

"FAMILY WORSHIP" IS THING OF PAST

Presbyterian Assembly Is All Wrought Up Over These Words.

QUICKLY CUTS THEM OUT

Church Asked to Send Missionary for Each 1000 Communicants, So That 500,000,000 Heathen May Be Converted.

DENVER, May 26.—A resolution beginning "Whereas, family worship is a thing of the past," came near disrupting the general assembly of the Presbyterian Church today, when the innocent-sounding sentence was discovered by Vice-moderator Holt.

Bone of Contention Cut Out.

A half dozen watchful commissioners were on their feet asking if the objectionable sentence would stand. Upon this sign of trouble, Dr. Roberts, the stated clerk, made a quick correction, using the word "neglects" and trouble was averted.

The report of the standing committee on foreign missions was adopted. Dr. Howard A. Johnson, of Colorado Springs, who spoke on the report, said there were more than 500,000,000 heathen yet to be converted and broached the feasibility of every 1000 communicants sending one missionary into the field.

Dr. George B. Stewart, president of Auburn Theological Seminary, presented the report of the educational committee. He pointed out the lack of religious training in the home.

Resolutions were adopted deploring the dismissal of Robert Watchorn, ex-commissioner of immigration at Ellis Island, and the action of the Belgian government in prosecuting W. H. Morrison and W. Sheppard, both missionaries from the coast.

Says Japs Better Residents.

That the Japanese residents of the West is a better Christian than the one who seeks to keep him out of the schools and the country, was the intimation of Dr. A. W. Halsey, of New York, secretary of the board of foreign missions.

"I have received a letter," said he, "from a man representing the Japanese in various West states. He says that his people have raised \$3000 for the evangelizing of the Japanese, and he wants the assembly to give a license to a couple of hay-makers that jarred Sheppard badly and he went to the mat, and Melms lost the fight and the decision went to Kelley."

SIX INDICTMENTS FOUND

UMATILLA GRAND JURY PUTS IN BUSY DAY.

One Charge of Murder Lodged and Three Men Up for Illegal Selling of Liquor.

PENDLETON, Or., May 26.—(Special).—One indictment for murder in the first degree, three indictments for illegal liquor-selling and two indictments which have not been made public because the accused are still at large, are the result of one day's work by the Umatilla County grand jury. Mike Ryan, the aged bachelor rancher who killed H. E. Dixon, was indicted for murder. The other indictment was against Jacob Sheppard, the man charged with violating the liquor option law.

C. E. BORDEN DIES ON CAR

Employee of the Oregonian Victim of Heart Disease.

C. E. Borden, aged 66 years, who lived at 112 South Depot street, St. John, died of heart failure in a St. John car, while en route to his home, at 8 o'clock last night. His sinking condition was discovered by passengers when the car reached Cherry street on Williams avenue. He was removed from the car and taken into the Finn Pharmacy, but before medical aid could reach him he was dead. Heart failure was the cause of death, according to Dr. Ben Nordin, County Coroner, who made a preliminary investigation of the case after the remains had been removed to the morgue at Dunning, Meeker & Gilchrist.

Deckhand Assaults Engineer.

RAINIER, Or., May 26.—(Special).—During a fight on the steamer Marie last night, Mitchell Coninger, a deckhand, assaulted Ed James, engineer, cut a deep slash in his head and badly battered him. He was arrested and placed in jail here, but this morning broke out and has not yet been apprehended.

DANCEHALL TO RUN

Council Turns Down Protest of Mount Tabor Residents.

OBJECTION IS TOO LATE

After O. W. Hoxford Has Invested in Building and Taken License It Would Be Unjust to Inter-vene, It Is Decided.

The people of Mount Tabor met the City Council in combat yesterday and lost their battle, when Councilmen Annand, Baker, Redding, Prisco, Dunning, Heppner, Wallace and Wells voted against the passage of an ordinance prohibiting a dance-hall and skating rink at East Sixty-ninth and Belmont streets. Councilmen Bennett, Cellars, Concannon, Corbett, Menefee, Rushlight and Vaughn voted in favor of the measure, but the ordinance failed by one vote.

Captain O. W. Hoxford had applied for permission to operate a skating rink and dance-hall at Mount Tabor, to which 200 people objected, as shown by their remonstrance, filed with the Council. They declared to the members of the Council that the presence of the institution sought to be placed there, will be highly detrimental to property interests and to the morals of the community, and pleaded that their homes be protected.

Councilmen Baker, Cellars and Driscoll took up the fight in behalf of the dance-hall and skating rink and won it, on their argument that Captain Hoxford acted in good faith; that he took out his building permit, frankly stating for what purpose the building is to be used; that he then secured his license to conduct the rink and expended about \$1500 in construction work, and that he is entitled to reimbursement, if he is to be prohibited at this time from carrying out his project.

Mr. Vaughn was the chief advocate of the ordinance. Mr. Vaughn declared that, in undertaking to establish such a place in a residence community, Captain Hoxford took the risk of failure to secure permission from the Council, and is not entitled to any reimbursement whatever. It being his own mistake, Mr. Vaughn ridiculed the idea set forth by Messrs. Baker and Cellars, that the Mount Tabor people pay Captain Hoxford at least part of the amount expended already. Mr. Bennett, in whose ward the site lies, said that any man who would try to put such an institution in a residence neighborhood deserves to lose his money, and urged the passage of the prohibitory ordinance.

A large delegation was present from Mount Tabor, protesting against the proposed dance-hall and pavilion, some of whom pleaded earnestly with the members of the Council to pass the ordinance prohibiting it. They urged that, as the Council had prohibited just such a place on Portland Heights by three ordinances ago, through the activity of Councilman Annand, it should be prohibited in this instance. However, when the vote was taken, their wishes were defeated. The people will take the matter into the courts if the establishment is opened, they said.

Captain Hoxford yet has no license for the rink, the Council having withdrawn the one he secured from the City Auditor prior to the filing of the remonstrance. Councilman Menefee's ordinance, making it necessary to apply for such license to the license committee, was passed yesterday afternoon, and this will bring Captain Hoxford's application to this committee, if he makes one. In case he applies, the fight will be renewed, the Mount Tabor people endeavoring to persuade the committee not to grant one.

BLAZE ROUTS LODGERS

FLIE TO SAFETY FROM EARLY MORNING BLAZE.

Flames Do \$3000 Damage in Umbrella Factory, but Hooping-House Above Escapes.

Pile of unknown origin broke out in the umbrella factory conducted by Mrs. M. Moore, at 21 Third street, at 1:15 o'clock this morning, creating a panic among the lodgers in the Laurel rooming-house, which occupies the upper floor of the two-story frame structure at Third and Pine streets, and damaged the stock of the umbrella factory to the extent of about \$3000.

The flames were discovered by Night Watchman Ed Geaslett, who first aroused the 20 or more sleeping guests in the lodging-house, and then turned in an alarm. Owing to a false alarm from Front and Morrison streets at the same time it was several minutes before the fire department could respond to the two calls owing to the conflicting boxes.

Management of the lodging-house managed to get the guests out of the building before the department arrived. Aside from the damage wrought by smoke, the upper story was uninjured, and the roomers were able to return to their beds without danger. The flames were extinguished by the use of chemicals, for Battalion Chief Young ordered his men not to use water unless absolutely necessary, and in this manner spared considerable damage.

NEGROES ADVISED BY TAFT

President Tells Students to Gain Respect of Their Neighbors.

WASHINGTON, May 26.—Speaking to the colored graduates of Howard University near this city today, President Taft declared that never at any time has the future of the negro, as a race, appeared more hopeful and bright than now.

Mr. Taft urged upon the negro the importance of gaining the respect and confidence of the white people among whom he lives.

"I am far from saying," said Mr. Taft, "that the colored race today would be better off if they all had university education. No race would be better off if all were educated as university men."

Mr. Taft said that the colored race needed more physicians to teach them how to obey the laws of hygiene. Secretary Hallinger also spoke.
