

# KAUFMAN BEATS ROSS WITH EASE

### Winner in Ten-Round Bout on Points, but Not in Johnson's Class.

### MAKES BIG NEGRO LAUGH

### Italian Takes Much Punishment and Is Almost Counted Out, but Kaufman Is Too Slow in Following Up Advantage.

NEW YORK, April 13.—Al Kaufman, of San Francisco, who aspires to the heavyweight championship title honors, met and defeated on points Toni Ross, of Newcastle, in a ten-round fight tonight.

Jack Johnson, the world's champion heavyweight pugilist, was at the ring-side and laughed at the efforts of the men, apparently feeling satisfied that no danger threatened his title from this most earnest seeker for a championship bout. Kaufman, according to experts at the ringside, did not show that he is in the class of negroes.

Jim Coffroh, of Colma, Cal., was a spectator. He had nothing to say about the outcome of the fight, but said that while he had no signatures to the contract, he was sure he would secure a match between Johnson and Ketchel, to take place some time after October 1.

While Ross and Kaufman were being attended to in the ring by their seconds, Coffroh was introduced. He addressed the crowd briefly and said he hoped the better man would win.

### Kaufman Easily Master.

No time was lost in getting the men together, and Kaufman showed quickly by left jabs and a hard right that he had taken his man's measure. Kaufman was cool and deliberate, almost measuring his blows, but the only telling blow Ross sent back was a right swing on the side of the head. The first round was easily Kaufman's.

In the second round Kaufman rushed, but was stopped by three lefts, which drew blood from the nose. Toni led with a left hard to the body and took a left smash in the face in return. Ross baited toward the end of the round, but Kaufman was master of the round by a small margin.

### Italian's Blood Flows.

The third round found Ross willing. He sent two rights to the head, getting two blows in return, and a hard left to the face, which made the blood spout stain from his forehead. Kaufman was far the better general in this round.

Lefts and rights to the face were the blows with which Kaufman opened the fourth. Ross plunged for the wind, but took many blows on his face, one of which split his lip. There was no question of the Italian's gameness, but he was outclassed.

At close quarters in the fifth round Kaufman had the better of any exchanges, but Ross, rushing with left and right to the head, landed a California twice to the ropes. In a clinch Kaufman pummeled hard on the body, but Ross was there with a counter and the round was even.

### Ross Badly Punished.

Kaufman missed several blows in the sixth, but in every clinch he was the better punisher. Two hard lefts to the body by Ross evaded the big fellow and honors were even at the bell.

In the seventh Kaufman led his left twice to the face, opening a gash over Ross' eye. Toni plugged for the body, landing effectively, but the big fellow beat him off at long-range work.

Kaufman sent left, right and left in quick succession to Ross' face in the eighth round, but allowed the Italian too much time to recuperate. Toni sent a hard left to Kaufman's jaw, but suffered a moment later, as Kaufman was on top of him all the time, forcing him to the ropes and doing all the leading.

### Almost Counted Out.

In the ninth Kaufman depended on left jabs to the face and then sent Ross to the floor for eight seconds with a left hook to the jaw. Ross came up weakly and soon was staggered by a succession of rights and lefts in the stomach. Kaufman missed a right swing for the jaw a second before the bell rang.

Ross lunged at the beginning of the tenth, taking many a punch before he got in a left smash on the face. Kaufman seemingly was unable to measure his blows and was wild in his attempts at a knockout, but was the stronger by far at the finish, winning easily on points.

### Injunction Not Served.

The Supreme Court injunction granted early today restraining Ross from meeting Kaufman did not interfere with the arrangements of the management of the Fairmont Athletic Club. The injunction papers were not served, and all claims against Ross' appearance were settled long before the men were scheduled to meet.

### FRANKLIN HERE FOR MATCH

Will Meet Six Wrestlers at Hellig Theater Tonight.

Joe Carroll, the Seattle wrestling promoter, and Charles Franklin arrived in Portland last night for the bout which takes place at the Hellig Theater tonight. According to the terms of the match, Franklin must throw any six wrestlers within the State of Oregon, and is especially anxious to get Eddie O'Connell on the mat. John Bery, Bert Thomas, Grant, Nelson and two others will form the sextette against which Carroll's man will test his skill. Bery is the best wrestler in the bunch, and he is of about the same weight as Carroll's man and is the strongest of them should prove highly exciting.

Joe La Salle, who was expected to go on against Franklin, has sent notice that he is sick. Carroll is still anxious to have O'Connell enter the contest, but the local man refuses to have anything to do with the bout.

Carroll declared Franklin will have little or no trouble disposing of the wrestlers who will face his man tonight, with the possible exception of Bery. The bout takes place at the Hellig Theater and will be staged promptly at 8:30 o'clock.

### TORNADO HITS KANSAS TOWN

One Man Killed. Many Injured and Buildings Damaged.

CONCORDIA, Kan., April 13.—Four persons were injured, none it is believed fatally, in the tornado that struck Aurora, Kan., yesterday. The Catholic church was among the buildings demolished and Father Moller was blown 20 yards, but not seriously hurt. Almost

every store and house in town was damaged. At Beloit, a nearby town, Edward M. Wells, a brakeman, was blown from a Missouri Pacific freight train and killed.

### Vernon Team Mourns Meier.

LOS ANGELES, April 13.—The Vernon and Oakland Pacific Coast League ball teams did not play their scheduled game at Vernon today out of respect to the memory of Joseph Frederick Meier, president of the Vernon club, whose funeral was held this afternoon. The members of the two clubs attended the funeral.

### Champions to Play Chehalis.

CHEHALIS, Wash., April 13.—(Special.)—The Chehalis baseball team has arranged to play two games with the Vancouver Champions of the North-western League, on Wednesday and Thursday of this week.

# O'CONNELL WINS AGAIN

### TAKES TWO OUT OF THREE FALLS FROM URLACHER.

### Rochester Middleweight Victor in First Bout, but Unable to Keep Up Pace.

Eddie O'Connell showed himself the master of Urlacher, the Rochester middleweight, in straight wrestling at the Exposition rink last night, getting two out of the three falls.

Urlacher at 165, was about 15 pounds heavier than the Multnomah Club instructor, but the latter made up this handicap in quickness and science.

Urlacher won the first fall on a roll finish of a half-Nelson, in 15 minutes and 25 seconds.

O'Connell got the next fall on a three-fourths-Nelson in 6 minutes and 52 seconds.

In the final Urlacher nearly got O'Connell again on another roll, his weight giving him a momentum that his smaller antagonist found some difficulty in avoiding. O'Connell maintained the aggressive throughout the final, and at last got a toe hold that Urlacher could not break, and which finally wore him out. The Rochester man quit with two points down, the final bout lasting nine minutes.

A small crowd witnessed the match, other attractions drawing from the attendance.

# GRAMMAR SCHOOL GAMES FAST

### Stevens Beats Irvington 9 to 8 and Couch Beats Fulton 22 to 12.

Stevens 9, Irvington 8 and Couch 22, Fulton 12 were the results of fast games played in the Grammar School League yesterday afternoon.

In the Stevens-Irvington game two extra innings were required to decide the game, the teams being evenly matched. Elliot and Livingston, for Stevens, and Money for Irvington were the star performers. Elliot drove the ball on each occasion for two or three bases and brought in the winning score by a clever steal. There were numerous errors on both sides. Battery for Stevens was Jackson and Elliot, and for Irvington McClung and Ernie.

For Couch Faber made a home-run and Lacer a two-base hit. The batteries were Couch, Faber and Douglas, Fulton, Lacer and Krummery. The game was played on the West End field.

# SAILORS PROVE GOOD BOXERS

### Schlossberg Wins National Amateur Championship at Boston.

BOSTON, April 13.—Phil Schlossberg, of the battleship New Jersey, won the national championship in the heavyweight class tonight when he knocked out Every Paine, of New York, in the first round at the annual amateur boxing championship. In the semi-finals of the 135-pound class, William Shevlin, of the battleship New Jersey, easily defeated James Brady, of Boston; and in the middleweight division Dan Sullivan, of Cambridge, Mass., a younger brother of the twins (Mike and Jack), disposed of E. Beley, of Waltham, in the first round, thereby winning the championship.

The feature of the night was the final bout in the 25-pound division between Shevlin and John Morris, of Boston. The first round was hard fought, with honors even, but in the third Shevlin won decisively.

### Condon Election Quiet.

CONDON, Or., April 13.—(Special.)—The annual town election yesterday was a quiet affair, only 91 votes being cast.

# O. A. C. ENTERS 16

### Fast Men to Take Part in Columbia Meet.

# ATHLETES WORKING OUT

### Busy Scenes at Track, Which Has Been Rolled, Sprinkled and Put in Best of Shape for Big Athletic Contest Friday.

Entries are pouring in to Track Manager Black for the Columbia indoor track and field meet Friday. The latest institution to send in its entry list is Oregon Agricultural College, which will put 16 men on the track, or an average of four men for each event in which O. A. C. is to participate. This seems to insure that the "farmers" will be satisfactorily placed in the finals. Experienced runners and athletes form the staple of the agricultural college entries and most of the men hold creditable records.

In the shot-put C. Wolf is the star performer among the O. A. C. men. Last year Wolf hurled the weight 42 feet, winning the event with ease. S. B. Hall, Oregon Marathon and C. O. Farnsworth, will contest Wolf's claim to championship honors.

Urlacher will essay the high jump and will be opposed by Harbet, of Astoria High School, who last year was second in the jump, with 5 feet 7 inches. Chapman jumped 2 feet 8 inches at Columbia last year.

O. A. C. has entered six men in the 880-yard run, J. Howard, A. Blanchard, E. Crowe, A. Griggs, H. Cross and A. Eschriebel. H. Bergman, R. Price and K. Farnsworth will contest the hurdles, and the 200-yard and 400-yard runs will have Scott, Bergman, Howard, Hower, Crowe and Blanchard entered. A. Chapman, E. Woodcock and K. Farnsworth are in for the pole vault, and the O. A. C. relay team will consist of Scott, Bergman, Howard, Hower and Blanchard.

Norman, of Lincoln High, is the popular entry for the schools. Nash was the plucky runner who ran second in the Oregon Marathon and made a good showing at the Multnomah meet. Nash has entered for the mile and this will mean that he is pitted against the best mile runners of Oregon, O. A. C., Multnomah and the other athletic institutions.

Pacific University was trying out on the Columbia track yesterday afternoon in the endeavor to get into working shape and to polish off the rough edges. Excellent showings were made in the sprint and in the pole vault, and the O. A. C. will be well up with the leaders in several of the events.

The track is in splendid shape and is kept in condition by use of a sprinkler and roller. With increased seating accommodations, it is believed that Columbia will be able to take care of all visitors.

# CURTAINED RACING SEASON

### Belmont Park Meet to Depend Largely on Size of Patronage.

NEW YORK, April 13.—That horseracing on the metropolitan tracks this season will be on a limited scale was indicated in a statement issued by the Western Racing Association (Belmont Park), following a meeting of its directors today. It was resolved that the Spring meeting should open May 15, and that racing be given two days the first week, three the second and third, and two the fourth. Should patronage indicate that more racing is desired, extra days will be given.

The association will run off, without lessening their value, its closed stakes—the Belmont, \$50,000 added, and the National Stakes, \$100,000 added. It was resolved further that it would open and close in the near future 18 other stakes and necessary overnight events, to make six races a day.

### Real Opening of American League Teams Arouses Enthusiasm.

NEW YORK, April 13.—Final preparations were completed today for the real opening tomorrow of the baseball season, the games yesterday and today between the Eastern division teams of the American League having only whetted the appetite of the baseball fan.

In the National League, Brooklyn opens tomorrow at New York, Philadelphia at Boston, Pittsburgh at Cincinnati and St. Louis at Chicago.

The Western division of the American League opens with Chicago at Detroit, and Cleveland at St. Louis.

If the weather is favorable—the forecast is for rain—it is expected that between 20,000 and 40,000 persons will test the capacity of the Polo grounds
