VAN CLEAVE SCORES GOMPERS' METHOD

Head of Buck Stove & Range Co. Declares Labor Leader Fails to Obey Law.

SAYS NOT INTIMIDATOR

In Replying to Charges of Union Chief, Manufacturer Says He Has Relied Solely Upon His Constitutional Rights.

SEATTLE, Wash., June 17.—J. W. Van Cleave, president of the Buck Stove & Range Company and chairman of the National Council of Industrial Defense, was given a banquet by the Manufacturers' Association of Seattle tonight. Mr. Van Cleave discussed the recent statement by Gompers referring to him as an "intimidator of unions." Mr. Van Cleave said:

"The only weapon of intimidation I have used in conflicts which have been forced upon me for the protection of my personal and property rights was the law of this land. Gompers seems to think that when I seek the protection of constituted authority, which decided adversely to his notions of civil rights, I am seeking to intimidate himself and his followers, but when he and those whom he leads determine to destroy my business unless, I agree to accept the industrial conditions which he proposes, he is exercising his position to injure another.

"I use no weapon but legal remedies, guaranteed me by the law of the land. Gompers has insisted upon using every method which the state and Federal courts have repeatedly condemned, and that not only before the courts had disapproved his policy, but after they had expressly rejected it."

GOMPERS WILL DEFY COURT

Labor Leader Says He Will Have Constitutional Rights.

NEW YORK, June 17.—Samuel Gompers reiterated tonight his determination to defy court injunctions, if necessary to uphold what he regards as his constitutional rights. Mr. Gompers will sail on Saturday to Europe to visit labor organizations there and to study conditions affecting emigration to this country and foreign competition with home industries.

His address was made at the bon voyage given by the executive council of the American Federation of Labor. Mr. Gompers said then unexpectedly presented by the Federation earlier in the evening with a purse of money by one of the speakers, after having voiced his confidence in Mr. Gompers.

"I have followed the Biblical precept," said Mr. Gompers, "that if they smite the right cheek, hold out to them the left, but if there are no more cheeks to be smitten, you have to fight. When it comes to be a choice of maintaining my rights as handed down to me by the Constitution and disobeying an injunction which denies me those rights, I shall not hesitate."

THAW MAY SIT UP LATER

Court Rules Prisoner Need Not Retire Until 9—Hearing Delayed.

WHITE PLAINS, N. Y., June 17.—Harry K. Thaw will have to wait in the Matteawan asylum until July 6 for a hearing to determine whether he is sane and in a condition to be released from the asylum. The case came up before Judge Mills here today on a writ of habeas corpus obtained by Thaw, but the hearing was postponed until July 6, at White Plains.

Justice Mills denied Attorney Morschauser's request that Thaw be kept either in Westchester or Dutchess County Jail until the hearing; but he ordered the Matteawan authorities to allow Thaw to remain up until 9 P. M. instead of the regulation hour of 8 o'clock.

When Thaw's mother heard the decision to delay the hearing she fainted.

WEDDING BRILLIANT AFFAIR

Edelstein-Hexter Nuptials Celebrated by Fashionable Gathering.

A pretty wedding last night was that of Miss Caroline May Hexter, the eldest daughter of Mrs. Lillie Hexter, to Samuel Edelstein, of Spokane. The ceremony was performed by Rabbi Jonah B. Wise in the dining-room of the Hill Hotel. The decorations were elaborate, the benediction being given under a canopy of greens and bride roses. Mr. and Mrs. Edelstein left on the late train for the Sound, and later will go on a trip through Yellowstone Park.

MONMOUTH NORMAL CLOSES

Class of 45 Is Graduated and Alumni Officers Chosen.

MONMOUTH, Or., June 17.—(Special.)—The commencement exercises of the normal school with 45 graduates were brought to a close Wednesday evening with the alumni programme and annual banquet following. The class reunions were marked by an unusual spirit of fellowship, and throughout the entire week the greetings of returning students marked one of the most pleasant closing years in the history of the school.

Among the features of the week's exercises was the able sermon Sunday to the class by the Rev. Mr. Nave, of Albany College; the musical concert of Tuesday evening, the addresses to the class on Wednesday by President Campbell, of the University of Oregon, and Dr. Wetherbee, of Portland.

The alumni meeting was animated by spirited discussions of the embarrassment of the normal school system in the state, and the probable outcome. The officers of the alumni association elected for next year are: President, Ira C. Powell; vice-presidents, A. C. Hampton, F. S. Crowley; secretary, A. L. Briggs, and treasurer, Mrs. J. B. V. Butler.

Resolutions were passed commending President Ressler for the faithful service he has given the school during the past two and a half years, a portion of which time he has served without salary.

Citizens of Monmouth are receiving the situation philosophically, and while regretting the action of the normal board of regents in closing they do not censure them in any way, as it is generally recognized the board has done the proper thing under the circumstances.

The works announced by Dr. Eliot in addition to the 15 formerly named are as follows:

LABOR THREATENS RECALL

Actions of Spokane Councilman Displease Constituents.

SPOKANE, Wash., June 17.—(Special.)—The removal of E. V. Lambert from the city council under the "Recall" amendment to the city charter is being threatened by the labor unions and many business men in sympathy with organized labor.

The attitude taken by Lambert on the day labor question in connection with the construction of bridges has incensed labor to the extent that open threats were made today against him and pressure is being brought to bear on labor leaders to start petitions in the third ward calling for a new election.

"I have been urged to take the lead in this matter not only by laboring men, but by many prominent citizens," stated Thomas Maloney of the federal union this afternoon.

RESULT UPSETS POLITICS

(Continued From First Page.)

were chosen under the old convention system.

The resolution was introduced by Frank S. Ryan, a Sullivan member from the Thirty-fourth Ward, and was supported by Sullivan committeemen with the idea that they might possibly lose in the primaries. At the election, however, the Sullivan men were victorious, and, instead of being a means of protection, the resolution now promises them serious trouble.

Direct primary legislation will be Governor Deneen's slogan for the special session of the General Assembly, which he probably will convene at Springfield, in the latter part of October or early in November.

The Governor arrived in Chicago today, more firmly than ever of the opinion that the people will not accept anything except a direct primary law of some kind. He would not say that he might not agree to the measure with a convention feature, but intimated that he thought the act he would stand for would have to provide for pretty direct expression from the voters in the matter of nominations.

New York.—At the wedding of Dr. Isidor Liebowitz and Miss Ethel Karp next Wednesday, 10,000 persons have been invited. Preceding the wedding, the bride's mother will give a Kosher dinner to 400 poor people of the East Side.

LET POLITICS ALONE

Cardinal Gibbons Warns Girls Against Suffrage.

WOMAN'S PLACE IS HOME

Should Preach to Fathers and Brothers, for Without Her Influence Society Would Go to the Devil, Says Prelate.

EMMETTSBURG, Md., June 17.—In an address to the girl graduates of St. Joseph's College and Academy today, Cardinal Gibbons declared against woman suffrage, saying in part:

"I am entirely opposed to woman suffrage, not because I hate women, for I love them and want them to fulfill the mission for which God intended them. If you play in the arena of politics you will be covered with its dust. If you grasp too much you will lose everything. Nowhere is woman so honored as in the United States. This is largely due to the chivalry and courtesy of the men, and if you are protected by the male sex, what more do you want?

"I want to remind you that woman has a great mission in life. You should therefore have a deep sense of your responsibility in the domestic walks of life. You cannot hope to preach in the church, but you can preach in your homes and reach those with whom you come in contact in your daily lives. Preach to your fathers and brothers. Woe be to society if it had to depend upon the male sex alone—it would certainly go to the devil."

BIG MILLS WILL RESUME

Shut-down on Grays Harbor Has Benefited Lumber Market.

ABERDEEN, Wash., June 17.—(Special.)—Millowners of this city declare now that the shut-down caused by the strike will prove a real benefit instead of a loss, and that when operations are resumed market conditions will be better and higher prices will be paid for mill products, with the result of improved conditions generally on the harbor.

It is likewise assured, it is declared, that operations will be resumed shortly after July 4, millowners being disinclined to participate in the proposal for a general shut-down for two weeks after that date, in order to provide an opportunity for attending Lumbermen's Day, July 4, at the Alaska-Yukon-Pacific Exposition.
