BY W. J. PETRAIN.

Big Eddie Kinsella, Pearl Casey's star slab artist, came within an ace of performing the unheard-of feat of shutting the same team out twice in a series without allowing a hit or a run, for in the afternoon session of the double engagement yesterday Eddie succeeded in blanking the Spokane Indians. They are credited with two hits because Jensen, the pitcher, registered a Texas Leaguer, and Umpire Carruthers failed to see Buck Connors' bounder roll foul. The score was 3 to 0.

Spokane's failure to count gave Portland four out of seven games decided in the series and the third shutout against the hard-hitting band during the week. The morning game went to a 12-inning draw at 3—all for two reasons. It should have been Portland's game, but Spokane put three over in the ninth, tieing it up, and the game was called by agreement at the end of the 12th. Casey should have had Guyn walk Connors in the ninth, for he scored two runs in his double and registered on a bad decision by Carruthers.

Big Crowds See Contest.

With a most flattering crowd on hand at the afternoon struggle, Casey sent big Eddie against the sluggers, and big Eddie had yards the best of Irven Jensen. Connors' foul hit in the fifth and Jensen's pop fly, which landed just out of reach of Phil Cooney and "Count" Bassey in the sixth, were the total damage done Kins.

Portland found Jensen frequently enough to register three runs. Casey opened the first inning with a slow bounder to Altman, who, in his hurry to get the runner, threw wildly to first, and Pearl brought up at third.

Cooney fanned, but Bassey scored the manager with a single. Two-baggers by Garry and Staton gave us another in the fourth and Conney's single and steal, followed by Mullin's hit, gave the third run in the eighth.

VANCOUVER WINS MATINEE

Tacoma Takes Morning Game, but Loses in Afternoon.

TACOMA, Wash., May 31.—Tacoma and Vancouver broke even here today, the Tigers taking the morning game, 8 to 3, and the champions the afternoon contest, 4 to 1. Hickey was wild in the first inning this morning, and several bases on balls, together with three scratch hits, gave Tacoma four runs. Claflin was also wild, but was given perfect support. Tacoma could do nothing with Engle in pinches in the afternoon, while the champions batted Samuels out of the box in three innings. Grady, who replaced Samuels, pitched good ball. The fielding of both teams in the two games was excellent. Scores:

SEATTLE GETS SENSATIONS

Wins Twice From Aberdeen in Hotly-Played Games.

SEATTLE, May 31.—In the morning game Seattle got 15 hits, including two doubles and two home runs, netting 11 runs as against 3 for Aberdeen on seven hits, including one homer. Capron was the star in the field and at bat. In making a catch of Streib's apparently safe hit by a headlong dive he plowed into the ground and tore loose a ligament in his knee.

Seattle took the afternoon game by a score of 3 to 1. The batting was about even and Raymond killed Aberdeen off by spectacular double plays, Bennett helping out, every time a chance to score offered. Bower made a wonderful one-hand stop. Scores:

DECATUR AND BLOOMINGTON PLAY 26 INNINGS.

Phenomenal Fielding and Pitching Prolong Struggle for 4 Hours 20 Minutes.

BLOOMINGTON, Ill., May 31.—Bloomington and Decatur, of the "Three I" League, broke the world's professional record for long baseball games in a contest that went 26 innings today, Decatur winning, 2 to 1. The first 10 innings were played in a steady drizzle.

The fielding on both sides was sensational and the pitching of both Burns and Clark was phenomenal. Decatur won in the 26th inning, when Fisher was hit by a pitched ball and Burtell made a three-bagger. The actual playing time was 4 hours and 20 minutes. Score:

An even break down below and a victory and a tie game at home is not so bad a showing for the Portland teams on Memorial day.

* * *

Big Eddie Kinsella came so close to scoring another no hit, no run game that Joe Cohn, the Spokane magnate, nearly had heart failure.

* * *

Umpire Carruthers, who had enjoyed a good week, had a bad day yesterday. His decision in the morning game was only on a par with the one which gave Connors a hit in the second game.

* * *

Catcher Gus Fisher, the new acquisition for the Coast League team, arrived here yesterday. He is about the size of Armbruster, and is rated as a crack backstop.

* * *

Fisher was most agreeably surprised to meet Howard Guyn in a Portland uniform. The two have played together during the past two seasons. They were in Texas in 1907, and with Zanesville last year.

* * *

The Aberdeen team is such an in-and-out combination that there seems little hope for it now. Casey's team plays a six-game series at Black Catville and Phil Cooney says they will take five games this week.

* * *

Every team on the Coast yesterday got an even break on the holiday date doubleheader except Aberdeen. Spokane did not win either game, but the Indians got a tie in the morning contest.

* * *

Pearl Casey's Colts leave this morning for Aberdeen and are scheduled to play there immediately after their arrival this afternoon. The boys reach Black Catville at 3 o'clock and the game commences at 3:30. Not much time for practice.

* * *

Next week Casey storms Tacoma town and the following week he invades Dugdale's stronghold. The doughty little manager has promised to trim Mike Lynch's leaders, and says he is going to do it on the Seattle lot.

* * *

Jack Killilay, the Spokane slabster who worked in the Portland game, is just about as keen a twirler as there is in the Northwest League. This boy Jensen is some good himself.

* * *

Dolly Gray pitched Washington into a victory against the New York Highlanders, but Big Bill Burns and Harry Sutor, two other Coasters, could not stop the Detroit Tigers.

* * *

The 26-inning game played yesterday at Decatur breaks the record of the Grand Forks and Fargo teams, which played 25 innings in 1891. The longest major league game was the Philadelphia-Boston American League 24-inning game in 1906. Portland and San Francisco played the longest game on record in Portland, which went 20 innings on August 3 last.

Manager Brown and his Spokane Indians left last night for Vancouver, B. C., where they play the Canucks in the next series. These teams will play next Sunday's game in Seattle, as Dug's team is scheduled at Tacoma this week.

Happicus Hogan and his Vernon team, the tail to the Los Angeles continuous baseball kite, and the easy meat of the San Francisco team, is the next visiting club to perform on the Vaughn-street lot. Vernon and Portland play here tomorrow.

SAN FRANCISCO, May 31.—(Special.)—After being beaten to a pulp in the morning game by the Portlanders, the Seals came back to life like Battling Nelson in the afternoon and following suspense that made the local fans bite most of the nails out of the bleachers, the locals fell upon the Beavers in their half of the seventh inning and there were pieces of beaver hide all over Recreation Park. The morning score was 6 to 1 for Portland and the afternoon was 5 to 0 for the Seals.

The Seals seemed to be suffering from an excess of payday in the morning, from which they recovered in the afternoon. The only one of the locals who was not embarrassed by too much coin seemed to be Zeider, who clouted one over the barriers for the whole route, making the only tally for the Seals.

Afternoon Far Different.

But in the afternoon there was a different tale to tell to the waiting, breathless world. It was neck and neck until the boy at the score board put up the number seven. Then it looked for a moment that calamity was about to strike our fair city in the slats. With just one out, the Beavers completely populated the sacks in their half, and it seemed that all the oxygen in the tanks couldn't save the gasping Seals. But Easterly stood his ground like the lad who held the bridge at Rome, and the next two went to the mat.

All the Seals Chip In.

Then every one of the Seals did something for his home and fireside. Bodie walked, Melchior clouted for two bags; then Lewis hit and brought them right over the pan. Berry tapped one and the first baseman of the Beavers was off his post of duty. When he returned Lewis was on third and Berry was on second. McArdle lobbed out a Texas leaguer and Lewis scored. Easterly sacrificed, Zeider bunted and when the Beavers were untangled Berry and McArdle were in port. The scores:

For 62 Years the World's Best Whiskey

This aristocrat of all whiskies—Cedar Brook Whiskey—has the richest flavor of any whiskey known. Since 1847, knowledge and experience in making and maturing have made it the quality leader. There's a green Government stamp over the cork on each bottle of

W. H. McBrayer's
"Cedar Brook"
Bottled in Bond

This little stamp means much. But the name Cedar Brook means even more. The Government stamp means Government supervision from the raw grain to the finished product. Uncle Sam's requirement that the whiskey be pure, straight, 100 proof, full measure and aged—at least four years—has been complied with.

But—Cedar Brook is all this and more. Other whiskies, as well, pass this examination, yet there is no whiskey that can come up to the Cedar Brook test. Uncle Sam's requirements are only part of the Cedar Brook test.

The name Cedar Brook guarantees not only that every Government requirement has been complied with, but guarantees quality supreme, a wonderful flavor and smoothness, a delicacy and a richness both incomparable. It must be aged six, usually eight years or over, instead of the governmental four.

The choicest grains and purest spring water are aged in charred oaken casks.

At all places where good liquor is sold.
