BY W. J. PETRAIN.

Erratic fielding behind young Roy Willett in the first inning of yesterday's matinee with the frisky Seals, and the ex-college twirler's own wild toss in the fourth inning, lost the game to San Francisco by the score of 3 to 2. Silvers Henley, the recent bridegroom, was on mound for S. F. and, after the first inning, he was the original Mahatma in the mystery-working line.

The first inning was a runfest for both teams. The Seals started off when Willett passed Zeider and Mohler on wide ones. Tennant sacrificed neatly, and Bodie struck out, which made things look favorable. However, someone cut the string, or it may have been the femininity present or George Schreeder's passionate purple hosiery-anyhow, Melchior connected for a safe drive to center which was good for a single. It should have allowed only one run, but Buddy Byan dld the misjudging act and the ball bounded off his shoulder to the fence. Mel. brought up at third and Mohler and Zeider did the ping pong

stunt with the gong. The attenuated personage known by various appellations such as "Slivers" and "Cackle" then smilingly mounted the hill for the purpose of showing up the Portland batsmen. His intentions were of the very best, as was evidenced by his work in the remainder of the game, but he lost his range-finder on Buddy Ryan, and the Denverite walked.

#### Speas Brings In Two.

lvor Olson attempted to sacrifice, but he wafted and squatted. "Heiney" Speas was not so easily disposed of, for the ex-Clevelander punched one on the beak for a cushion, and two were on, awaiting the reliability of Manager Walter, and Manager Walter was not the least feazed by the galaxy of femininity. He biffed a double to right, scoring Byan and Speas, but was morgued trying to play the hog act at third. Had he been satisfied with two sacks, Henley might satisfied with two sacks, Henley might have been slaughtered—but what's the

With one out in the fourth, Willett passed the "hitless wonder," McArdle, and then threw the ball away trying to get his gift back by catching Mac off first, and the runner skated to third. Olson booted Henley's poke long enough to parmit McArdle to score.

to permit McArdle to score.

The next inning Spek Harkness was on the mound, and he had the Seals standing on their heads in the vain endeavor to knock the covering off the ball.

It was a fine game, even though we did less, for errors are in the game. The boys, while they booted a few, played hard all the time and contributed no bone-headed exhibitions such as marred the opening game.

While the larger portion of yesterday's gathering was composed of the fair ones.

While the larger portion of yesterday's gathering was composed of the fair ones. George M. Schreeder, owner of the Tacoma Northwestern League club, which opens here next week, and President William H. Lucas, of that organization, graced the stands with their presence. George liked the game immensely, but he thought some of the errors resembled Class Z instead of Class AA.

#### College Nine Takes Visitors Into Camp by Score of 9 to 4.

CORVALIAS, Or., May 7 .- (Special.)-In a ragged but interesting ball game, O. A. C. defeated Columbia University here today by a score of 9 to 4. With the exception of the first inning. Rebin, of O. A. C., pitched steady ball, allowing but six hits, striking out six and walking two of Columbia's men. Finnigan, twirler for the Columbia lads, showed good form at times, but went aviating in the fourth and eighth innings, when a total of seven runs and six hits were netted by the

Beavers.

Finnigan allowed nine hits, two bases on balls and struck out seven men. Columbia pulled off a triple play in the third, when with O. A. C. men on first and second, Shortstop Campbell made a grandstand catch of a hot one, threw to Davis at second, who in turn nabbed the man running from first. In the sixth interest of the catches of the second of the catches of the cat ning Perkins caught a long fly and doubled to first.

The O. A. C. team is considerably han-dicapped by the absence of Keck, who is a strong batter and a good hitter, and Harry Moore, the first baseman. Columbla will play another game here tomor

VANCOUVER, B. C., May 7 .- (Special.) Portland won today's game from the hamplon Beavers through the steady pitching of Pinnance, who allowed but two hits, the final count being 3 to 2. The series now stands three to two in

Portland's favor. Warren Hall also pitched good ball, holding Portland to six hits, but the Colts were fast on bases, their winning run being scored by Cooney, who came home from second on an infield out. Two more games will be played. Man-ager Dickson announced today that he would play a game on Sunday at North Vancouver, notwithstanding the decision of the Police Commissioners of that city

that Sunday ball must not be played.

To-day's game was devoid of interest-ing plays. Portland scored one run right off the reel, Casey singling and coming nome on Bassey's out, Quigley to Sugden. In the third the Champions evened up, when Snyder reached first on Casey's error and scored on Davis' liner into right field. There was no further scoring until the sixth inning, when Garry hit for two bases, went to third on a sacrifice and came home on Snyder's foozle of Murray's easy grounder. In the seventh, Portland added another. Cooney, walked, stole second and scored on an infield out, which the Beavers

went to sleep over. In the ninth inning with one down, Quigley knocked the ball into deep right field for a home run. The next two men up went out on pop flee to Mullins.

Than Air Contests.  NEW YORK, May 7.—It is probable that Dr. Alexander Graham Bell's aeropiane, the Silver Dart, now at Baddeck. N. S., will compete in the heavier-than-air contests to be held at Morris Park May 29. The Silver Dart is reported to have made several scores of nine-mile flights over the ice on the lake at Baddeck.  In the contests at Morris Park the \$2000 prize will be awarded to the machine that has never made a public flight and that makes a successful circuit of the Morris Park course, about 1½ miles, or that remains in the air 19 minutes. For a machine going less than this distance, but \$600 feet or more, \$1000 will be awarded, or the same amount for having remained 75 minutes in the air to be singless.	22 Years Established in Portland. ### Lame Back

WASHINGTON, May 7.—A congratulatory message was today sent by Acting Secretary of War Ollver to the Morris High School of New York City on winning the first inter-school rifle shooting championship of the United States, with a record score of 563, or an average of 56.3 for each boy. The prize is the Astor trophy, Among other schools making high scores was Hitchcock Military Academy, of San Rafael, Cal., 89. This is one of the most common forms of muscular rheumatism. It attacks the muscles in the small of the back. It often comes on suddenly and is so severe that the body can be moved only with great pain. Keep as quiet as possible, as every movement of the body aggravates the disease. Massage the affected parts with Chamberlain's Liniment three times a day until the pain, soreness and stiffness have entirely disappeared. It is prompt and effectual. KEMPTON PARK, England, May 7.— The Maiden 3-year-old plate of 126 sov-ereigns, distance one mile, was won today by Submit. Mat-o'the-Mint was second and The Major third. Among the 16 starters was J. R. Keene's Wamba II.

### TO THE VOTERS OF THE SECOND WARD:

I believe it my duty to advise the voters of the Second Ward that the letter purporting to be signed by five electors, advocating the re-election of my opponent, H. W. Wallace, for Councilman, was prepared and caused to be circulated by George S. Shepherd and L. A. McNary, two lawyers, who do not reside in the ward or have any interest therein, and whose business is largely in the interest of the "franchise grabbers" and those seeking "special privileges" from the Common Council.

The fact that Mr. Wallace recently voted for the so-called "blanket franchise" and has an attentive ear for the various "special interests" for which Messrs. Shepherd and McNary so zealously labor, may in a measure account for their efforts in his
