

STORMS SCOURGE SOUTHERN STATES

Procession of Tornadoes on Race Down Mississippi Valley Spreads Death.

DAMAGE IS TREMENDOUS

Hundreds of People Injured and Millions of Dollars in Property Is Swept Away by Fierce Winds From North.

(Concluded From First Page.)

down, and at Gilestown not even a shed was left standing.

Memphis reports heavy loss from towns within a radius of 100 miles in three states.

At Horn Lake, Miss., six lives were lost and the damage was very heavy. From neighboring towns come reports of men, women and children killed and homes wrecked.

Arkansas Hard Hit.

The tornado swept over into Arkansas and killed eight persons near Mammoth Springs, besides wrecking a score of buildings. Other points in Arkansas report heavy loss.

Striking Alabama and heading southwesterly, the hurricane continued its course of destruction tonight. Huntsville reports heavy loss of property, with probably several persons killed.

At Danville, Ala., the storm struck with terrific force, while at Hartzell at least one is dead and many hurt.

The storm still was raging late tonight. Wire connections between Atlanta and Chattanooga and Knoxville had ceased entirely.

Three persons were killed by lightning at Monroe, Ga., today.

Tennessee Towns Stricken.

Late advices from Centerville, Tenn., show that a score or more of lives were lost in last night's tornado, and that the property damage is \$100,000.

At Fayetteville, Tenn., the storm raged many residences, blew off one end of the Elk cotton mill, and killed three persons.

Four persons were killed and several hurt at Medina, Tenn. A score were injured in Madison County, near Jackson, and deaths were reported from Montgomery and Williamson Counties.

A man and a child are reported killed near Decherd, Tenn.; 12 persons are reported killed in Giles County near Pulaski.

Reports came from Morgan County, Alabama, of a tornado four miles west of Hartzell. Four people were killed and many injured. Full reports probably will give a serious loss of life.

Danville, Ala., was also struck by the storm. Among those killed were two telephone operators.

Railroad, telegraph and telephone communication was blocked and much property damage was done between Chattanooga and Nashville. Several persons were injured.

The storm demolished 18 houses at Ebenezer and five at Charleston, seven north of Chattanooga and four at Etowah.

At Oklawaha a poolroom was blown into the Mississippi River.

ELEVEN KILLED AT GOLDEN

Missouri Town Ruined by Gale of Thursday Afternoon.

CASSVILLE, Mo., April 30.—Eleven persons were killed and 25 or 30 hurt, 14 seriously, by the tornado which destroyed Golden, 17 miles east of here, late yesterday. The number of dead may be even greater.

The dead: MRS. WILL HENSON, MISS CORA PRENTISS, MISS BESSIE SANTSZELL, MRS. JARVIN.

Five persons who lived on King's River, five miles east of Golden, whose names have not been learned.

The entire town, with the exception of one stone building, was blown down and the people there are now without food or shelter. The population was about 500.

Reports from Northwestern Arkansas say many have been killed and damage to the amount of \$600,000 done by the storm.

MANY KILLED IN ALABAMA

Tornado Slays Four at Fayetteville, Several at Harms.

HUNTSVILLE, Ala., April 30.—A tornado struck Fayetteville last night and killed several people. The dead so far as known are:

MISS JENNIE KELSO, JOHN PROSSER, THOMAS WOODS.

Walter Fleming's home was blown away, and he has not been seen since.

Only four houses were left at Harms, five miles from Fayetteville, and several people are reported killed.

Decherd and Winchester, Tenn., and smaller towns in the territory were reported badly damaged.

SCORE KILLED IN TORNAO

Giles County, Tennessee, Left in Shambles by Fierce Storm.

PULASKI, Tenn., April 30.—Twenty persons are reported to have been killed and 40 injured in a tornado which swept over the eastern section of Giles County early today. Bee Springs, a village in the southeastern section, 16 miles from Pulaski, is reported to have been totally destroyed. The country in this section is devastated and details are meager.

ALTON IS LEFT BROKEN WRECK

Six Killed in Ruins of Thriving Missouri Town.

WEST PLAINS, Mo., April 30.—Six persons were killed and 15 injured last night at Alton, Mo., when a tornado destroyed most of the buildings in the town.

The dead: H. F. Sanders and daughter Lois, George Whitman and wife, Robert Cross and wife.

ARKANSAS SUFFERS BADLY

Ninety People Injured and Many Reported Killed.

MEMPHIS, Tenn., April 30.—Portions of three states within a radius of several hundred miles of Memphis were swept by storms of wind and rain, in some instances amounting to tornadoes, during last night, which claimed the lives of a score or more persons.

FATHER AND MOTHER OF NEW HEIRESS TO THRONE OF HOLLAND.

QUEEN WILHELMINA AND HER HUSBAND, PRINCE HENRY.

HOLLAND IS HAPPY

Entire Nation Rejoices Over Birth of Princess.

HERALDS ANNOUNCE NEWS

Quaint Ceremony Follows Coming of Heir to Throne—Clites Decorated Lavishly in Honor of the Event.

THE HAGUE, April 30.—The condition of Wilhelmina, Queen of the Netherlands, who gave birth to a daughter this morning, is satisfactory, the infant Princess is doing well and all Holland is celebrating.

Heralds, accompanied by trumpeters clad in ancient Dutch dress, made the rounds of the city, halting at the principal squares to hear the following proclamation:

Fellow citizens, with great joy we announce the news that Her Majesty, by the grace of God, has been delivered of a Princess.

The entire population of The Hague shares the feeling of deep joy of the Dutch people, and is thankful for the blessing bestowed upon the royal house and upon the country. May the happy event strengthen the bonds uniting the Netherlands and the House of Orange. Long live the Queen. Long live the Princess of Orange.

In spite of the heavy downpour of rain, the streets are daily decorated and great crowds are showing their gratification.

The accomplishment took place at 7 o'clock. The first persons outside the royal palace to hear the news were a party of workmen passing the residence of the Queen. The cheers then raised were the signal for general rejoicing.

Splendidly illuminated streets, thronged with a rejoicing populace, dancing, singing and throwing confetti, gave to the city a carnival appearance tonight. A torchlight and lantern procession was held by the students and was a great success. The crowds in front of the royal palace made the thoroughfare almost impassable.

Queen Wilhelmina slept well during the day and is progressing nicely. She expresses the intention of nursing the princess, beginning tomorrow.

BLIZZARDS AFTER GALES

STATES ON BORDER OF STORM AREA DEEP IN SNOW.

Zero Weather Reported in Many States and Early Fruit Crop Ruined—Cattle Suffering.

CHICAGO, April 30.—While the procession of tornadoes that swept from the Great Lakes down the Mississippi Valley to the Gulf of Mexico spread untold ruin in its path, on the edges of the meteorological disturbance there was experienced a different kind of disaster. Heavy snows and blizzards are reported from both the east and west borders of the disturbed area, and winter conditions prevail in Pennsylvania, the Northern Lake states and the more westerly states of Wyoming, Montana, Colorado and Northern Texas.

Anywhere up to a foot of snow has been reported from these states, with blizzards of the wildest kind raging in the North and West. Tremendous damage has been done to early small fruit crops, and the apple crop is also reported seriously injured. Aside from this, great suffering has been experienced on the sheep and cattle ranges, and many animals have already succumbed to the violence of the weather.

Freezing and zero weather is reported at many points, and the severest of conditions prevail. On the lakes great suffering has resulted, though the high winds that preceded the colder weather have apparently broken up the ice and liberated many blockaded vessels, thus alleviating to a certain degree the hardships of the lake sailors.

COLD WAVE DAMAGES FRUIT

Colorado and Texas Ranchers Fight Against Frost.

DENVER, April 30.—Temperatures as low as 25 above zero are reported from the fruit regions around Grand Junction, Colo., this morning, and much damage has undoubtedly been done. Hundreds of

fruitraisers are using smudge-pots to protect their trees.

Cold weather exists all over the mountain region and down into the Texas Panhandle. At Denver it was 19 above this morning and at Cheyenne 19 above. A high north wind prevails, and the weather bureau predicts heavy frost tonight. More than a foot of snow has fallen at Telluride, Colo.

BLIZZARD ON AT SUPERIOR

Wisconsin in Grip of Fierce Snow Storm and Gale.

SUPERIOR, Wis., April 30.—The blizzard which started yesterday is still raging. Snow is being driven by a wind ranging from 40 to 45 miles an hour.

LA CROSSE, Wis., April 30.—One of the heaviest snow storms of the winter is raging today. Four inches of snow has fallen and the storm seems likely to continue all day.

UTAH ORCHARDS DAMAGED

Cherry and Peach Crop Ruined and Apple Trees Suffer Badly.

SALT LAKE, April 30.—Reports from all sections of the state are to the effect that serious damage was caused by frost last night to the fruit crop.

The entire crop of cherries, peaches and other small fruit and much of the apple crop is blighted.

Iowa Under White Blanket.

DES MOINES, April 30.—Northern Iowa is suffering today from a severe snow storm. During the night three inches of snow fell at Fort Dodge. The snow is still falling. Webster City has an inch, while Mason City and Algona report that much wind is accompanying the snow. Telegraph and telephone wires are working badly and fruit is endangered by the freezing temperature.

Kansas Is Shivering.

WICHITA, Kan., April 30.—A cold wet wind from the north, heavy clouds that threatened rain momentarily, a 20-mile-an-hour wind and a temperature of 40 degrees above zero, was the weather here today. The temperature has fallen from 74 degrees to 40 since 4 o'clock yesterday.

Four Above Zero at Yellowstone.

CHEYENNE, Wyo., April 30.—A cold wave, accompanied in many parts of the state by heavy snow, prevails all over Wyoming, the temperatures in the Yellowstone Park region being reported as low as four above zero. Much loss of livestock will probably result.

Missouri Weather Bitter.

KANSAS CITY, April 30.—A 25-mile-an-hour wind from the north, with the temperature at 40 degrees above zero, were the conditions that prevailed generally in Western Missouri and throughout Kansas today.

Blizzard in North Dakota.

FARGO, N. D., April 30.—North Dakota tonight was swept by one of the heaviest blizzards of the year. The snow has been falling for 24 hours and this afternoon a high north wind arose.

Heavy Snow at Leadville.

LEADVILLE, April 30.—More than four inches of snow has fallen here since early this morning. The storm shows no signs of abating.

Freezing Weather on Prairies.

OMAHA, April 30.—Freezing weather prevails today over a large portion of the state, the temperature ranging as low as 24 above at North Platte.

Two Feet of Snow in Canada.

WINNIPEG, Man., April 30.—Manitoba is covered with snow ranging from a few inches to nearly two feet.

Below Zero in Wyoming.

LARAMIE, Wyo., April 30.—Below zero weather is reported from a number of points in Wyoming.

WILL BUILD NO ELEVATOR

But Canadian Needs Large Grain Warehouse and Docks.

WINNIPEG, Man., April 30.—William Whyte, second vice-president of the Canadian Pacific Railway, does not favor building terminal grain elevators at Vancouver nor at other Pacific Coast cities for handling the Western grain shipments to Europe and the Orient. On return from his visit to Portland, Or., he said today:

"I do not think terminal grain elevators on the Pacific Coast are necessary. During my trip to the Coast I visited Portland and other shipping points and noticed that grain, especially wheat, can be best shipped in sacks, and have concluded that a large elevator is not necessary. What is more required is a large warehouse and more dockage space properly to take care of all shipments from the West."

MIDDLE STATES IN HURRICANE'S GRIP

Devastation by Wind Proves Terrific and Residents Are Stunned by Disaster.

GALE REPORTED ON LAKES

As Wrecked Telegraph Wires Are Returned to Service, Extent of Damage Is Slowly Made Known to All.

CHICAGO, April 30.—Death and destruction followed in the wake of a storm which swept over the Middle West last night. In Chicago many buildings were unroofed, houses blown over and scores of people driven into the storm, many narrowly escaping with their lives. At least 20 are known to be dead, including those killed at Grand Crossing, a suburb of Chicago, in the collapse of a factory.

Great destruction was wrought by the storm before it reached the Great Lakes region.

At Golden, Mo., the business section of the town was destroyed and many homes were wrecked. Eleven persons lost their lives.

Wind Razes Dwellings.

At Sumnerville, Mo., the wind created havoc. Two persons were killed and many were injured. The dead are Miss Delury and Mrs. George Smith.

The storm was furthest in the southern part of Illinois. At Texas City four persons were killed and many seriously wounded. The dead are: Edward Overton, Mrs. Overton, her baby and a servant.

The town was wrecked. Great damage to property and crops was caused in Michigan on the East shore of Lake Michigan. Many vessels were imperiled.

Terror on Lakes.

Dispatches from Sault Ste. Marie, Mich., report that a steamer, believed to be the Aurelia, of the Corrigan line, was seen to sink in Wiltedek Bay.

At Michigan City, Ind., on the South shore of Lake Michigan, the wind storm was terrific and a portion of the wall of the Northern Indiana penitentiary was destroyed. Militia from South Bend were ordered to the scene to guard the prisoners.

In Wisconsin the storm was converted into a blizzard and for many hours there is raging today. Four inches of snow has fallen and the season in many towns, causing great damage to property.

At La Crosse and Superior, reports are that traffic was practically abandoned because of the drifts.

In the height of the storm, a child was seen in a basement in the southern part of Chicago, and carried by its mother, Catherine Murphy, seven miles to a refuge, the woman being knocked down repeatedly by the winds, but always falling in such a manner that the base es-

GALE KILLS ENTIRE FAMILY

Mammoth Springs, Ark., Reports Eight Fatalities.

SPRINGFIELD, Mo., April 30.—A special from Mammoth Springs, Ark., says:

A tornado passed 18 miles east of here last night, killing eight persons and injuring many others. The list of dead so far as known is: E. F. Frost and wife and daughter, George Whitworth and wife, Robert Frost and wife, Miss Holland.

Many houses were demolished near Mammoth Springs.

ALL PRISON WORK STOPPED

Damage at Indiana Penitentiary Is More Severe Than First Report.

MICHIGAN CITY, Ind., April 30.—Nearly every factory building in the State Prison was unroofed wholly or in part, and the industries are at a standstill. The militia arrived today. A temporary wooden stockade was built outside the line of the wrecked wall. The soldiers will be kept on duty until the stockade is finished.

TIDAL WAVE ON GREAT LAKES

Comber Ten Feet High Sweeps Ashore Near Detroit.

DETROIT, Mich., April 30.—A tidal

wave ten feet high at South Haven, on the east shore of Lake Michigan, caused \$2000 damage to waterfront property at South Haven.

At Pontiac where the storm approached the proportions of a tornado, the damage aggregates \$30,000. Much livestock was killed all over the state.

At Grand Rapids, the Grand River has risen four feet and flood warnings have been sent out.

Damages were done to telegraph and telephone wires in Western Michigan.

FLOODS FEARED ALONG OHIO

New Danger Threatens Stormswept Area in East.

PITTSBURG, April 30.—Flood warnings were sent out today in the Ohio valley. A stage of 25 feet, or three feet above the flood stage, is expected here by tomorrow. Heavy rains are reported at all points along the Allegheny River, and a rainfall of about three inches was general throughout that valley. At Bradford the 12 inches of snowfall yesterday was followed by a cloudburst, and that place has been partially submerged.

FOUR KILLED AT PITTSBURG

Fifty Buildings Damaged by Wind in Smoky City.

PITTSBURG, April 30.—Two more deaths reported today bring the total list from yesterday's storm up to four at Pittsburgh. Raymond Beery, 35 years old, was electrocuted by picking up a live wire. Mrs. Frank Wade, 50 years of age, died of heart disease during the storm.

Eight persons were injured and half a hundred buildings were damaged, some small ones being blown down by the wind, which reached a velocity of 67 1/2 miles an hour.

FOUR DEATHS IN TEXAS CITY

Illinois Town Practically Demolished by "Twister."

CARMI, Ill., April 30.—A tornado swept over Texas City, 32 miles south of here, this morning, killing four persons and injuring several more.

The dead are: Edward Overton, his wife, infant child and servant girl.

Many houses were destroyed and the whole town wrecked.

20-Mile Path in Ohio.

PIQUA, O., April 30.—A tornado, 20 miles wide, struck this section early today and caused a property damage estimated at \$100,000. The path of destruction extends over several counties, and great damage was done by the wind in the towns of Piqua, Sidney, Houston, Fletcher, St. Paris and Kirkwood. No loss of life is reported.

WATER SEEPS IN SEWER

BIG BROOKLYN PROJECT HAS BEEN DELAYED.

Executive Board Inquires Why Work Is More Than Year Behind Contract Time.

The fact that the big Brooklyn sewer has not yet been accepted by the city was called to the attention of the Executive Board at the meeting yesterday by Councilman A. G. Rushlight, who asked for an explanation of the delay, which he said was causing the prospective users of the sewer much annoyance.

The contract called for the completion of this sewer more than a year ago.

That the sewer is not yet in acceptable condition was the statement made by City Engineer D. W. Taylor. He said he had called the attention of the contractors to certain deficiencies which he thought might have been avoided by proper care and had informed them that the deficiencies would have to be made good.

In explaining last night the condition of the sewer and the long delay in its completion, Mr. Taylor said the contractors had encountered great difficulty because of the moist character of the ground in that locality.

Apparently, good material had been used in the construction, but the tunnel had not been kept free from water, which had loosened the mortar in places. This had fallen to the floor and hardened.

The sewer, he said, must be cleaned out and considerable repointing done. He said the repair of the damage would not be a matter of comparative moment to the contractors and should be accomplished without difficulty. The engineer for the contractors had informed him the final work was in progress and Mr. Taylor said he would make another inspection in a day or two.

O. P. H. Catron, Southern Officer.

WEST PLAINS, Mo., April 30.—O. P. H. Catron, Brigadier-General in the Confederate Army, died here last night, aged 75 years. He commanded the Eastern Brigade of the Missouri Division.

Military Broadcloth Capes

They're adapted from Parisian models and designs and are ideal wraps for matinees or piazza wear and dressy occasions; for receptions, dances and parties; extra full sweep, tailored in the best manner.

These military broadcloth capes are in mighty favor throughout the East and before many days will be in great demand in Portland.

Foreseeing the coming popularity of these capes, we ventured to order a very large assortment.

In all the pastel shades, trimmed with buttons with the L'Arabe draped front.

Price \$11.95 Each

500 Trimmed Hats

\$2.48

Ladies', Misses' and Children's Hats, stylishly trimmed in the very latest styles. These hats come in black and colors, are in every shape, and would sell in any store from \$5.00 to \$8.00 each.

In the assortment are many hats very suitable for middle-aged ladies, being more conservative shapes and less elaborately trimmed.

For young girls there are many pretty light hats, daintily trimmed in flowers and feathers, in large shapes with broad brims.

These hats are displayed in our Third st. windows, and a very attractive display is made in our Millinery Department, occupying many tables. Come and see them. To see is to buy.

The Blood is the Power That Defends the Body

This is the greatest and most important discovery of modern medical science. It ranks with the discovery of the circulation of the blood, which was made centuries ago. The blood protects the organs and tissues from disease, but it does so only when it is healthy itself. Healthy blood is pure blood, and at no season is it more necessary than in the Spring when there is so much exposure to disease germs. Hood's Sarsaparilla makes healthy blood. It is the medicine that purifies and enriches the blood and makes it normal in red and white corpuscles and all other constituents. It cures all humors and eruptions, catarrh and rheumatism, restores the appetite, cures paleness, weakness, nervousness, and builds up the whole system.

Hood's Sarsaparilla effects its wonderful cures, not simply because it contains sarsaparilla, but because it combines the utmost remedial values of more than 20 different ingredients, each greatly strengthened and enriched by this peculiar combination. These ingredients are the very remedies that successful physicians prescribe for the same diseases and ailments. There is no real substitute for Hood's Sarsaparilla. If urged to buy any preparation said to be "just as good," you may be sure it is inferior, costs less to make, and yields the dealer a larger profit.

Begin taking Hood's Sarsaparilla today. Get it in the usual liquid form or in chocolate tablets known as Sarsatabs. 100 Doses One Dollar.

The best food for growing children is

SHREDDED WHEAT

Contains all the material needed for building muscle, bone and brain—a food to study on, to play on, to grow on.
