(Continued From First Page.) can be shown that more than 22 cents an hour can be paid without crippling the finances of the company the men will insist upon a further advance in wages. Disturbances reaching almost the pro-portions of a riot broke out in several parts of the city laie this afternoon. In the northeast section of the city a crowd attacked a trolley crew and burned the car, and in another part of the same section a policeman was badly hurt by being hit with a brick. Several other persons were injured and soveral arrests were made. The fire de-partment was called upon to disperse the crowd.

WILL NOT YIELD TO STRIKERS

McCloud Lumber Company Rejects

Italians' Reduced Demands.

MCLOUD, Cal., June 4.-The striking lumber mill men this afternoon reduced their domand for an increase of 50 cents a day to 25 cents. The McCloud Lumber Company refused to accede to this, Presi-dent Quale declaring that, rather than give is, the company would close its plant indefinitely if it was found impos-sible to get workmen to replace the strikers. strikers.

of penver, won by a small margin to-night from Sammy Smith, formerly of Philadelphia, in a ten-round bout which went the limit. The ex-lightweight champion was badly marked when the final gong

The first three rounds were fast, with Corbett up and coming. Smith slowed his opponent in the fourth, fifth and sixth by long range jabs and in the seventh developed such speed that it looked like a knockout with Corbett taking the count. The bell saved him.

LABOR PICKS ITS BALLOT Central Council Turns Down Nearly All Amendments on the Ticket.

At a special meeting of the Central Labor Council last night to consider the ballot to be voted on Monday, the council voted that all the amendments from No. 102 to No. 149 be condemned inclusively. The council indorsed No. 100, the charter "Board of 15" act, placing itself on record as favoring the commission plan of gov-ernment. ernment. The ordinance regulating electric wiring The ordinance regulating electric wiring was favorably reported on, as was the provision providing for the municipal lighting plant. The council decided to take no action on either of the liquor provisions. The remaining petitions on the ballot were left to the judgment of the voters.

Omaha Gives Rousing Reception to Voyagers to Louisville Meeting

as Special Pauses.

OMAHA, Neb., June 4.--(Special.)-The special train bearing the imperial delegates from the Northwest, bound for the Shrine meeting at Louisville, arrived here at 9 o'clock and remained three hours. three hours

arrived here at 9 o'clock and remained three hours. On board were 60 men representing the following temples: ElKader, Port-land; Hillah, Ashland, Or.; Afifi, Tago-ma; Elkatif, Washington; Calam, Lew-iston, Idaho, and Gezeh, Victoria. At the Union Station the delegates were met by the reception committee of Tangler Temple, Omsha, and re-freshed with camel's milk, after which they visited about the city. On the special this morning the dele-gates met in executive session and elected W. C. Bristol, of Portland, per-manent chairman. They decided to vote as a unit on all matters affecting the order comfng before the Imperial Coun-cil. An attempt will be made to pro-cure representation for the Pacific Northwest on the Imperial Divan, and to set Ellis Lewis Garretson, Potentate. of Afifi Temple, named for Imperial Guard. As a steering committee to accomplish farctori's election Bristol appointed the following: William Davis, Portland; William Pink, Tacoma; M. T. Hartson, Spokane; R. V. Kuhn, Lewisston; A. A. Davis, Victoria, and John C. Slater, at large. large.

The special will reach Cedar Rapids, Ia., at 5 tomorrow morning, and be en-tertained during the day by Elkshir Tem-ple, to which E. I. Alderman, Illustrious Potentate, belongs. A big coremonial ses-sion in honor of the Pacific Northwest delegation will be held tomorrow night. There has been a continuous reception along the route, and every member in the party has been initiated a Knight of Aaron.

WIRELESS PHONE SUCCESS

System Invented by French Naval

Officers Works Well.

TOULON, June 4.-Trials of the wire-less telephone system invented by Naval Lieutenants Jeance and Colin were made today between the armored cruiser Condo, which was at sea, and stations on the shore. The conversation was carried on perfectly at a distance of 110 kilometers.
