

TURBULENT FIGHT IS WON BY WETS

Many Assaults Mar Local Op-
tion Election in Ross
County, Ohio.

NATIONAL GUARD ON DUTY

Armed With Wagon-Spokes, Militia-
men Patrol City—Preacher Ar-
rested and Another Dry
Has Skull Cracked.

CHILLICOTHE, O., April 28.—In a
local option election characterized by
riotous scenes, at times bordering
on rioting, Ross County voted "wet"
today by 2600. The city of Chillicothe
gave a "wet" majority of 1800.

To restore order, Company H of the
Fourth Regiment, Ohio National Guard,
was called out and a large force of
special Deputy Sheriffs was sworn in.
These, carrying wagon spokes instead
of rifles, stood guard in the disturbed
quarters until the polls closed.

Women patrolled in front of each
polling place and an army of detec-
tives was at work for the "drys" to
prevent any fraud, while every police-
man in the city in citizen clothes
worked for the "wets." Women with
cameras patrolled front and rear doors
of saloons.

Rev. C. W. Eldridge, superintendent
of the Cincinnati division of the Anti-
Saloon League, who recently was egged
by "wets" while he was speaking in
Adelphi, was arrested this morning,
charged with violating the 100-foot
limit law at a polling place and was
placed in jail.

The police also arrested several "dry"
workers on the same charge. A num-
ber of "wet" workers were arrested on
charges of attempting bribery.

When J. D. Whillegott, secretary of
the local option committee, called at
the city jail to see Mr. Eldridge, it
is claimed by the "drys" that he was
assaulted by Chief of Police Pender-
gast. He was later released on bond.

Rev. George L. Pake, of Portsmouth,
Ohio, who was assaulted by a "wet"
last night in the street, was injured
worse than he was at first thought to
be. His left temple bone was laid
bare by a blow with steel knuckles.

FORGER HOPED FOR LUCK

VAN VLISSINGEN CONTINUED
CRIMES TO KEEP ALIVE.

Adds to Testimony About Business
Men and Says Even Rosenfeld
Threatened Suicide.

CHICAGO, April 28.—Peter Van Vlis-
singen, the former real estate man, who
caused a sensation yesterday by stat-
ing that his forgeries were known to
Maurice Rosenfeld and Bernhard Ros-
enberg, both men of reputed wealth
and social position, four years before
his public confession last Winter, gave
additional details of his story today.

"Did Rosenfeld ever ask you what
you did with the forged papers he
gave back to you after you had re-
demmed them?" Van Vliссingen was
asked.

"No," he did not, but I told him, and
we arranged our transactions accord-
ingly," replied the forger.

"And they pressed you for money?"
"Yes, Rosenfeld said he was so hard
pressed he had often thought of the
cold waters of Lake Michigan as a
refuge."

"Rosenberg also pressed me, and I
told both of them that I was in so
deep that I never expected to get out
again; but I thought I'd fight it out
for a while. I thought possibly some
piece of good luck might come my
way, but it never did."

MANIAC AFTER FALLIERES

Anarchist Visits Monte Carlo to Kill
French President.

MONTE CARLO, April 28.—A man
named Verdier was arrested here to-
day by the French police. He declared
that he was an anarchist and that he
had come to Monte Carlo for the pur-
pose of killing President Fallieres, of
France, who is visiting here.

A revolver, loaded with jacketed bul-
lets, was found on Verdier, as well
as a letter addressed to the Prefect of
the Department of Alpes Maritimes, in
which the man explained the motive for
his contemplated act. The police be-
lieve he is insane.

President Fallieres arrived here yes-
terday in an automobile from Nice, and
he and the members of his party were
given a hearty welcome and entertained
at lunch by the Prince of Monaco.

FURTHER LYNCHING FEARED

Prisoners at Ada Jail Removed
While Grand Jury Investigates.

ADA, Okla., April 28.—Fearing that as
a result of the lynching here of four
cattlemen for the murder of A. A. Bob-
bitt, further trouble might arise, Oscar
Peeler, an alleged accessory to the crime,
and Edward and David Johnson, charged
with another murder, have been returned
to the jail at Tecumseh for safe keeping.

The grand jury today resumed its in-
vestigation. Attorney-General West, in
addressing the jury, said:
"The lynching was the most outrageous
crime since the Civil War in the South-
west."

"Remember your God," he added. "Let
him be your guide in your actions in the
investigation of the lynchings."

SIGN MINING AGREEMENT

Anthracite Differences Settled for
Next Three Years.

SCRANTON, Pa., April 28.—The pro-
posed agreement that officers of the
anthracite miners' union presented to
the hard coal operators was laid be-
fore the delegates today, and the prin-
cipal section, the renewal of the old
agreement, was adopted unanimously.
The entire agreement presented to
the miners' convention was adopted
without change and the convention ad-
journed.

GABANNE BOY GIVEN UP

FATHER RECOVERS KIDNAPED
CHILD FROM BRANDENBURG.

Arrested Writer Endeavors to Say
What Shall Be Done With
Youth, but Is Refused.

SAN FRANCISCO, April 28.—The 7-
year-old boy, James S. Cabanne III,
who was smuggled out of St. Louis in
a wicker basket and brought to this
city by Broughton Brandenburg, his
stepfather, was today taken from the
juvenile detention home and given to
his father, James Sheppard Cabanne,
of St. Louis.

Before going to the detention home
Cabanne, accompanied by the captain of
detectives, had an interview with
Brandenburg, who is in the city prison.
The latter wished Cabanne to place
the boy in the custody of his mother,
but this request was refused, the father
saying that Brandenburg had caused
his domestic trouble and had no right
to dictate the disposal of the child.

There was nothing of a sensational
character connected with the return of
little James Cabanne to his father. The
latter, after reaching this city, was
taken to the juvenile detention home
and made to feel that he was among
friends. The reunion was a happy one,
the child gleefully expressing delight at
the prospect of soon balaz at home
