on the streets.' "But I am here to meet a friend," I protested. "Don't you dare to talk back to me or I'll give you a punch in the jaw," was Henev's surprising threat. "Then a man I supposed was a

### BIG PAPER PLANT BURNS

Los Angeles Concern Suffers Loss of More Than \$300,000.

LOS ANGELES, Cal., April 6.—The establishment of the Zellerbach Paper Company, located at 113 North Los Angeles street, was burned today, the loss being estimated at fully \$300,000. The fire started shortly before noon and raged fiercely for an hour before the firemen could get control of it. The building was a four-story structure of brick and stone. The origin of the fire is unknown. The flames, of unknown origin, for a time threatened the heart of the wholesale district. The danger was so great that firms on the north and south moved out their books and prepared to attempt to salvage part of their stocks. Several firemen narrowly escaped being burned when the flames suddenly shot out of the southwest corner of the building, where it appeared that the fire had been subdued. They all slid down the hose from the third floor to safety.

### 300,000 Gallons of Wine Blaze

HEALDSBURG, Cal., April 6.—The winery of Mrs. E. Gaddini, located three miles north of this city, was burned to the ground early today. Fully 300,000 gallons of wine were destroyed. The total loss is estimated at \$65,000, partly insured.

### SHOCKED BY GREAT BLAST

Los Angeles Woman Claims Damages Under Strange Circumstances.

SAN DIEGO, Cal., April 6.—One of the most peculiar damage suits ever filed in this city has just been instituted by A. W. Baehr and his wife, Grace Baehr, against the city asking \$1088.45 damages as the result of injuries which, it is alleged, Mrs. Baehr sustained from a blast of dynamite set off by city employees doing roadwork near the Baehr home. The petition alleges that Mrs. Baehr was about to become a mother at the time of the occurrence.

### ORDER WILL PROSECUTE

FORESTERS PROCEED AGAINST DALGITY AT ONCE. Executive Board of Grand Court Takes Action Against ex-Secretary Under Arrest.

Late last night it was announced by the Executive Board of the Oregon Grand Court of Foresters that Andrew B. Dalgity, ex-secretary, who was arrested Monday on the charge of embezzlement, will be proceeded against by the order. It was stated that the order had been led somewhat to take this action by the published statement of Dalgity that political influences were concerned. After every member of the Council and Board had given his solemn assurance to the effect that this was absolutely erroneous, the decision to confirm the action taken by the Board of Trustees was reached. Chairman Peterson announced there was undoubted evidence against Dalgity and that he would be proceeded against without mercy. Dalgity is accused of misappropriating \$63, although it is said that evidence will be brought to show larger defalcations. Dispatches from Astoria allege that the Astoria lodge has a similar ground of complaint against Dalgity, who is an ex-secretary of that branch.

### YERKES ESTATE IS SUED

London Company Says He Owed \$500,000 on Stock.

NEW YORK, April 6.—A receiver was appointed today by the United States Circuit Court for the estate of Charles T. Yerkes as the result of an action brought by the London Underground Railway Company. The claim on which the action is based is for \$500,000, said to represent what Yerkes owed on his stock holdings at the time of his death. The London claim was entered in Chicago two years ago, soon after the pro-

### TRINIDAD BARS CASTRO

British Government Will Not Allow ex-Dictator to Land.

PORT OF SPAIN, Trinidad, April 6.—At the urgent request of the State Department at Washington, communicated to the British Government, the British Government has decided not to allow Cipriano Castro, former President of Venezuela, to land at Trinidad.

LONDON, April 6.—Great Britain's change from a policy of noninterference in the situation that threatens today in the Caribbean to a decision not to allow Cipriano Castro to land at Port of Spain, Trinidad, is a friendly act to America and other powers more directly interested in Venezuela. As soon as the State Department pointed out that the deposed dictator of Venezuela probably would cause trouble in Venezuela, the foreign office decided to take action and instruct the officials at Port of Spain to prevent Castro from landing.
