

VERNON DEFEATED IN WEIRD GAME

Both Teams Play Ragged Ball, but Visitors Put Up the Worse Exhibition.

HARKINS JOKE ON MOUND

Pitcher With Good Record Fails to Get in Contest at Any Stage. New Beaver Catcher Lets in Two Tallies.

PACIFIC COAST LEAGUE. Yesterday's Results. Standing of the Clubs.

Vernon and Portland played weird baseball yesterday afternoon, and because the visiting club contributed more bad plays and threw the farther away than did the Portland players, the home team secured a 9-to-4 decision over the #100kians.

A lad named Harkins, who has pitched some good games this season, occupied the staff, and if it was not for the fact that his previous performances are on record it would be hard to believe that he is other than a hay pitcher.

Jesse Garrett opposed the Vernontite and pitched fine ball until Portland got such a big lead that the little Texan took things easy.

McCrede found Harkins for another homer in the fifth and this clout swelled Portland's total to seven runs.

Outfielder Ben Coffey of the Vernon club has been called his home at Peoria, Ill., by reason of the serious illness of his wife, Captain Ote Johnson, of Portland, is also unable to play, as he is suffering from a spiked foot.

The official score of yesterday's game follows:

VERNON. AB. R. H. PO. A. E. Stovall, cf. 5 1 1 1 0 0 0

PORTLAND. AB. R. H. PO. A. E. Olson, ss. 3 0 0 1 0 0 0

Strike out—By Harkins 1, by Garrett 2. Two-base hit—Byan. Home runs—Garrett 2, Byan 2, Harkins 1, McCredie 1.

O. A. C. TO MAKE PROTEST

Claims Baseball Championship of State.

OREGON AGRICULTURAL COLLEGE, Corvallis, Or., June 3.—(Special.)—Asserting they have won two out of three games from the University of Oregon, the students of the Agricultural College claim the state baseball championship. It is agreed that the first game between these schools was invalidated because the varsity played Curtis Coleman in violation of the conference rules of the remaining three games, the College team won two.

It appears that Coleman, who played professional ball at Salem last Summer before he was taken out of the game, is in violation of the conference rules. A formal protest will probably be entered.

Autos to Stop at Baker. BAKER CITY, Or., June 3.—(Special.)

This city is the only point in Oregon where the ocean-to-ocean automobiles will register in their contest this Summer. Official blanks have been received by local parties here and no car that has been entered in the race will pass this city without filling out a blank and being officially recognized.

JESSE GARRETT was enough to assure a Portland victory yesterday. Still the Vernon club did not need to play such a fierce game.

Dick Breen is playing a great game at second base these days. Yesterday he again took several hard chances and got his man at first.

Two home-runs in one inning, and both inside the lot, was a portion of what the Portland batsmen did to Harkins. McCredie and Kennedy each managed to hit over Stovall's head for the circuit.

Pitcher Schafer, the Vernon phenom, who has done so well this season, is not with Happiness on this trip. Schafer complained of being ill and was sent home from Sacramento.

The Philadelphia Americans yesterday used five pitchers in the game against Chicago, yet lost by heavy odds. Fielder Jones' old team used three pitchers and won 3 to 2.

The Pittsburgh team continues to maintain a wide gap between first and second places in the National League. The Pirates have almost as big a lead as has Mike Lynch's Turks.

Catcher Fisher looms up like a most valuable asset to the Portland club. He had had luck in the first inning when he mended one of Garrett's spit balls, but he made up for this later on.

Happy Hogan has developed into the most consistent and persistent kicker in the Coast League. He has about 30 arguments in 30 minutes to spring on McGreevy, but the ump succeeds in canning about 25 of them.

NEW MULTNOMAH INSTRUCTOR IS RECORD HOLDER.

Arthur Cavill Is Member of Famous Australian Family of Aquatic Athletes.

The Multnomah Amateur Athletic Club, in securing the services of Arthur Cavill as the new swimming instructor, has brought to Portland one of the best-known swimmers of the world.

Cavill is a member of the famous Cavill family of Australian swimmers.

While he will make a specialty of the men's and boys' classes, Instructor Cavill intends to work up interest among the women of the club. While he was in San Francisco at the Olympic Club in San Francisco Cavill succeeded in developing several swimmers who will swim the Willamette

NORTHWESTERN LEAGUE. Yesterday's Results. Standing of the Clubs.

ABERDEEN, Wash., June 3.—(Special.)—Aberdeen batters could do nothing with Seaton's delivery today and Portland won in the rather listless exhibition by the score of 3 to 1.

Siever, who occupied the slab for Aberdeen, was not effective at critical times, and was rather free with his passes, which accounts in a measure for the loss of the matinee, although opportune slugging in the seventh drove in two runs.

Casey, the first man up in the third, drew a pass and Conroy was similarly favored. Adams pulled off a pretty sacrifice after Bassey had been retired.

Portland annexed two more in the seventh, on singles by Bassey and Garry, aided by some classy baserunning. Aberdeen's only run came as a result of a pass to first issued to Carr, a fielder's choice, a wild pitch by Seaton and a single by Strieb.

Features of the game were the fielding of Adams and Bassey and a sensational running catch by Le Jeune. Seaton drew a fine of \$5 from Umpire Carruthers for exhibiting temper over a decision.
