## Gigantic Sale Trimmed Hats at \$6.98

See the Three Big Windows, Fifth and Washington Sts.

The tremendous success of our sale two weeks ago, gave us an opportunity to surpass the values we offered at that time, and they stood for the climax in Millinery bargains in Portland. The last sale was even more of a success than we had hoped it could be, and we sold all the hats bought long ere we expected. The prestige given us by this tremendous deal reached the ears of another wholesaler whose name is synonymous with quality wherever fine headgear is known. He wanted a large operator to take an immense surplus off his hands and we were wired to come and inspect the line. Our millinery chief made a flying trip and made the "buy of his life." Says that in ordinary times he can't buy hats like these for less than TWICE FOR WHAT HE'LL SELL THEM FOR NOW. Paid cash on the nail for every hat in the lot—AND BROUGHT THEM WITH HIM.
