White Waists 250 Dozen \$15 Values at \$1.89

When we snapped up this lucky purchase we made the most fortunate stroke of business in our career as merchants. 'Twas one of those chances that come only once in a long time, and we were on hand for opportunity to give us a chance. The whole immense lot—250 dozen—was offered us at a price absurdly low if we took them all. Now just stop and think what 250 dozen means—3000 Waists.
But we knew that we could sell them at a price that would make them melt away like June frosts. So here they are. Made of extra fine quality lawn, linen, and other pretty white goods and trimmed in an endless variety of styles with lace, embroidery, tucks, etc.
The illustration shows four styles. See the Fifth-Street Window Display. Regular values up to \$15.00, for our Annual White Sale the price is only
