NEW YORK, April 12—A message from General William Booth, founder and commander of the Salvation Army, was read tonight by Miss Eva Booth, commander of the American Salvation Army, at a remarkable celebration in Carnegie Hall, in honor of the General's 80th birthday anniversary. It follows: anniversary. It follows:

"London, April 10.—To the American People—O. America, how vast is your opportunity for making a last mark for good on the entire human race. Endowed with measureless material resources, enjoying the unbounded confidence of your own people, favored with the concentrated light of earth and heaven, possessed of an influence covering, like a shadow, all the world beside, what a power you must be destined to become.

Whither Will America Lead?

"What will you do with this mighty, magic force? If you are permitted to realize your ambition to lead the world, whither will you lead it? To uter abandonment of faith in the eternal and the neglect of every duty flowing out of it, to senseless worship of Mammon, to useless frivolities? No, I am sure you won!

of Mammon, to useless frivolities? No, I am sure you won't, and I blush at the very mention of such things and denounce them with all my soul.

"Where else can you lead this poor, blind, stumbling world of ours but to the mighty, just, holy God and obedience to his commands, the practice of right-councess, purity, honor, kindness and simplicity, to self-sacrificing service of mankind?

Realize Christian Principles.

"America, I invite you to the actual calization of the Christian principles ou profess and to practical imitation of caus Christ, who came out of his heaven to seek and to save.

"Come then and let us gird up our loins and go out of our haven and put our arms around perishing multitudes and bring them to Christ, purity, peace in

I invite you to make our Christianity an ungainsayable reality and thus wipe out the reproach fast gathering over us that it is nothing more than an exploded tradition, a fashionable association, or a lifeless ceremony. It Explains the Tonic Treatment for Stomach Trouble That Is Making Such Remarkable Cures.

The processes of digestion are controlled by the blood and nerves. That is why the tonic treatment with Dr. Williams' Pink Pills by which the blood tempting to cross the Pacific Electric is built up, has cured so many cases of tracks of the Pasadena short line in an stubborn stomach trouble.

Many people are suffering daily from stomach trouble because they cling to old-fashioned methods, eat predigested foods and in other ways aggravate the disorder they seek to cure. But preju-

disorder they seek to cure. But prejudice must give way before proof such as the cure of Mr. John T. Timmons, a well-known newspaper writer, of Cadiz, Ohio, offers. He says:

"For ten or more years I suffered severely with dyspepsia and a weak stomach, and in a sense was a burden to myself and others. I was thin and pale, had no ambition, suffered with cramps in my stomach, headaches, was constipated and finally my kidneys became affected. My tongue was coated and I had a bad taste in my mouth. I had severe attacks of vomiting, with dreadful pains in my stomach and bowels from which I could get no relief unless I starved myself. Following these attacks I had to eat very light food. My heart was weak and, in going up stairs or exercising, it and, in going up stairs or exercising, it would beat rapidly and on several occa-sions caused me to fall. I was under a doctor's care all of the time but his medicine did not help me. I struggled along in this manner until I became desperate. I tried many remedies, that were guaranteed to cure, but without

ining any benefit.
"As a last resort I decided to try Dr. Williams' Pink Pills. I saw a change for the better in a very short time, and con-tinued to take the pills, making wonder-ful improvement, until I was completely cured. I now weigh over 200 pounds while during the many years I suffered I only weighed about 125. I have no stomach or kidney trouble, do not suffer from constipation and am the picture of health. I consider I owe my present condition to Dr. Williams' Pink Pills." A diet book containing full informs tion about the tonic treatment will be

sent free upon request.
