WEDDING DELAYED BY BISHOP'S EDICT

Count Scherr-Thoss and Miss White Yield to Decrees of His Church.

HER FATHER PROTESTS

Bishop of Breslau Objects to Both Catholic and Episcopalian Ceremony—Date of Wedding Finally Set.

PARIS, April 20.—The arrangements for the wedding of Count Hermann Scherr-Thoss and Miss Muriel White, daughter of Ambassador White, which was delayed by certain difficulties arising through differences of the faith of the contracting parties, are now completed. The civil ceremony will be performed April 25 by the Mayor of the Eighth Arrondissement. The following day the religious marriage will be celebrated in St. Joseph's Church.

Bishop Would Not Yield.

As Miss White retains her Protestant faith, her family greatly desired that both Protestant and Catholic religious services should follow the civil marriage, and the groom-elect and family were in full sympathy with this. Cardinal Kopp, Bishop of Breslau, the diocese in which the couple will live, declined, however, to grant a dispensation for the marriage except on condition that the groom refrain from attending any other religious ceremony and with the usual restrictions concerning the faith of any issue of the marriage. Influences were brought to bear in an endeavor to induce Cardinal Kopp to concede the service of the Episcopal Church, but these failed.

Mr. White finally acquiesced, but as a protest against the attitude of the ecclestiastical authorities he decided to abstain from attending the Catholic ceremony. With regard to his decision he says:

"Both my public and my private life demonstrate my freedom from religious bias, but under the circumstances and as the representative of a country eminent for its religous toleraton, althought predominently Protestant, I have decided not to attend the services at St. Joseph's, the more so as there are several recent precedents for a Catholic ceremony and one of another denomination."

CHICAGO REACHING OUT

WILL SEND LEADERS OF INDUSTRY TO NORTHWEST.

Representative Men Will Make Excursion to Extend Prestige of the City.

CHICAGO, April 20.—(Special.)—Plans for what is expected to be the most imposing and far-reaching Chicago campaign for additional prestige ever undertaken by the Chicago Association of Commerce, both from the commercial and artistic point of view, were practically completed today. At 6:30 o'clock on the evening of May 30 a special train of five coaches crowded to capacity with a trade embassy, whose personnel is to be a different representation of Chicago from that of any similar excursion of the association previously, is to leave the city for an exploration of the Northwest.

The delegates are to be only residents of Chicago manufactories and business houses, and in addition representatives of the University of Chicago and Northwestern University. The slogan of the tour is to be, "Sink deeply our personalities into the representatives of the municipalities we visit, and emphasize the importance of Chicago as it is related to the Northwest."

The pilgrimage will be the first of the association into this section of the United States. The trade extension committee of the association, which arranges such excursions, met today and decided on the itinerary of the trip. It is as follows:

Fargo, N. D.; Jamestown, N. D.; Bismarck, N. D.; Mandan, N. D.; Helena, Mont.; Butte, Mont.; Missoula, Mont.; Anaconda, Mont.; Billings, Mont.; Spokane, Wash.; North Yakima, Wash.; Seattle, Wash.; Bellingham, Wash.; Everett, Wash.; Tacoma, Wash.; Walla Walla, Wash.; Portland, Or.; Pendleton, Or.; Baker City, Or.; Boise, Idaho; Nampa, Idaho; Salt Lake City, Utah; Ogden, Utah; Cheyenne, Wyo.; Colorado Springs, Colo.; Denver, Colo.; Kearney, Neb.; Lincoln, Neb.; Omana, Neb.

NEGRO LAD KILLS TOTS

Feeds Baby to Hogs and Uses Ax on Others.

NEW ORLEANS, April 20.—Incensed because his stepmother had left him at home near Opelousas, near here, in charge of his young stepbrothers and sisters, Tom Godfrey, a 12-year-old negro boy, fed the youngest of his charges to the hogs and later with an ax inflicted what probably will prove fatal wounds on the other children.

Tom was placed in jail at Opelousas. The baby's hands and feet had been eaten off by the hogs when found by the neighbors. The young stepsister is dying from a blow of the ax, and the other two have little chance for recovery.

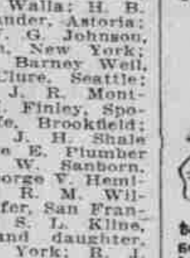
BABY'S ITCHING WAS INTOLERABLE

Girl of Six Months had Fearful Attack of Eczema—Spread All Over Her Face and Eyes Began to Swell—Scratched Till Blood Came—Relieved in a Night and

CURED BY CUTICURA AFTER LONG SUFFERING



"When my little girl was six months old I noticed small red spots on her right cheek. I did not pay any attention to them but finally the spots grew so large that I sent for the doctor who said it was ringworm. He prescribed an ointment which I used for two weeks, but instead of helping the eruption, the ointment seemed to make it worse. Then I went to a second doctor who after examining the baby said it was eczema. He also gave me an ointment which did not help either. The disease in the meantime spread all over the face and the eyes began to swell. I became very anxious. The itching grew intolerable. I had to tie the baby's hands to the cradle to prevent her scratching. The cheeks were covered with blood and it was a terrible sight to see. I consulted doctors from September to December, but they were unable to cure the baby. I paid out from twenty to thirty dollars without relief.

"One of my friends told me of the Cuticura Remedies and I sent at once for a set which I began to use that evening. The next morning the baby's face was all white instead of red and you can imagine how surprised I was. I cannot find words enough to praise Cuticura and I do not know what would have become of my baby only for it. I used the Cuticura Remedies until the eczema entirely disappeared. The child is now three years old and quite well. I used three cakes of Cuticura Soap, two boxes of Cuticura Ointment and one bottle of Cuticura Resolvent and I never use any other soap. I always recommend them whenever there is a chance for doing so. I will send you one of her pictures which she had taken just after she was healed. Mrs. P. E. Gumbin, Sheldon, Ia., July 13, 1908."

Cuticura Soap (25c.), Ointment (50c.), Resolvent (50c.), and Chocolate Coated Pills (25c.), are sold throughout the world. Potter Drug & Chem. Corp., Sole Props., 137 Columbus Ave., Boston. Mailed Free, Cuticura Book on Skin Diseases

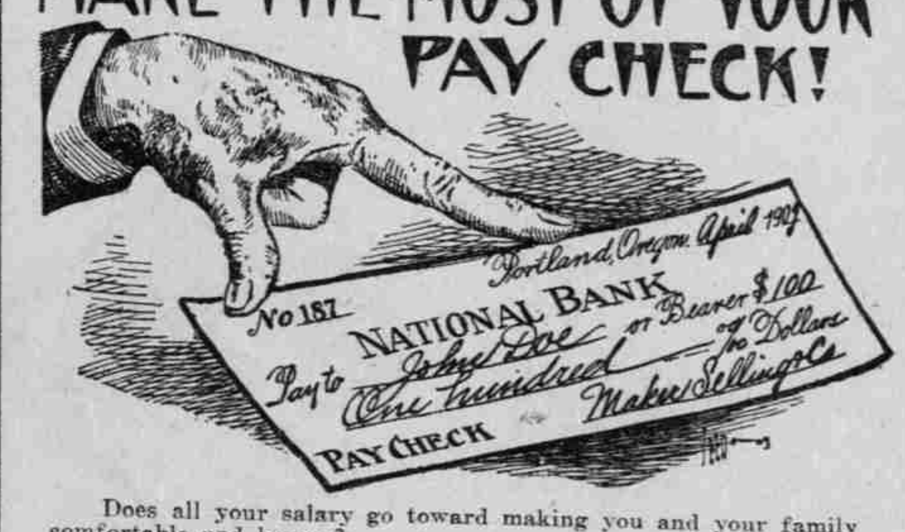
MAKE THE MOST OF YOUR PAY CHECK!



Does all your salary go toward making you and your family comfortable and happy?

Or, does about a fourth of it go toward giving the landlord and his family the luxuries of life, while you do with the bare necessities?

This is a vital question and should be answered honestly.

If you are a "renter" you should understand right now that you are really paying for the house you occupy, but you don't get what you pay for. You will have to move out some day and leave the house you have bought for the landlord to sell to somebody else.

We have sold thousands of homes and lots on exceedingly **EASY TERMS**, and will sell thousands more.

We have a beautiful tract of land in **GREGORY HEIGHTS** and are selling splendid home sites, good enough for anybody, at from $100 and up. And we take as little as $5 down and $2.50 a month.

Or we will build you a home, let you plan it yourself, and sell it to you for what you are now paying each month as rent.

Are you ready to be shown? Come and see us. Bring this ad. and we will take you out in our auto and "show you" what a splendid proposition we have for the renter.

BEST IN THE WEST

Few people know that the finest irrigated lands in the West are in the Willamette Valley—unlimited water, most fertile soil; no sand storms nor extremes of climate, as east of mountains. Adjoins Canby, 20 miles south of Portland. Five, ten and twenty-acre tracts as low as $100 per acre. Perpetual gravity water right, perfect drainage; quick transit by rail and river, conveniences of city, including schools, churches, telephones and electricity, at

Canby Gardens

Experiments made by the U. S. Government at several points in the Valley have demonstrated the value of irrigation, increasing production from two to four times, and serving as insurance during the dry Summer months, making crop failures unknown. Statistics show less than 2½ inches of rainfall during the months of July, August and September.
